

Project Planning Checklist

- Essential question:** *What question / problem will drive the project?*
- Authentic audience / Exhibition of Beautiful Work:** *What is the vision?*
- End product which is crafted:** *What is being created?*
- Significant content:** *is curriculum content properly covered?*
- Rigorous assessment (including the opportunities for 1:1s with all students):** *How will you ensure the children have learned and made progress?*
- Timelines / transparency:** *Has the flow of the project been thought about? How will you share this with students?*
- Student choice:** *What aspects of the project will students be able to express themselves creatively?*
- Grounding text:** *What will students read in order to develop their understanding?*
