Some or all works by this author are in the [public domain](#) in the **United States** because they were published before January 1, 1929.

This author died in 1947, so works by this author are in the **public domain** in countries and areas where the copyright term is the author's **life plus 76 years or less**. These works may be in the **public domain** in countries and areas with longer native copyright terms that apply the [rule of the shorter term](#) to *foreign works*.

About this digital edition

This e-book comes from the online library [Wikisource](#). This multilingual digital library, built by volunteers, is committed to developing a free accessible collection of publications of every kind: novels, poems, magazines, letters...

We distribute our books for free, starting from works not copyrighted or published under a free license. You are free to use our e-books for any purpose (including commercial exploitation), under the terms of the [Creative Commons Attribution-ShareAlike 4.0 Unported](#) license or, at your choice, those of the [GNU FDL](#).

Wikisource is constantly looking for new members. During the transcription and proofreading of this book, it's possible that we made some errors. You can report them at [this page](#).
