

# The Encyclopedia Americana — Fitché

Exported from Wikisource on March 1, 2025

**FITCHÉ**, or **FITCHÉE**, [fichā](#), in heraldry, pointed, like a dagger; sharpened at the lower part. Fitché is usually applied to crosses to indicate that they taper from the centre downward, or fitché at the foot, when the tapering commences only at the bottom of the cross. See HERALDRY.

# About this digital edition

This e-book comes from the online library [Wikisource](#). This multilingual digital library, built by volunteers, is committed to developing a free accessible collection of publications of every kind: novels, poems, magazines, letters...

We distribute our books for free, starting from works not copyrighted or published under a free license. You are free to use our e-books for any purpose (including commercial exploitation), under the terms of the [Creative Commons Attribution-ShareAlike 4.0 Unported](#) license or, at your choice, those of the [GNU FDL](#).

Wikisource is constantly looking for new members. During the transcription and proofreading of this book, it's possible that we made some errors. You can report them at [this page](#).
