

# SJCSD Elementary Report Card Updates

Fall 2022

## ❖ New ELA and Math B.E.S.T. Standards

- In the 2021-2022 school year, new ELA B.E.S.T. Standards were implemented
- In the 2022-2023 school year, new Math Standards were implemented
- The K-2 report card will document student progress on each new standard; not all standards will be taught and/or assessed every quarter of the school year
- The 3<sup>rd</sup>-5<sup>th</sup> grade report card will document student progress in each course based upon progress on each new standard

## ❖ Character and Social Development

- The competencies on the elementary report card for Character and Social Development have been updated to align with the pillars of Character Counts
- Students will earn a 1 (consistently), 2 (sometimes), or 3 (rarely) for the following pillars: Caring, Citizenship, Fairness, Respect, Responsibility, and Trustworthiness

## ❖ Grading

- The Grading Scale for K-2 students will be reported as follows:
    - M = Meeting Standards (85% -100%)
    - P = Progressing toward Standards (70% - 84%)
    - I = Improvement Needed (<70%)
  - The Grading Scale for 3<sup>rd</sup>-5<sup>th</sup> grade students will be reported with letter grades:
    - A = Outstanding Academic Progress (90%-100%)
    - B = Above Average (80%-89%)
    - C = Average (70% - 79%)
    - D = Below Average (60%-69%)
    - F = Failing (<60%)
  - Student progress will be reported through grades on the report card as well as state progress monitoring three times/year; Students with a reading deficiency will receive a letter detailing their performance and instructional plan per state statute; Because of this, the 'Grade Level Performance' line has been removed
