

## April is National Volunteer Month!

*Sodexo Live! at South Maple 3.21.24*

Spring has sprung! While it might not feel so warm yet, daffodils are blooming, trees are budding, and plenty more flowers are getting ready to burst into color. As flora and fauna spring to action, so follow our volunteer events! This month also happens to be **National Volunteer Month**. We'll be celebrating that and Earth Day with plenty of events. Let's get to work beautifying our parks!
