

Board of Directors Nomination Form

Name _____

Email address _____

Current employment (title and organization) _____

What experience, education or skills do you have that are relevant to the Bee Council?

Please indicate which areas you are interested in volunteering (e.g., contributing as a subject area expert; website maintenance; conducting outreach; drafting newsletters, etc.)

Alberta Native Bee Council is a volunteer run, non-profit organization. Our vision is: Healthy and resilient native pollinator populations and habitat in Alberta and our mission is to promote conservation of native pollinator communities through research and monitoring, advocacy, education, and collaboration with others.

Council Objectives:

1. Learn more about native pollinator diversity and abundance in Alberta;
2. Promote conservation and enhancement of native pollinators and their habitats in Alberta;
3. Provide education and outreach to raise awareness about native pollinators in Alberta; and
4. Create a collaborative network for people with an interest in native pollinators.

The Alberta Native Bee Council is one of the only organizations in North America that focuses solely on native bee conservation. We aim to promote awareness of native bees, awareness of threats to native bees including habitat loss, pesticide use, climate change and pathogens as well as awareness and understanding of the impacts of managed bees on native pollinators.

Board Terms are one calendar year and may be renewed upon successful reelection at the AGM (held in the fall). Directors are expected to attend monthly, online board meetings, assist with developing strategic direction for the Council, assist with website maintenance, assist with newsletter development, assist with outreach events, volunteer for AGLC Fundraising casinos and attend the AGM.
