

# Anthony Wayne Local Schools School Millage Presentation

February 2024

### **MILL:**

Property tax is measured in mills. A mill means 1/1,000. Therefore, each mill generates \$1 in taxes for every \$1,000 of a property's assessed value.

### **TAX RATE:**

The total property tax paid by a business or individual for support of the school system, library, township, municipality, county services, park system, etc. This rate includes voted millage and 10 mills of non-voted taxes guaranteed by the Ohio Constitution.

AWLS has 74.80 total mills -3.2 for Penta Career Center = 71.60 total.

## **EFFECTIVE TAX RATE**

**The tax rate after the tax reduction factor is applied. You are protected from non-voted increases in taxes by Ohio Legislation (House Bill 920).**

**Passed in 1976, HB 920 reduces your millage rate as property values in the district increase during triennial reappraisals and updates.**

**AWLS has 32.98 total effective mills.**

## **INSIDE MILLAGE**

**The Ohio Constitution guarantees 10 mills of non-voted taxes, also called inside millage, for each taxing district in Ohio. AWLS receives 4.30 mills of inside millage.**

- **2.1 goes to the General Fund**
- **2.2 goes to the Permanent Improvement Fund**

## **OUTSIDE MILLAGE**

**Any millage that is not allocated by the state is considered outside millage. All outside millage is voted by residents of the District. AWLS currently receives:**

- **64 outside mills to General Fund**
- **3.3 outside mills in Bond Funds**

### EXAMPLE:

- **Voters approve a 4.85-mill, \$3M levy in 2003.**
- **We have experienced multiple revaluations and triennial updates.**
- **HB920 prohibits school districts from receiving additional revenue from the levy.**
- **The 4.85-mill levy is now collecting at 2.50 mills.  
The district still receives \$3M.**
