Generals Seven

These are building expectations that all Generals should exemplify from staff to students.

- 1. Exhibit effective listening skills (eye contact, face the speaker, pay attention to speaker).**
- 2. Utilize excellent conversation skills (answer in complete sentences, show interest in the person, ask questions, address adults as Mr. or Mrs., shake hands, be courteous in writing.)**
- 3. Use your manners. (please, thank you, excuse me)**
- 4. Choose to work hard. Strive to be successful in whatever you do. (We can focus on different things like HW, goal setting, studying for tests, participating in class).**
- 5. Support, respect, and encourage the people around you. (no put-downs, compliment others, speak out against bullying, watch out for each other, pitch in to help.)**
- 6. Be honest and do not make excuses. (Take responsibility for you).**
- 7. Take pride in our school and yourself. (keep our building, home, & community clean; good hygiene, wear school colors on Friday).**
