

Product Name: Water Spot Remover

Description: AUTOTRIZ Water Spot Remover is the most effective product in the world designed for effortless removal of water spots on paint, glass, chrome & hard plastics surfaces. Specially formulated to penetrate the deepest water spots, tough stains, and contamination build-up that are hard to remove. AUTOTRIZ Water Spot Remover is safely used to remove build-up caused by minerals, lime, calcium, rust, adhesives and brings your surface back to a fresh new finish. Quick and easy to use. Clear-coat safe.

Directions: For best results, surface should be cool to the touch. Do not apply in direct sunlight. Conduct a test in an inconspicuous area to ensure the colour surface is safe to be treated with AUTOTRIZ Water Spot Remover. For a surface with new water spots, mix at 1:1 solution with water. For stubborn water spots or tough stains, use without dilution. Shake the bottle well and drip contents onto a microfiber towel. Lightly buff the towel on the spotted and stained areas or drip contents on a detailing brush, agitate until surface is completely clean. Rinse the area well with water. Remove all residue.

Precaution: Do not breathe dust/fume/gas/mist/vapors/spray. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands thoroughly after handling. KEEP OUT OF REACH OF CHILDREN.

First Aid: Rinse cautiously with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Skin Contact: Take off immediately all contaminated clothing. Rinse skin with water/shower for at least 15 minutes. Call a poison center or doctor if irritation develops or persists. Wash contaminated clothing before reuse. Ingestion: Rinse mouth. Do NOT induce vomiting. Immediately call a poison center or doctor. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Never give anything by mouth to an unconscious person. Inhalation: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.
