Exceeds 1 crore	5% of entire sum

If the customer has filed the return for last 3 financial years, taxes will be deducted at 2% on the entire sum wherein cash payment from all the accounts exceeds 1 crore during the financial year.

Given the above amendment, you are requested to kindly submit acknowledgement for return filed for last 3 financial years. Return to be considered for the purpose of this section are returns for which due date u/s 139(1) has expired.

As the return filing due date for FY 2019-20 has been extended till 30 November 2020, you are requested to submit the acknowledgment for FY 2018-19, FY 2017-18 and FY 2016-17. Post 30<sup>th</sup> Nov, 2020, you will be required to submit the same for FY 2019-20 as well in order to avail the benefit of lower rate.

We request you to submit the same on a timely basis as and when the return filing due date for the financial year has expired in order to enable the Bank to continue the benefit of lower rate. In case the requisite documents are not submitted to the Bank, taxes will be deducted at a higher rate as applicable.
