Ideal for those who want..	The ultimate luxury of Silk, lightness of product, the benefits of the natural properties of silk.	Cosiness of wool, responsible and UK sourced, the benefits of the natural properties of wool.	A top quality synthetic duvet, feels like Down, washable at 60 degrees to kill dust mites.	A natural range filled with a luxurious blend of white duck down and white duck feather. Nomite approved and therefore suitable for house dust mite allergy sufferers.	Goose down duvets are renowned for being the ultimate in luxury. Made from 85% finest white goose down and 15% goose feather, our goose down duvet has a box construction to prevent cold spots and a piped cotton cover for that extra soft feel. Our goose down pillows are filled with 80% finest white goose down and 20% goose feather creating the ideal luxurious pillow with medium support.
