1.0 Release Notes for LGY 23.4.0

Release Notification

From: LGY

Version: 23.4.0

Production Deployment Date: February 21, 2023 @ 8:00PM CT/9:00PM ET

Focus of Release: The area of focus for the LGY 23.4.0 release will improve the Full File Loan Review (FFLR) letters, data field formatting issues, and will ensure duplicate deficiencies are no longer displayed while issuing a Notice of Value (NOV). This improvement ensures the Veteran has the correct notices with no duplicate information.

1.1 Enhancements

LGY-1345577	FFLR	The FFLR 'Non-Compliance Letters' have been modified to provide clear and concise information to the lender of how, when, and what documents must be submitted to VA for review.

1.2 Bugs

Key	Component	Summary
LGY-1333193	C&V	Some appraisers identified that the upload file is not able to upload appraisal files due to missing information or missing appraisal pdf. The current error message is vague and does not specify what data element is missing. Additional code will update the error to display a user-friendly message when the appraisal cannot be uploaded due to missing data elements identified in this bug. It will call out the specific data element that is missing.
