

How to register as a Private Attorney for Securus Video Visitation Sessions

Link to short video on how to set up a Securus Account:

<https://securustech.net/video-products/steps-to-register/index.html>

Each Attorney is required to set up an individual account. To create individual accounts, the Attorney must use a phone number unique to them. Note: Attorneys should not use the main office number as the Securus system does not allow duplicate accounts for the same phone number.

After the Securus account is created, the Attorney must submit a request to have access to a correctional agency's video visitation system as a "Private Attorney." The Attorney will be required to upload a picture of themselves, their government ID, and their bar card.

Once the correctional agency approves the Attorney's request to register as a Private Attorney on the agencies video system, the Attorney will receive an email notification that they may start scheduling visits.

Below are the steps to create a Securus Video Visitation "Private Attorney" account at specific correctional agency:

The screenshot displays the Securus user interface. On the right side, there is a user profile for 'TEST FEHRENBACH' with a settings gear icon. The profile information includes: Address: 4259 ANNEEWAKEE ROAD DOUGLASVILLE, GA 30135; Phone: 404-324-3531; Email: saz000@gmail.com; PIN: 1814; Password: *****. On the left, there are four service tiles: 'ADVANCE CONNECT' (prepaid calling account), 'INMATE DEBIT' (Accounts: 0), 'VIDEO VISITATION' (remote visiting), and 'EMESSAGING' (eMessages). Each tile has a 'SIGN UP' or 'FIND INMATE' button. A green arrow points to the 'SIGN UP' button under 'VIDEO VISITATION'.
