

GET THE FUTURE YOU WANT

AN INTRODUCTION
TO OUR GROUP

May 2022

UNLOCKING THE VALUE OF TECHNOLOGY

Work with **85%** of the **200 largest public companies** on the Forbes Global 2000 list

10 consecutive years named **one of the World's Most Ethical Companies** by Ethisphere

Contribute to **11** of the **UN's sustainable development goals**

Impacted more than **1,000,000** lives during the **COVID-19 pandemic**

Capgemini Research Institute ranked **#1** six years in a row for the **quality of its research** by Source Global Research

We are fortunate to **work at the heart of today's major transformations**, to contribute to development in every industry, and to help simply make our planet a better place. And we do this as we have always done at Capgemini: with passion and energy, and all together."

Aiman Ezzat
Chief Executive Officer

OUR STORY

WHO WE ARE

For more than 50 years, we've been a dedicated partner to organizations around the world, helping them transform and manage their businesses.

A diverse collective of more than 325,000 strategic and technological experts across more than 50 countries, we are all driven by one shared passion: to unleash human energy through technology.

As we leverage cloud, data, AI, connectivity, software, digital engineering, and platforms to address the entire breadth of business needs, this passion drives a powerful commitment. To unlock the true value of technology for your business, our planet, and society for a more inclusive, sustainable future.

WE HELP YOU DEFINE, DEPLOY, AND ACCELERATE YOUR JOURNEY WITH THE LEADING HYPERSCALERS...

“Capgemini and AWS have been working closely together helping enterprises, researchers, and government organizations to speed up innovation, lower operating costs, and reinvent themselves through cloud technologies. Even with this strong track record together, we are still at the early stages of cloud adoption.”

Andy Jassy, CEO, Amazon

“Microsoft and Capgemini have a 20-year history of innovating together. We help some of the world’s largest organizations in every industry digitally transform by migrating their mission-critical SAP workloads to Azure or taking a data first approach and modernizing their data estates using the power of the cloud.”

Satya Nadella, Chairman and CEO, Microsoft

“Together, Capgemini and Google Cloud are helping organizations deliver new innovations to enable hybrid work, apply leading edge AI and machine learning solutions in the cloud, build new digital experiences in industries like financial services, and much more.”

Thomas Kurian, CEO, Google Cloud

WE HELP
OUR PEOPLE
GET THE
FUTURE
THEY WANT

WE FOSTER A CULTURE WHERE OUR PEOPLE CAN THRIVE...

Capgemini is a diverse global collective of free-thinkers, entrepreneurs, and industry experts who push one another to go further. Together, we're driven by a shared passion: finding new ways technology can help us reimagine what's possible.

If you raise your hand and say 'I think there's a better way to do this' people will say 'Let's try.'"

Simon Spielmann,
Solution Architect

Targeting

30%

of women in executive leadership positions by 2025

8/10

employee engagement score on regular employee surveys

120

nationalities, working together

...AND TAKE ON TODAY'S BIGGEST CHALLENGES

With our world-class development programs and collaborative culture, our people develop the knowledge and experience required to give technology the human touch the world needs.

DISCOVER AND CONNECT

Opportunities to stay up to date with the latest trends while connecting with colleagues and expanding networks

LEARN AND PRACTICE

From think tanks to hackathons, immersive learning takes our people out of the classroom to solve real business challenges

CONTRIBUTE AND COLLABORATE

Everyone has the opportunity to collaborate and contribute to team and business growth

EXPERIMENT AND INNOVATE

Innovative and intuitive tools and world-class facilities flip the traditional classroom model

Our digital learning platform Next leverages seven world-class digital libraries, including Coursera, Harvard, and Pluralsight to provide all our employees with the best opportunities to continuously grow their hard and soft skills through individualized development paths.

**WE HELP
GET THE
FUTURE
WE ALL WANT
FOR OUR
PLANET AND
SOCIETY**

WE'RE FOCUSED ON BUILDING A MORE SUSTAINABLE AND MORE INCLUSIVE FUTURE FOR ALL...

Environmental sustainability

By driving net zero thinking into our operations and the work we do with clients, we're ensuring a sustainable future for our planet.

Digital inclusion

By using the skills and passions of our people, we're bridging the digital divide for a future where technology is an opportunity for everyone.

Diversity and inclusion

By creating a vibrant and inclusive culture where talent representing society in all its richness and diversity are empowered to build meaningful careers, we're building a future where all talent can thrive.

Through our Social Response Unit launched in 2020, we take an agile approach to responding to the world's most pressing problems as they evolve

30%

reduction in carbon footprint per employee between 2016 and 2020

200,000+

beneficiaries of digital literacy programs in 2021

1 million+

lives impacted in responding to the COVID-19 crisis

30%

proportion of vice president promotions and hires filled by women

...AND WE'RE RAISING THE BAR ON OUR ACTIONS AND COMMITMENTS

Launching Climate Circles, a Group-wide movement to share ideas on sustainability transformation for positive change and redefine what it means to be a responsible business.

Hiring and training 1,000+ women from rural backgrounds in India to bring them into the workforce.

Launching #wirfürschule, the largest educational hackathon in Germany, with the aim to design the curriculum for the schools of tomorrow.

Designing and delivering an AI solution to remotely detect and measure the impact of landscape and ecosystem degradation indicators across the Mojave Desert.

Recognized as **Employer of the year 2021** in the Australian LGBTQ awards, for our commitment to LGBTQ+ inclusion, with the strong involvement and impact of our Employee Resource Group: Outfront.

About Capgemini

Capgemini is a global leader in partnering with companies to transform and manage their business by harnessing the power of technology. The Group is guided everyday by its purpose of unleashing human energy through technology for an inclusive and sustainable future. It is a responsible and diverse organization of over 325,000 team members more than 50 countries. With its strong 55-year heritage and deep industry expertise, Capgemini is trusted by its clients to address the entire breadth of their business needs, from strategy and design to operations, fueled by the fast evolving and innovative world of cloud, data, AI, connectivity, software, digital engineering and platforms. The Group reported in 2021 global revenues of €18 billion.
