RULES OF ORDER
of the
SENATE
for the
One Hundred Twelfth General Assembly
STATE OF TENNESSEE

1. **CONVENING THE SENATE.** The Speaker of the Senate shall be elected by a majority of Senators to which the body is entitled. The Speaker's term shall be for two years and the Speaker shall hold office until a successor is elected and qualified.

The Speaker shall take the chair every day at the hour to which the Senate has adjourned; he or she shall immediately call the Senate to order and, after prayers, the Pledge of Allegiance of the United States, and the first official salute to the flag of Tennessee, if a quorum is present, proceed to business. In the absence of a quorum, the Speaker may adjourn the Senate to a later time or to the next session day. At all other times an adjournment shall be pronounced by the Speaker on motion.

2. **SPEAKER'S DUTIES.** The Speaker shall preserve order and decorum; he or she may speak to points of order in preference to other members. He shall decide questions of order, subject to appeal to the Senate by any member.

3. **SPEAKER PRO TEMPORE.** The Speaker of the Senate shall appoint a Speaker pro tempore who shall perform such duties as assigned by the Speaker. The Speaker pro tempore shall serve at the pleasure of the Speaker. The Speaker pro tempore shall preside during the absence of the Speaker, except that the Speaker shall have the right to name any member to perform the duties of the Chair for a period not to extend beyond an adjournment. In the absence of the Speaker and the Speaker pro tempore, it shall be the duty of the Clerk to call the Senate to order and call the roll for the election of a temporary speaker. In the event of an interim vacancy in the office of Speaker, through death or resignation, or in the event of disability, the Speaker pro tempore shall conduct the necessary business of the Senate only until such time as an election can be held in the Senate to fill the vacancy.

4. **REQUIRED ATTENDANCE.** No member shall absent himself or herself from the service of the Senate without permission of the Speaker. In case a less number than a quorum of the Senate shall convene, they are hereby authorized to send the Sergeant at Arms, or any other person or persons, for any or all absent members, as the majority of such members present shall agree, at the expense of such absent members, respectively, unless such excuse for non-attendance shall be made as the Senate, when a quorum is convened, shall judge sufficient; and the Sergeant at Arms is authorized and empowered to arrest absent members and to use all the force and means necessary to effect said arrest. For this purpose he or she may summon all needed deputies and do all things necessary to secure the presence in the Senate chamber of the absent members.

5. **APPOINTMENT OF EMPLOYEES.** The Speaker shall appoint such employees as clerks, sergeants at arms, pages and all other Senate employees as are necessary for the proper transaction of the business of the Senate. The appointment of personal secretaries shall be with the approval of the Senator in whose office they will work. Every employee shall work under the direction of the Speaker, and he or she shall prescribe the respective duties at the time of appointment.

6. **NON-MEMBERS IN CHAMBER.** The Sergeant at Arms shall admit no persons into the Senate chamber during the period from 30 minutes prior to the Senate convening until 30 minutes after session adjournment except members of the General Assembly, the Chaplain of the Day, the Doctor of the Day, staff members designated by a member of the General Assembly and any other persons designated by the Speaker. The representatives of the various news media shall have access to their designated areas; all visitors and spectators shall have access to the gallery so long as they preserve order.

7. **CLEARING THE CHAMBER.** In case of any disturbance or disorderly conduct in the Chamber or gallery, the Speaker or the Chairman of the Committee of the Whole shall have the power to order the same to be cleared.

8. **FOOD AND SMOKING IN THE CHAMBER.** Except for the consumption of light refreshments, food shall be prohibited in the Chamber during Senate session. Smoking is prohibited in the Senate Chamber during Senate session.

9. **WHO MAY ADDRESS THE SPEAKER.** No one may address the Speaker except a member of the Senate.

10. **GAINING THE FLOOR.** Every member shall address the Speaker from his appropriate desk. When recognized by the Speaker, he or she may request permission to speak from the Well. In all cases, the member who shall first rise and address the Speaker shall be entitled to speak first, but when two or more members shall rise and address the Speaker at the same time, the Speaker shall name the member who shall speak first.

11. **SPEAKING.** When any member is about to speak in debate or deliver any matter whatsoever to the Senate, he or she shall rise from his appropriate seat and respectfully address himself or herself to "Mr. Speaker," and shall, after he or she is recognized by the Speaker, proceed in his remarks, confining himself or herself strictly to the question under debate and avoiding all personalities. No member shall address another member on the floor in the second person or refer to any other member by name, except by using a courtesy title followed by the member's last name.

12. **SPEAKING LIMITATIONS.** No member shall speak more than twice on the same subject, without leave of the Senate; and Senators who have once spoken shall not again be entitled to the floor (except for the purpose of explanation), to the exclusion of another who has not spoken; and no member shall speak longer than twenty (20) minutes in the first speech and ten (10) minutes in the second speech on any question, unless by consent of the Senate.

Statements made under the twelfth (12th) order of business may in the discretion of the Speaker be limited to fifteen (15) minutes' duration. Such statements may be upon any subject of concern to the speaking Senator and the people of the State, but must be offered under the twelfth (12th) order of business.

13. **PERSONAL INTEREST.** When a member of this body arises to address himself or herself to a bill, section thereof, or amendment in which he or she has a personal

interest, he or she shall state to the Speaker and members of the body "that it may be considered that I have a degree of personal interest in the subject matter of this bill, but I declare that my argument and my ultimate vote answer only to my conscience and to my obligation to my constituents and the citizens of the State of Tennessee."

14. **PERSONAL PRIVILEGE.** Personal Privilege applies only to matters relating to the person, such as his conduct, his record, his personal relationship with others or abuse by other members of these personal situations which the individual shall be entitled to defend. Senators shall be entitled to immediate recognition on Personal Privilege except as otherwise provided herein, but no Senator shall address himself or herself to the matter then before the Senate while speaking on a point of Personal Privilege. Should a Senator invoke this rule of personal privilege, he or she shall be totally prohibited of the right to speak on any bill or any merits relating thereto, and should he or she attempt to do so, he or she shall be immediately ruled out of order and seated by the Chair. No Senator shall be recognized on Personal Privilege after a non-debatable motion is made and before said motion is put to vote.

15. **POINT OF ORDER.** If any member, in speaking, or otherwise, transgresses the Rules of the Senate, the Speaker shall, or any member may, call him or her to order, in which case the member so called to order shall immediately sit down, when the point of order shall be at once decided by the Speaker or Speaker pro tempore, subject to an appeal to the Senate. After the decision is rendered, the member having the floor can proceed, subject to the decision made.

16. **OBJECTIONS TO WORDS.** If a member is called to order by a Senator for words spoken, the words excepted shall be immediately repeated by the Senator excepting and reduced to writing by the Clerk.

17. **SPEAKER'S RULINGS.** The Clerk of the Senate shall enter on the Journal all rulings by the Speaker on Points of Order. The Clerk or any member may request that the Speaker submit such ruling in writing within three legislative days.

18. **APPEALS ON RULINGS.** Any member of the Senate may appeal to the Senate from any ruling of the Speaker. A majority vote of the members present, and registering on the roll call system, shall decide the appeal.

19. **ORDER OF BUSINESS.** The Daily Journal shall be read only on a motion duly passed, and corrections, if any, made immediately.

The Speaker may provide for an invocation to begin the daily sessions of the Senate. The person delivering the invocation may offer prayer according to the beliefs and practices of his faith but shall be informed that the citizens of the State of Tennessee and its elected Senators are of a variety of faiths and beliefs that prayer in the Senate should respect that diversity, and if, within the constraints and conscience of the prayer leader, the prayer should be ecumenical.

After appropriate opening ceremonies, the Speaker shall call for the following:

- (1) Roll Call
- (2) Introduction of Bills
- (3) House Bills on First Consideration
- (4) House Bills on Second Consideration
- (5) Senate Bills on Second Consideration
- (6) Introduction of Resolutions
- (7) Resolutions Lying Over
- (8) Unfinished Business and Notices

- (9) Calendar
- (10) Messages
- (11) Reports from Committees
- (12) Statements and Announcements

Members may briefly recognize guests or visitors in the gallery or in the Chamber during Item 12 (Statements and Announcements). Guests and visitors may not be admitted to the Chamber during session for introduction without the prior approval of the Speaker.

20. **GENERAL AND LOCAL BILLS.** All bills for the removal of disabilities of infants, bills seeking to regulate hunting or fishing in any county and those permitting persons to practice any profession requiring examination before doing so, shall be deemed and treated as General Bills. No Local Bill shall be introduced or considered unless the caption shall state the name of the county or municipality to which it applies.

21. **RESOLUTIONS.** Resolutions calling joint conventions and creating study committees shall first be referred to the Committee on Delayed Bills. Resolutions referred to the Committee on Delayed Bills shall require the unanimous approval of the Committee. Congratulatory and memorializing resolutions shall be referred to the Committee on Calendar. All other resolutions shall be referred to the appropriate standing committee for consideration.

Any resolution proposing an amendment to the Constitution pursuant to Article XI, Section 3 shall be read verbatim on three several days and shall be passed if it receives a constitutional majority on the third vote. Any amendments to such resolution shall be considered in a like manner. No motion of substitution for a Senate Resolution shall be authorized.

22. **PETITIONS AND MEMORIALS.** Before any petition or memorial addressed to the Senate shall be received and read at the table, a brief statement of the contents of the petition or memorial shall be verbally made by the introducer.

23. **PRECEDENCE OF BILLS.** Bills coming from the House of Representatives shall have precedence of bills in the Senate on the same subject.

24. **SUBJECT AND CAPTION.** No bill shall embrace more than one subject, that subject to be embraced in the title. All bills to repeal, revive or amend former laws, shall recite in their caption, or otherwise, the title of the law to be repealed, revived or amended.

25. **FILING OF BILLS FOR INTRODUCTION.**

(A) Pre-filing of Bills.

After the regular November election, each member of the Senate may pre-file as many bills and resolutions as that member desires prior to the convening of the organizational session of the General Assembly in January. Requests for the drafting of pre-filed bills and resolutions must be received by the Office of Legislative Services by the second Tuesday of December of such year.

Any member of the Senate pre-filing a bill or resolution for introduction in the next session shall follow the procedure as follows:

- (1) The bill or resolution shall be filed with the Chief Clerk of the Senate by the member in the number and form prescribed by the Rules of the Senate.

- (2) The Chief Clerk shall number the bill or resolution and note thereon the date of the first day of the next session, on which the bill or resolution will be introduced and, in the case of bills, will pass first consideration.
- (3) All general bills or resolutions of general interest shall be printed and distributed in the same manner as bills and resolutions introduced during a session.
- (4) After written request of the sponsor of a pre-filed bill or resolution, the Speaker of the Senate may in his discretion refer the bill or resolution to the appropriate committee to be studied and considered by the committee, or a subcommittee thereof, during the interim between sessions.
- (5) Legal Analyses of bills shall be prepared and distributed in the same manner as during sessions.
- (6) Fiscal notes shall be prepared for pre-filed bills in the same manner as during sessions.

(B) Filing of General Bills for Introduction During Session.

After Thursday of the second week of each annual session, each member of the Senate shall be limited to nine (9) general bill introductions until final adjournment of the General Assembly for that session or year. On such Thursday, bills may be introduced on the same day as filed.

This rule shall not apply to administration bills of the Governor, but each such administration bill shall be designated as such at the bottom of the front page of the bill and all administration bills shall be filed by the tenth legislative day.

This rule shall not apply to bills introduced by a committee chairman at the direction of a standing, select or joint committee.

All bills for introduction shall be filed with the Chief Clerk no later than four (4) o'clock p.m. on the day preceding the date of introduction.

Requests for the drafting of bills shall be submitted to the Office of Legal Services for the General Assembly, War Memorial Building, Nashville, Tennessee, 37243-0059.

26. LOCAL BILLS. No general bill with local application, or private act, shall be introduced unless personally signed by a Senator representing a local unit of the government. No general bill with local application or private act shall be passed on third consideration unless three-fourths (3/4) of the Senators who represent the local unit of government to which the bill is applicable are present or have agreed in writing and have filed the agreement with the Clerk. In the case of Davidson, Knox and Hamilton counties, the signature or presence of all Senators representing the local unit of government shall be required for passage.

The Local Bill Calendar shall be printed and posted in designated places, transmitted electronically to the members and posted on the General Assembly Web site before two (2) o'clock p.m. at least one (1) calendar day prior to such consideration.

27. CUT-OFF DATE. In each annual session, no general bill, except a general bill with local application, shall be introduced after the tenth (10th) legislative day of a regular session, nor shall any resolution, other than congratulatory or commemorating be introduced after the fortieth (40th) legislative day, except upon unanimous consent of the Committee on Delayed Bills, or upon motion approved by two-thirds (2/3) vote of the members present and registering on the roll call system.

Resolutions proposing amendments to the Constitution approved by the House shall be introduced when received, notwithstanding such cut-off date.

28. FORM OF BILLS. Every bill or resolution introduced shall meet the requirements for introduction established by the Clerk. Each bill or resolution shall be enclosed in a manuscript cover and shall bear the signature of the sponsor or sponsors on said cover and said cover shall also contain a succinct statement of the purpose or nature of said bill or resolution. When a member introduces a bill or resolution, the Clerk shall immediately give the same a Senate Number. No bill shall be introduced in blank.

Each bill shall contain an effective date clause which reads "This act shall take effect on (Date) , the public welfare requiring it." The Chief Clerk of the Senate shall not transmit any bill from the Senate unless such effective date clause requirements are met.

Any bill certified by its sponsor to be a caption bill or which is deemed so by the Speaker, shall receive first and second consideration and then shall be held on the Clerk's desk pending the filing of an amendment in proper form. On or before the seventh calendar day next following the tenth (10th) legislative day, the Speaker shall refer the bill to the proper committee upon filing of a substantive amendment, or certification by the sponsor that the bill is not a caption bill. After the seventh calendar day next following the tenth (10th) legislative day, caption bills remaining on the Clerk's desk shall be withdrawn from the Senate, unless objections are filed with the Clerk, and on motion, approved by a majority of the membership of the Senate.

29. FILLING BLANKS. In filling out blanks, the largest sum and longest time shall first be put.

30. FISCAL NOTES. A fiscal note, prepared by the Fiscal Review Committee, shall be furnished in regard to every resolution or bill, indicating the fiscal effect of such resolution or bill upon the State. The Director of the Fiscal Review Committee shall duly certify that the information contained therein is true and correct to the best of his knowledge.

The Director of the Fiscal Review Committee shall monitor the bills and resolutions received from the House and held on the Clerk's desk and advise the Senate of their fiscal effect when such bills and resolutions have been amended to substantially change the fiscal note.

31. FISCAL MEASURES. Any bill or resolution having a fiscal effect of \$50,000 or more upon receipts or expenditures of the state or local governments shall be referred to the Committee on Finance, Ways and Means after consideration by the appropriate standing committee.

No bill or resolution having such a fiscal effect shall be put upon final passage until the same has been considered by the Committee on Finance, Ways and Means.

A bill or resolution which is amended by the Senate or House of Representatives, so as to increase the fiscal effect of the bill or resolution by \$50,000 or more, shall be referred to the Committee on Finance, Ways and Means after all filed amendments have been considered by the Senate. Provided, however, this paragraph shall not apply to the General Appropriations Bill.

A bill or resolution which is recommended by a standing committee to be amended in such manner so as to remove its fiscal effect below \$50,000 may be referred directly to

the Committee on Calendar. In the event the amendment is not approved by the Senate, paragraph 2 shall apply.

Any bill or resolution that has a fiscal effect of \$50,000 or more upon recurring costs in any subsequent year due to a delayed effective date or implementation schedule or incremental implementation, shall be placed behind the General Appropriations Bill.

32. FIRST CONSIDERATION. The first consideration of a bill shall be for information. If no opposition be made, the bill shall pass its first consideration and be placed on the calendar for its second consideration.

33. SECOND CONSIDERATION. Upon second consideration all bills shall be referred by the Speaker to the proper committee; unless there is objection, upon second consideration, all local bills will be held on the Clerk's desk for further action. The Senate may upon motion at any time refer or re-refer a bill to such committee as it may direct.

34. PRESENCE OF SPONSOR. No bill may be called up for passage or rejection on third and final consideration unless the prime sponsor of said bill shall be present in the Senate unless such sponsor shall have previously indicated to the Speaker his permission for the same to be brought up in his absence. When the prime sponsor is present, no bill shall be moved to another calendar day more than twice.

Upon the death or disability requiring his absence from the Senate of any sponsor of a bill, the Speaker may name one of the co-signers of said bill as sponsor, and if only one person shall have signed said bill as sponsor, and said sponsor becomes unable to be present in the Senate, the Speaker may name any person favorable to said bill as sponsor.

35. RECOMMITTAL. After commitment and report thereof to the Senate, at any time before its passage, a bill may be recommitted.

36. EFFECT OF SUBSTITUTION. When a bill has been substituted for another bill the bill displaced by the substitution shall be considered to be tabled.

37. SETTING THE CALENDAR. Any bills, having been considered and reported out of the Committee to which referred, shall be referred to the Committee on Calendar, and no bill of a general nature nor report shall be considered for third and final passage until a written calendar, from the Committee on Calendar, giving notice of such bill or report, has been posted in designated places, transmitted electronically to the members and posted on the General Assembly Web site before two (2) o'clock p.m. at least two (2) calendar days prior to such consideration.

The Committee on Calendar shall schedule on the calendar for final consideration such number of general bills as it deems appropriate.

Should the Senate not complete any day's calendar, the bills remaining unconsidered shall go to the top of the calendar on the next day that general bills are considered.

38. CONSENT CALENDAR. Any bills which are not controversial in nature shall be placed on a Consent Calendar by the Committee on Calendar. The Consent Calendar shall be printed and posted in designated places, transmitted electronically to the members and posted on the General Assembly Web site before two (2) o'clock p.m. at least two (2) calendar days prior to such consideration.

Any member may object to a bill placed on the Consent Calendar and if objection is raised, the bill or bills so objected to shall be placed at the heel of the next succeeding calendar for final consideration; except the last calendar day of the annual session in

which event the bill shall be placed last on the current day's calendar for final consideration.

39. SENATE AMENDMENTS. The following shall apply to amendments offered by members of the Senate:

1. Notice of the proposed amendment or amendment to an amendment has been given by two (2) o'clock p.m. of the day prior to its consideration by the Senate; with the exception of amendments to Monday's calendar may be accepted until 12:00 noon on the day of consideration. A copy of the proposed amendment shall be placed on the desk of each member of the Senate; or

2. The amendment has been considered by the standing committee which considered the bill itself, and the Committee has made a recommendation concerning the adoption of the amendment in the same manner that the Committee made its recommendation concerning the passage of the bill, a copy of said amendment shall be placed on each member's desk in the Senate prior to a vote on same; or

3. By a two-thirds (2/3) vote, of the members present and registering on the roll call system, for adoption of the amendment if there has not been compliance with either 1. or 2. above.

The above rule shall not apply to amendments correcting grammatical or typographical errors, those simply changing dates or the effective date clause or amendments offered on the last day of any general session.

40. CONSIDERATION OF AMENDMENTS. No amendment beyond the second degree shall be entertained. The vote on amendments shall be had in the reverse order in which the same were made.

41. RIDERS. No amendment by way of a rider shall be received.

42. TABLED AMENDMENTS. When a motion to lay on the table an amendment, in the first or second degree, to a pending bill, resolution or other matter, prevails by a majority of the members voting, it shall be a final defeat of the tabled amendment.

43. RETURNING WITHDRAWN BILLS. When a bill is withdrawn for amendment, the same shall be returned within three (3) days thereafter.

44. SENATE BILL ON HOUSE AMENDMENT. When a Senate bill or resolution is returned from the House with an amendment, notice of the proposed amendment shall be read by the Clerk at least 24 hours before its consideration. A copy of the proposed amendment shall be placed on the desk of each member of the Senate, or upon motion adopted, referred to the standing committee which considered the bill originally. The Committee shall make a recommendation concerning the adoption of the amendment in the same manner that the Committee made its recommendation concerning the passage of the bill. The Standing Committee considering the amendment shall make a written report as to its recommendation and send same back directly to the Clerk's desk of the Senate and not to the Committee on Calendar for scheduling. This rule shall be waived on the last day of any annual session. The above rule shall not apply to amendments correcting grammatical or typographical errors or those simply changing dates.

When a Senate bill is returned from the House with an amendment, or a substitute for Senate bill, the ayes and noes shall be called on the passage of said amendment or substitute bill and entered on the Journal of the Senate. No further amendments to such bill or substitute bill shall be entertained. A constitutional majority shall be required for passage. Failure of a motion to concur shall be deemed nonconcurrency.

45. **INTRODUCTION OF MESSAGES.** Messages may be introduced only at the proper order of business except when rules have been suspended for such purpose.

46. **READING PAPERS.** When the reading of a paper is called for and the same is objected to by any member, it shall be decided by a vote of the majority of the members voting without debate.

47. **PRECEDENCE OF MOTIONS.** When any question or motion is under debate in the Senate, the following motions only shall be in order and may be entertained by the Speaker:

- (1) To adjourn or to recess
- (2) To lay on the table
- (3) For the previous question
- (4) To postpone to a day certain
- (5) To commit
- (6) To amend
- (7) To take any action effecting rejection

Each of said motions shall take precedence in the order set out herein.

48. **NON-DEBATABLE MOTIONS.** All motions shall be subject to debate except the following motions:

- (1) To adjourn or to recess
- (2) Lay on the table
- (3) For the previous question

Provided, however, the proponent of any measure sought to be tabled shall have the right to be heard after the motion to table is made and before said motion to table is put to vote.

49. **DEBATING MOTIONS.** No motion shall be debated until the same is seconded and stated by the Speaker.

50. **TABLED MOTIONS—HOW RESCINDED.** When any bill, resolution or motion is laid on the table by a vote of the Senate, it shall require a two-thirds (2/3) vote of the members present and voting on the roll call system to take it from the table.

51. **PUTTING THE QUESTION.** Question shall be put directly in this form: "Senators in favor of (then state the proposition) say 'Aye'." After the affirmative will is expressed, "Senators who are opposed say 'No'." If the Speaker doubts, or a division of the body is called for by any three (3) members, the question shall be decided by a roll call vote. Each member called upon shall, unless he or she is excused for special reasons by the Senate, declare openly and without debate his assent or dissent to the question. Upon a roll call, the names of the members shall be called in alphabetical order and each member shall vote "Aye" or "No" when his name is called by the Clerk.

Whenever the electrical roll call system is used, the Clerk shall preserve the record of the votes of the members by making the printed roll call as authenticated by the Roll Call System a part of the Clerk's rough journal. When the roll call machine is inoperative, roll shall be called in alphabetical order.

52. **THE PREVIOUS QUESTION.** The previous question shall be stated by the Speaker in this form: "Shall the main question now be put?" Two-thirds (2/3) of the members present and voting affirmatively on the roll call system shall be required for the adoption of the previous question. If adopted, it shall preclude all further amendments

and terminate all debate, but it may be applied to the main question or to the main question and amendment, or the main question, amendment and amendment to the amendment, and shall bring the Senate to a direct vote on the question, in the order in which they stand and from the point where the previous question was adopted. But in all debates upon resolutions or bills, immediately prior to their final passage, the mover or author of the resolution or bill shall have the right to close the debate thereon; and no call for the previous question nor any other motion shall cut off this right in the mover or author of the measure. When the demand for the previous question has been made and rejected, under the foregoing provision, it shall be in order upon the demand of a majority of the members of the Senate, for the Committee on Rules to meet and report for adoption by a majority of the Senate a rule or order fixing or limiting the time in which debate on said question shall be closed.

53. **DIVISION OF QUESTION.** If the question in debate contains several points, any member may have the same divided; but no bill shall be divided on third and final consideration.

54. **ORDER OF QUESTIONS.** All questions shall be propounded in the order which they were moved except the filling up of blanks.

55. **MOTIONS EFFECTING REJECTION.** A motion "To reject" or "To postpone indefinitely" or "To strike out the enacting clause of a bill," or "Resolving clause of a resolution," if concurred in, is equivalent to a rejection, provided, however, if any motion is made to this effect on first or second consideration, then the bill, or resolution, and motion shall lie over one day.

56. **MOTIONS DURING VOTE.** No motion shall be in order during voting on any question until the decision of the Senate is announced by the Speaker or Speaker pro tempore. At all other times a motion for adjournment shall be in order, provided some business has been transacted since the last motion to adjourn.

57. **RECONSIDERATION.** When a question has been made and carried in the affirmative or when a question shall fail to carry, it shall be in order for any member voting with the prevailing side to move for reconsideration. It shall take a majority of the members to which the body is entitled to reconsider a question.

58. **MAJORITY IN ELECTIONS.** In all elections a majority of the Senate shall be necessary to a choice.

59. **VOTING.** A member shall vote only at his desk and, when the electrical roll call system is used, he or she shall vote only through the use of such system. When said system is used, a member shall push one (1) of the three (3) buttons provided on each bill.

60. **CHANGING VOTE.** Any member may change his vote on a roll call prior to the result being announced by the Speaker or by the Clerk of the Senate.

61. **EXPLANATION OF VOTE.** Any member may have written into the Journal an explanation of his vote on any particular motion, resolution or bill immediately after the Speaker has announced the result of the vote by reducing his explanation to writing and handing same to the Clerk. However, an oral explanation is not a matter of privilege and will not be allowed from the floor.

62. **FAILURE TO RECEIVE CONSTITUTIONAL MAJORITY.** When any bill or resolution is voted upon, but fails to receive a constitutional majority, the same shall be automatically re-referred to the Committee on Calendar. Any bill so re-referred after the

thirty-fifth (35th) legislative day of an annual session shall not be again placed on the calendar for consideration, unless this rule is suspended as provided by Rule 69 in which case it shall be placed in the next available position on the calendar for a succeeding day. However, no bill or resolution, having failed to receive a constitutional majority, shall be voted on more than twice by the Senate during a session.

When a majority of the members to which the body is entitled cast their votes against a bill or resolution, the Speaker shall declare the bill or resolution rejected.

63. **RECALL.** After any bill or other matter shall have been for seven (7) legislative days in any standing committee, the same may be called for by a majority of the members to which the body is entitled under the Constitution and placed upon the calendar of the Senate. Such action shall be in order only after a notice signed by the Sponsor giving the number of the bill to be called for has been filed with and announced by the Clerk at least one (1) day prior to offering a motion to withdraw said bill from the Committee in which it is held. When a bill has been recalled from a committee to which it was assigned by the Speaker or from the Committee on Calendar, it shall be placed at the foot of the calendar on the next day on which general bills are considered.

64. **CONFERENCE COMMITTEE REPORTS.** When a Conference Committee Report is submitted to the Clerk of the Senate, notice shall be given by the Clerk at least twenty-four (24) hours before its consideration by the Senate and a copy of the report shall be placed on the desk of each member of the Senate. On the last two (2) days of the annual session, this rule shall be waived.

A majority conference committee report must be affirmatively signed by the majority of the members appointed to the committee by the Senate and a majority of the members appointed to the committee by the House of Representatives. A majority conference committee report is privileged and may be taken up at any time except when a vote is being taken.

A minority conference committee report must be affirmatively signed by at least one member appointed to the committee by the Senate and one member appointed to the committee by the House of Representatives. A motion to substitute a minority conference committee report for a majority conference committee report may be made at any time after the motion to adopt the majority conference committee report has been made but prior to the vote on the motion to adopt the majority conference committee report.

A majority report or minority report is objectionable in form if the majority report or minority report does not comply with the provisions of this Rule and Rule 79. Objection to form of a majority report must be made prior to the vote on the motion to adopt the majority report. Objection to form of a minority report must be made prior to the vote on the motion to substitute the minority report for the majority report.

65. **CERTIFICATION OF PASSAGE.** When a bill shall pass, it shall be certified by the Clerk, noting the day of its passage at the foot thereof.

66. **REPORT OF ENGROSSING.** All bills passed in the Senate shall, before they are sent to the House, be examined by the engrossing clerk, whose duty it shall be to examine all bills, amendments, resolutions or motions, before they go out of the possession of the Senate and to make report that they are correctly engrossed, which report shall be entered in the Journal.

67. **NOTICE TO OVERRIDE GOVERNOR'S VETO.** Prior to any member seeking to override the Governor's veto on any bill, a written motion to do same on a day certain

shall be filed with the Clerk and notice shall be given at least twenty-four (24) hours prior to such motion being called up, with the exception that in the last two (2) days of any annual session, this rule shall not be applicable. A member may invoke this rule only twice on a bill in any session without suspension of the rules.

68. **COMMITTEE OF THE WHOLE.** In forming a Committee of the Whole, the Speaker shall leave the chair, and a chairman shall be appointed by the Speaker to preside in Committee unless the chairman appointed shall be objected to in which case the Committee of the Whole shall elect its own chairman.

Prior to the Senate dissolving itself into a Committee of the Whole, rules for same shall be prescribed by the Senate.

74. **COMMITTEE OFFICERS.** The Speaker shall appoint one Chairman, one 1st Vice-Chairman, and one 2nd Vice-Chairman for each of the nine (9) standing legislative committees, giving due regard to the abilities, preferences and seniority of the members; the needs of the committees; the recommendations of party caucuses; and the political party representation in the Senate. The Committee on Finance, Ways and Means shall have eleven (11) members. No other standing committee shall have more than nine (9) members, exclusive of the Speaker who shall be an ex-officio member of all standing legislative committees but who shall not have the right to vote except in case of a tie. However, the Speaker, when in attendance, shall not count as a member for the purpose of determining the number present.

Each member of the Senate, other than the Speaker, shall be appointed to serve on no less than two (2) nor more than three (3) of the standing committees.

76. SELECT COMMITTEES.

(1) There shall be a Committee on Calendar to be composed of a Chairman to be appointed by the Speaker from its members and the majority and minority floor leaders. The Committee on Calendar shall set the calendar and receive reports from the Secretary of State.

The Committee on Calendar shall only act as a scheduling committee and shall not engage in the determination of the merits of a bill, resolution or report and shall schedule every bill, resolution or report for Senate action during that session.

Ceremonies and Special Presentations during the regular order of business shall first be scheduled by the Committee on Calendar and shall be completed within the time allotted by the Committee on Calendar.

(2) There shall be a Committee on Rules composed of five (5) members to be appointed by the Speaker. The Speaker shall appoint the chairman from those five (5) members.

(1) A conference committee shall have the authority to recommend changes to a bill in addition to matters in dispute on the bill between the Senate and House of Representatives unless otherwise directed.

Rules of Order – 112th General Assembly

(2) A conference committee is not a joint committee but a joint meeting of the conference committee of the Senate and the conference committee of the House of Representatives.

(3) The Speaker shall appoint members to conference committees in the same manner as other committee appointments are made in accordance with the provisions of Rule 73.

(4) Conference committees shall give notice of the time and place of meetings to the Clerk of the Senate.

(5) Only proposals which are presented to the conference committee but which are not adopted as the majority report may be presented as a minority conference committee report in accordance with the provisions of Rule 64.

(6) If the conference committees of the Senate and House of Representatives on a bill are unable to agree, that fact shall be reported to the Senate.

(7) If the Senate receives a report that a conference committee is unable to agree or if either the Senate or the House of Representatives refuses to adopt the report of the committee, then the Speaker shall discharge the committee and appoint a new conference committee. Such committee shall be appointed in accordance with the provisions of Rule 73 and the Speaker may appoint members of the previous committee to serve on the new committee.

COMMITTEE RULES
of the
SENATE
for the
One Hundred Twelfth General Assembly
STATE OF TENNESSEE

83. STANDING COMMITTEE RULES.

(1) **NOTICE OF COMMITTEE MEETINGS.** Standing committees shall meet at the times and places specified in an official committee schedule adopted by the Senate. A standing committee may hold a special committee meeting at a time and place other than that specified in the official schedule of committee meetings only with the express specific approval of the Speaker, and only if the chairman of the committee publicly announces the special meeting in open session of the Senate in advance of the meeting. If a regularly scheduled meeting is cancelled, the chairman shall announce such cancellation in open session of the Senate prior to the time fixed for the meeting. Meetings held when the Senate is in recess or adjournment for more than three (3) days shall be announced in open session or by not less than five (5) days written notice furnished to each member of the Senate by the Chairman or by a majority of the members of the committee. Unless otherwise authorized by the Senate, all regular committees shall meet in the rooms designated by the Speaker as "Senate Committee Room," or as specified in the notice aforementioned. The Sergeant at Arms of the Senate is required to write all calls for a committee meeting on the Senate blackboard and/or bulletin board immediately after the announcements are made in the open Senate. No standing committee of the Senate shall meet while another standing committee of the Senate is meeting or while the Senate is in session.

(2) **OPEN MEETINGS.** Committee meetings shall be open to the public and the meetings shall be broadcast by electronic means, except that when a committee is considering a matter involving the security of the state or nation or is investigating a proposed impeachment, upon vote by three-fourths (3/4) of the members present, and voting, a meeting may be declared closed to the public.

(3) **SUBCOMMITTEES.** Any standing committee may, by majority vote of its total membership, create such continuing or ad hoc subcommittees as it considers necessary and appropriate to deal with designated subjects within the scope of the subject jurisdiction of the committee. The committee chairman shall appoint members to any subcommittee so authorized and shall name the chairman thereof. The appointments shall be included in the written report of the committee and recorded in the Journal.

A subcommittee of a standing committee shall have authority to consider only such bills, resolutions, or subjects as may be assigned to it by the standing committee which created it. Legislation assigned to a subcommittee must be considered and returned to the standing committee with a recommendation in a reasonable time. No subcommittee may meet while the standing committee of which it is a part or the Senate is in session without the consent of the standing committee.

(4) **JOINT COMMITTEES—OFFICERS.** In the absence of any express designation or appointment of the officers of a joint committee or joint subcommittee, the members thereof shall elect a chairman and such other officers as are considered necessary by the committee.

(5) **COMMITTEE LEGISLATION.** A standing committee may initiate legislation as a committee, in addition to acting upon legislation referred to it. Such legislation initiated by the committee shall be introduced by the chairman or his designee and such other members of the committee as may wish to join therein.

(6) **QUORUM.** A quorum shall consist of a majority of the members of a given standing committee.

(7) **ATTENDANCE.** All committee notes shall reflect attendance and members shall forfeit per diem allowance for their absences. The chairmen of all standing committees are charged with the duty and responsibility of providing and certifying to the Director of Legislative Administration the attendance roll call of the standing committees.

If any appointed member of a standing committee is absent from three consecutive regularly scheduled meetings of the committee without being excused by the chairman, the chairman shall report such absences to the Speaker of the Senate.

Any Senator who is not a member of a committee meeting on Tuesday who is in his Senate office should be paid for that day, provided further that in the event a Senator is absent from a committee meeting or a Senate session upon legitimate business with the consent of the Speaker shall be paid.

(8) **REGULAR COMMITTEE CALENDAR.** The chairman, in consultation with the 1st vice-chairman and 2nd vice-chairman of the standing committees, shall set the calendars for hearings before all standing committees taking into consideration the necessity and importance of the legislation before the Committee. The standing committee shall publish the committee calendar (bills to be heard) at each regular meeting of a standing committee at least six (6) days before said committee meeting, and the sponsor shall be notified.

The foregoing provision shall not apply to a bill or resolution referred by a standing committee to the Committee on Finance, Ways and Means under Rule 31; however, after favorable consideration of a bill by the Committee and the Committee deciding that Rule 31 should apply, the sponsor shall be notified of the referral of the bill to the Committee on Finance, Ways and Means, and the Committee on Finance, Ways and Means shall consider the bill at its next hearing, provided that proper notice has been given. Prior to any scheduled standing committee meeting, the sponsor of any bill or resolution scheduled for a hearing before said standing committee may request the chairman of the standing committee to set another hearing date and the bill or resolution shall be scheduled for hearing; however, the sponsor of any bill or resolution shall only have the right to make such a request one (1) time on any particular bill or resolution and said bill or resolution shall only be rescheduled for hearing one time. Should the sponsor of a bill or resolution fail to appear before the standing committee when the bill or resolution is scheduled for a hearing, then the bill or resolution shall be returned to the desk of the Clerk of the Senate for the purpose of being withdrawn from the Senate. Should the sponsor have a good and sufficient reason for not appearing before the standing committee at the appointed hearing date, he or she may request the chairman of the standing committee to set another hearing date, and, if in the opinion of the chairman, the excuse of the sponsor of the legislation is considered worthy or justified, the bill or resolution shall be rescheduled for hearing. After a bill or resolution has been

sent back to the Clerk's desk for withdrawal, the sponsor of the legislation may appeal to the Speaker to re-refer the proposed legislation, and the Speaker shall have the discretion as to what action should be taken.

The chairman, 1st vice-chairman and 2nd vice-chairman of the standing committee shall only have hearings on a reasonable number of bills or resolutions at each committee meeting; however, all bills before a standing committee shall be acted upon.

No bill shall be scheduled for consideration by a standing committee until after T.C.A 3-9-103 is complied with.

(9) **COMMITTEE CONSENT CALENDAR.** All bills or resolutions not considered controversial in nature shall be placed on the Committee Consent Calendar by the chairman, 1st vice-chairman and 2nd vice-chairman of the committee, provided the sponsor does not object. Any member of the standing committee may object to a bill or resolution placed on the Committee Consent Calendar, and if objection is raised, the bill or resolution shall be removed from the Committee Consent Calendar and placed at the heel of the said standing committee's regular calendar for the next meeting, unless the sponsor is present and requests action on the bill or resolution on that day.

The Committee Consent Calendar shall be posted in designated places, transmitted electronically to the members and posted on the General Assembly Web site so that each member of the Senate may know the status of their legislation before the particular standing committee.

(10) **VOTING IN COMMITTEE.** The Secretary of each special or standing committee shall record the 'Aye' and 'Nay' votes by name cast on each question; however, no recommendation shall be made unless a majority of the total membership of the committee is present, said majority being a quorum.

The chairman of a standing committee shall record his vote in the same manner and time as any other member of the committee.

No proxy votes shall be permitted in a standing committee for any purpose.

(11) **COMMITTEE ACTION.** Bills or resolutions may be reported out of committee for passage as written, for passage as amended, for passage as written with a recommendation for referral to another standing committee, or for passage as amended with a recommendation for referral to another standing committee.

Every such bill or resolution shall contain on the cover a notation in ink, signed by the chairman, 1st vice-chairman or 2nd vice-chairman recommending the bill for passage as written, or recommending it for passage with any amendment or amendments recommended by the committee.

(a) No bill or resolution shall be reported from a standing committee unless it shall have received the recommendation for passage by a majority of the membership of the committee to which it is entitled, exclusive of any ex-officio members. Any committee having nine (9) members shall require five (5) affirmative votes to report out any bill or resolution; all other committees shall require a majority vote of the membership to which the committee is entitled. The Speaker shall have the right to cast a vote to break a tie in any committee created by the Senate. He shall be entitled to exercise this right regardless of any present nonvoting member when the vote of the Speaker will have the effect of defeating or passing the proposition, i.e., a majority of the membership of the committee to which it is entitled.

(b) If the majority of the committee to which it is entitled votes no on a bill or resolution, the bill or resolution shall not again be reconsidered by that committee in the same annual session.

(c) Any bill or resolution failing, but not receiving negative votes by a majority of the membership of the committee to which it is entitled, exclusive of any ex-officio members, may be reconsidered after all other bills and resolutions in the committee have been considered, upon written request by a majority of the committee.

(d) However, no bill or resolution shall be considered and placed for vote and a roll call effected on a motion to recommend same for passage more than two (2) times in any standing committee.

(12) **COMMITTEE AMENDMENTS.** When a standing committee recommends a bill for passage only with the adoption of an amendment or amendments approved by a majority vote of the standing committee, the committee shall cause such committee amendment or amendments to be drawn and printed in advance of the consideration of the bill on the floor and placed upon the desk of each member of the Senate prior to such consideration. After the bill has been explained and its passage moved by the sponsor, the chairman of the standing committee making such recommendation, or his designee, shall then be recognized for the explanation of and debate on such amendment or amendments. It shall be the responsibility of the Chief Clerk of the Senate, when a report of a standing committee is made, to see that the above is followed.

(13) **MOTION TO RECONSIDER.** A motion to reconsider any committee action and to have the motion entered on the Journal (or records of the committee) shall not operate to give the mover possession or control of any measure for any ensuing period of time. It shall be treated as a simple motion to reconsider, and its effect shall be the same.

(14) **REJECTION OF A BILL.** A motion effecting a rejection of a bill or resolution shall not be in order in a standing committee. Such prohibited motions include motions to reject, to postpone indefinitely, to defer indefinitely, to strike the enacting clause or to strike the resolving clause.

(15) **COMMITTEE REPORT.** A written report of the action taken in reporting bills or resolutions out of committee shall be prepared under the direction of the committee chairman and submitted promptly together with the bills and resolutions and committee amendments, if any, to the Chief Clerk of the Senate.

(16) **COMMITTEE NOTES.** Notes reflecting committee action shall be recorded as deemed appropriate by the chairman.

(17) **DELIVERY OF BILLS.** The bill clerk shall be responsible for the safe delivery of bills from the Chief Clerk's bill safe to any meeting of the committee and for their return following the meeting.

(18) **RULES OF ORDER.** Except as stated in the foregoing rules, the rules of order of the Senate shall apply wherever appropriate. Other special rules shall not be adopted by committees, without first being approved by the Senate.

84. **COMMITTEE AREAS OF RESPONSIBILITY.** All proposed legislation and resolutions, except memorializing resolutions, shall, under this rule, be referred by the Speaker according to topic matter to the appropriate standing committee listed herein. However, at the time of referral any member may object to the referral and may move

that the proposed legislation or resolution be referred to any committee and may so move without a motion to suspend the rules of the Senate.

(1) Proposed Constitutional Amendments:

If the Speaker determines that legislation relates to the amendment of the Constitution of the State of Tennessee as an incidental part of such legislation, and the principal topic matter of such legislation, as described by this Rule, should be considered by another standing committee, then such legislation shall first be referred to the Committee on Judiciary for its evaluation and recommendation to the appropriate standing committee. 85. A CODE OF ETHICS FOR THE TENNESSEE STATE SENATE.

Article I Statement of Purpose

It is the purpose of this Code of Ethics to set reasonable and practicable guidelines and standards governing the conduct of Senators in order to maintain and enhance the integrity and reputation of the Senate and to promote and protect the public interest.

Article II Conflicts of Interest

SECTION 1. A Senator has a personal interest that conflicts with the proper discharge of the Senator's duties if:

(a) The Senator has reason to believe or expect that he or she will derive a direct monetary gain or any other advantage or suffer a direct monetary loss by reason of his or her official activity;

(b) The Senator is employed by a business entity that employs a lobbyist who seeks to influence legislative action regarding a matter before the Senate or any committee thereof; or

(c) The immediate family, as defined in T.C.A. Section 3-6-301(12), of the Senator is a lobbyist employed to influence legislative action regarding a matter before the Senate or any committee thereof.

SECTION 2.

(a) No Senator shall vote on or influence any legislation before a committee or on the floor of either House, if the Senator has a personal interest that conflicts with the proper discharge of his or her duties (as defined by Section 1 above), unless the Senator declares, either orally or in writing filed with the Chief Clerk, "It may be considered that I have a degree of personal interest in the subject matter of this legislation, but I declare that my argument and my ultimate vote answer only to my conscience and my obligation to my constituents and the citizens of the State of Tennessee."

(b) No Senator shall violate the provisions of T.C.A. Sections 2-10-123, 3-6-304, 3-6-305, or 39-16-102, nor shall any Senator otherwise misuse the Senator's office for personal financial gain.

(c) No Senator shall solicit or accept or agree to accept any gift under circumstances wherein it could be reasonably inferred that such gift would influence the Senator in the discharge of the Senator's duties or that the gift was a reward for prior performance of such duties; provided, however, in and of itself, that mere receipt of a gift authorized by T.C.A. Sections 3-6-304 or 3-6-305, does not ordinarily give rise to any such inference.

(d) No Senator shall, by him or herself or through others, use or attempt to use improper means to influence a department, agency, board or commission of state government.

(e) No Senator shall receive compensation for an appearance before a department, agency, board or commission of state government as an expert witness.

(f) A Senator may use his or her official title or stationery in connection with a matter or proceeding before a department, agency, board, or commission of state government, but only if done without compensation and in connection with the Senator's official duties as a legislator.

(g) No Senator shall accept employment, or engage in any business, or be involved in any activity which the Senator might reasonably expect would require the Senator to disclose confidential information gained by virtue of holding the office of Senator.

(h) No Senator shall enter into any contract with any department, agency, board or commission of state government, exclusive of any county, city, metropolitan government, or other political subdivision of the state, involving services or property. However, a Senator who has entered into such a contract prior to election as a Senator may fulfill a then existing obligation under said contract.

(i) No Senator shall use the Senator's office either to grant or to obtain special privilege, exemption, or preferential treatment to or for him or herself.

(j) No Senator shall use confidential information obtained through the Senator's office or position for the benefit of himself or herself, nor shall any Senator disclose such information except in good faith and to perform a legislative duty.

Rules of Order – 112th General Assembly

(k) No Senator shall knowingly organize or participate in any meeting held in violation of the provisions of T.C.A. Section 3-1-118. "Meeting" as used in this subsection (k) shall also include any meeting held by the senate republican caucus or the senate democratic caucus.

(l) No Senator shall, without good cause, violate applicable attendance requirements set forth in T.C.A. Section 3-6-113.

(m) No Senator shall:

(1) Initiate or file a complaint or provide information, to the Committee or the Ethics Commission, which results in an investigation, knowing that material statements in the complaint or the information are false;

(2) Initiate or file a complaint, with the Committee or the Ethics Commission, in reckless disregard of the truth or falsity of the statements contained in the complaint; or

(3) Initiate or file one or more unsubstantiated complaints, with the Committee or the Ethics Commission, which constitute abuse of process.

(n) It is unethical for any Senator:

(1) To breach a trust of the office of State Senator, whether specifically set out in this code as a breach of trust in office or not, or of a Senate employee; or

(2) To fail to report to the Ethics Committee any violation of subpart (1) of this subsection, unless so reporting would constitute an obstruction of justice under the laws of Tennessee; or

(3) By loyalty pledge, unit rule, or other formal agreement, to restrict himself or herself, or any other member of the Senate, from voting on any matters before the Senate or any of its committees except in accordance with the member's personal convictions and with the member's Oath of Office.

(o) Upon indictment, an indicted Senator, who serves as chairman, 1st vice-chairman or 2nd vice-chairman of a committee or subcommittee or of a caucus, or who holds any other position of appointive or elective leadership, may request a hearing by the Committee on Ethics to determine whether such Senator should be suspended from his or her position as long as the indictment is being actively pursued, as determined by the Committee on Ethics. If such Senator fails to make such request by the end of the tenth calendar day after the indictment, then the suspension will take effect and will continue as long as the indictment is being actively pursued, as determined by the Committee on Ethics.

The Committee shall in making its determination consider:

(1) The nature of the offense.

(2) Whether the offense involves the duties of the office of Senator or moral turpitude.

(3) Any other action deemed relevant by the Committee.

Any Senator dissatisfied with the action of the Committee may appeal to the full Senate.

SECTION 3.

(a) Each Senator, the Senator's spouse and the Senator's children shall timely file with the Tennessee Ethics Commission all applicable disclosure statements and amendments required by the provisions of T.C.A. Sections 2-10-127, 2-10-128, 2-10-129, and Title 8, Chapter 50, Part 5.

(b) On or before April 15 of each year, each Senator shall file with the Chief Clerk of the Senate a supplemental disclosure statement containing the following information:

(1) Every office or directorship held by the reporting Senator or the Senator's spouse in any corporation, firm or enterprise.

(2) A listing of all persons, firms, associations, corporations, or organizations for whom the reporting Senator or the Senator's spouse have prepared, promoted, or opposed legislation or proposed legislation for current or deferred remuneration.

(3) A listing of the departments, agencies, boards, or commissions of state government before which the reporting Senator or the Senator's spouse [or any partnership or association disclosed by the Senator pursuant to T.C.A. Section 8-50-502(2)], practiced during the preceding calendar year and received fees in excess of one thousand five hundred dollars (\$1,500) for such practice.

(4) A listing of the departments, agencies, boards, or commissions of state government with which the reporting Senator or the Senator's spouse [or any corporation, firm or enterprise disclosed by the Senator pursuant to T.C.A. Section 8-50-502(2)], transacted business during the preceding calendar year and received fees in excess of one thousand five hundred dollars (\$1,500) for such practice.

(5) Such additional information as the reporting Senator might desire.

Statements filed with the Clerk pursuant to this subsection shall constitute public records and shall be maintained in the Clerk's office for as long as the Senators to whom they apply remain as members of the Senate. The provisions of this subsection do not apply if the information required by this subsection is timely submitted to the Tennessee Ethics Commission on, or as an attachment to, the consolidated disclosure form required by T.C.A. Section 2-10-128(c).

Senators shall be careful and diligent in complying with the requirements of the general law of the state regulating campaign financial disclosures.

Article IV
Senate Committee on Ethics

SECTION 1.

(a) The Senate Committee on Ethics shall be composed of five (5) appointed by the Speaker. The Committee shall have authority to render, upon request of any Senator, advisory opinions as to whether the facts and circumstances of the particular case constitute or will constitute a violation or probable violation of the Code of Ethics for the Senate or of any statute governing senatorial ethics or conduct. The identity of persons involved will be kept in confidence.

(b)(1) The Committee is authorized to receive and consider complaints alleging violations of the Code of Ethics or statutes governing senatorial ethics or conduct.

(2) The Committee may initiate an investigation upon a complaint being filed by one or more of the Committee's membership.

(3) Within thirty (30) days of receiving or initiating a complaint, by majority vote the Committee may refer the complaint to the Tennessee Ethics Commission, for investigation in accordance with T.C.A. Sections 3-6-201 through 3-6-203. The findings of the Ethics Commission should be written and should be expeditiously delivered to the Committee.

(c) The Committee shall be clothed with all powers granted to investigating committees generally by T.C.A. Title 3, Chapter 3.

SECTION 2. When receiving and considering any complaint that is not referred to the Tennessee Ethics Commission pursuant to Section 1(b), the Committee shall observe the same procedures and requirements as set forth in T.C.A. Sections 3-6-201 through 3-6-203, for complaints received and considered by the Ethics Commission.

SECTION 3. The Committee shall dismiss the complaint if it finds that no violation has occurred or, if it determines that a violation has been committed, shall make its findings and recommend to the Senate appropriate disciplinary action as allowed under the Constitution and law against the Senator found to have committed the violation. If it finds that the circumstances warrant, the Committee shall turn its evidence and findings over to the appropriate district attorney general for such civil or criminal action as he or she may determine is warranted.

SECTION 4. A decision of the Committee pertaining to the conduct of any Senator shall be in writing and signed by a majority of members of the Committee. No member of the Committee shall participate in any matter in which he or she is involved.
