The location 'BLOOD BANK - WEST' has been successfully added.

Important Tips

- Facility locations are shared across components. Contact the Primary Contacts at your facility before deleting or changing locations in NHSN.
- Most locations can be used in all components. However, there are a few locations that can only be used in specific components, modules, or facility types. These exceptions are noted in the Master CDC Locations Descriptions document:
https://www.cdc.gov/nhsn/PDFs/pscManual/15LocationsDescriptions_current.pdf
