NEW YORK NEW YORK

# DEAR FRIENDS & VISITORS,

Chelsea Market and our home continues to evolve and although we love sharing new specialty foods and lifestyle products with new folks in our store we also like our regulars both in person and online. In this age of convenience and online shopping, we continue to focus on having a rapport in our store and on the phone. Customer service for us means more than a few clicks, although yes we work at that too. Our store is a supportive venue for new companies and new products, which is fulfilling for our vendors, our staff and hopefully especially, for you.

Sincerely,

David Porat,  
Founder and Owner

P.S. Our catalog is a simpler format this year, but our complete selection with lots more gifts and up-to-date information is available online.

# CMB NJ

WHAT CHAU LOOKIN AT?!

The New York Times' recent announcement that the best pizza in New York was in Jersey City validated our decision to create a gift highlighting the best specialty foods from New Jersey!

We are a small company filled with big talent. Nicole Seiler, a New Jersey native, and Amy Ashford, our graphic designer who makes our design both pretty and easy, created these whimsical NJ-themed boxes. Inspired by our work with our wholesale customer, the Jersey Italian Gravy Co., we designed this gift to celebrate our "bridge and tunnel" neighbors.

## THE GARDEN STATE, NEW JERSEY

We have taken a drive on the NJ Parkway to bring to you the best the Garden State has to offer. From Love Potion Hot Sauce from the shores of Long Beach Island, to the contemporary chocolatiers Elements Truffles and Vintage Plantations Chocolate based in the creative enclaves of Jersey City, this gift is a spicy and sweet tour. #521SP \$139

Sarabeth Levine began selling her preserves and baked goods in the early 1980's. Since then **Sarabeth's** has become an international brand.

Created by three women, Rachel, Monica and Lisa, **Seed + Mill** takes pride in being the first store in the USA dedicated to the sesame seed.

A Manhattan institution since 1923, **Li-Lac Chocolates** has been lovingly guided through the years by three different families, each committed to crafting fine chocolates by hand.
