### 1. General.

(a) The Claris FileMaker Go ("FileMaker Go") software, content, documentation and any fonts included in the Software (collectively the "Software") are licensed, not sold, to you by Claris International Inc. and/Claris International (collectively referred to as "Claris") for use only under the terms of this License. Claris and/or its licensors retain ownership of the Software itself and reserve all rights not expressly granted to you.

(b) Claris, at its discretion, may make available future upgrades or updates to the Software for your compatible Apple-branded iOS devices. Upgrades and updates, if any, may not necessarily include all existing software features or new features that Claris releases for newer models of Apple-branded iOS devices and may, at the discretion of Claris, be provided with or without charge. The terms of this License will govern any software upgrades or updates provided by Claris that replace and/or supplement the original Software product, unless such upgrade or update is accompanied by a separate license in which case the terms of that license will govern.

### 2. Permitted License Uses and Restrictions.

(a) Subject to the terms and conditions of this License and as permitted in the "Usage Rules" set forth in the App Store Terms and Conditions, you are granted a limited non-transferable license to install and use the Software on any Apple-branded iOS device that you own or control. You may not distribute or make the Software available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Software. You may use this Software to access data stored on Claris FileMaker Server or Claris FileMaker Cloud if you have purchased access rights under one of the Claris volume license programs or subscription agreements (e.g. Annual Site License Agreement, Annual Volume License Agreement, Claris FileMaker Cloud Terms of Service, etc.). The terms of the applicable Claris volume license agreement will govern your access rights.

(b) You may not and you agree not to, or to enable others to, copy (except as expressly permitted by this License and the "Usage Rules"), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Software or any services provided by the Software, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Software). Any attempt to do so is a violation of the rights of Claris and its licensors of the Software.

(c) The Software may be used to reproduce materials so long as such use is limited to reproduction of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce. Title and intellectual property rights in and to any content displayed by or accessed through the Software belongs to the respective content owner. Such content may be protected by copyright or

other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. This License does not grant you any rights to use such content. For example, any stock photographs, images, graphics, clipart, artwork or similar assets ("Digital Imagery") that are provided by Claris and/or its licensors as part of the Software or Services (including but not limited to any Digital Imagery contained within templates, themes or user guides and tutorials) may not be extracted and distributed, commercially or otherwise, on a standalone basis outside of the Software.
