

Introducing Clio's Academic Access Program

Set your students up for successful legal careers with Clio's Academic Access Program. This program help participants get hands-on experience in different areas of case management—and offers law and paralegal students, instructors, and legal clinics **free access** to Clio's industry-leading legal practice management and client intake software.

THE CLIO EXPERIENCE: EVERYTHING STUDENTS NEED TO JUMPSTART THEIR LEGAL CAREERS

The Clio Academic Access Program (CAAP), used by 300+ schools and clinics across North America and Europe, helps students develop the practice management skills they need to be successful in their careers. The program provides valuable learning tools for students and instructors, including on-demand training and learning resources, step-by-step guides, fictitious case study assignments, and **fully functional Clio accounts at no cost**.

To learn more about Clio's Academic Access Program, email us at caap@clio.com.

Clio bridges the gap between studying law and practicing law. We use Clio to train students to be the best lawyers of tomorrow and serve pro bono clients who cannot afford legal assistance remotely. Thank you Clio, for everything you do to make the legal industry better.

Nick Slonosky, Supervising Lawyer, L. Kerry Vickar Business Law Clinic - University of Manitoba

Clio is a favorite among the paralegal students because they find the software user-friendly, and enjoy applying their knowledge and skills to case scenarios. Without a doubt, Clio is one of the best case management systems to train paralegal students as they prepare to enter the legal profession.

Lori Young, MPS, College of the Canyons, Paralegal Studies - ABA Approved
