## Learning Management System (LMS)

### Counselling Process

**Mode of Counselling :-** Both Offline and Online

**Brief describe the provision in LMS to be used by HEI :-**

Chandigarh University is using online management system (Blackboard), which is a seamless, user friendly platform. Blackboard is offering blackboard learn portfolio to ensure that they can benefit from having the full blackboard learn platform. Course delivery, community engagement, content management and mobile learning modules for an unprecedented cost saving. Considerable thought and customer success in mind, we have constructed adoption services to ensure you successfully get started with the expanded blackboard learning core solution. Some of the advantages of introducing LMS into the university environment are 1. Blended Learning, 2. Engaged Learning, 3. Flexibility to learners, 4. Leveraging Technology, 5. Geographically independent learning, 6. Increase social Learning. The following salient features of Blackboard which students and faculty use - Blackboard collaborate; Live Classroom; Web conferencing, eContent delivery, state of art content integration, interactive tools (discussions, wikis, journals, blogs); social learning announcements; targeted information delivery; global learning network; mobile Ap; push notification on mobile; mobile test research integration, grades self assessment and checking risk patterns. Collaboration - provide collaboration among students, educators and staff (eg. advising, orientation programmes, extra curricular activities, committees, peers etc.).

**Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :-** <https://cuchd.blackboard.com/>

Assessment mechanism	Yes

## Learning Platform

**Learning Platform :-** Non- SWAYAM

**Provide details for sample module/unit :-** Blackboard

**URL :-** <https://cuchd.blackboard.com/>

**Student details Login ID :-** 20BBA3095

**Student details Password :-** 12345

**Teacher Login Details- Login ID :-** E5516

**Teacher Login Details- Password :-** 12345

**Briefly write on ICT facilities available/ to be ready dedicated for the implementation of Online Courses :-**

Learning management system Blackboard has the following benefits: Course delivery, community engagement, content management and mobile learning modules for an unprecedented cost saving. Communication via VoIP, audio, teleconference, multi-point video and text chat. Mobile access for participants, white board with annotations, rich content use including office applications, multi-media like video clips. Ability to show web pages, application and desktop sharing, tools for interactivity such as surveys, polling and emotional indicators controlled access, restricted to legitimate participants, recording and archiving, on-demand asynchronous viewing, video conference with multiple camera support and automatically follow the speaker, echo cancellation for more natural conversations, no headsets or costly speaker phone required, guided web tours, easily management of public / private chat in single window, easy management of participant permissions, multi-user object oriented white board, moderator awareness who is present, interacting or experiencing technical difficulties, easily configured richly featured, breakout rooms. In session quizzes for competency and certification, pre-built lesson plan with interactivity, content and media, ability to publish session recording in mp3/mp4 formats, accessible from desktop or any mobile device, cross platform and low bandwidth support, deep integration with blackboard learn, session timers to manage session flow, open API for custom integration with portals and applications, commute via text chat and audio, view whiteboard content annotations and shared applications, respond to Yes/No multiple choice questions, use emotions to indicate laughter, confusion or approval, display raise hand to indicate question or comment, view names, polling responses and emotions of other session members, place participants into breakout rooms for small group work or discussion. Set away status when sleeping away from session, see which participants are attending from a mobile device, join live sessions from any LMS such as blackboard learn running in browser or mobile device.
