Konkar, Kousadikar win titles in Vrukshathon

SPORTS REPORTER
@SportsReporter

Pune. Young Konkar and Kousadikar won and were crowned as the champions in the 100m and 200m races respectively in the Vrukshathon, a two-day event held in the premises of Vrukshathon Sports Complex, Pune. The event was organized by Vrukshathon Sports Complex, Pune. The 100m race was won by Konkar, while Kousadikar won the 200m race. The event was held on 9th June 2019. The Vrukshathon Sports Complex is a premier sports facility in Pune, India. It is a hub for various sports activities and events. The complex is well-equipped with modern facilities and is a popular destination for sports enthusiasts. The Vrukshathon event is one of the many activities organized by the Sports Physiotherapy Department to promote sports and fitness among students.

SPORTIPHY 2020 : Inter-College Sports Meet

The college has been arranging sports events for the students, with a firm belief in bringing about an overall development in the students. After all, what are physiotherapy students without physical activities? Aligning with the 'Fit India' campaign launched last year by our Honourable Prime Minister Shri. Narendraji Modi; and back home, the encouragement towards being physically active, as is provided by our very own Dr. Sharad Kunte, Chairman GB and Council DES, we decided to take a step ahead and announce an intercollegiate sports fest this year. After a lot of speculation and discussion with our Principal, the sports committee started taking steps towards formalizing the event. It took many meetings at various levels to be finalised and then came the task of giving this fest a name. Though opinions were sought, Apoorva and I came up with "SPORTIPHY" that aptly suggested what and for whom the event was. And since it was inspired by the music app "SPOTIFY" that features in almost all smart phones, we thought of using the tagline.. 'Your sports playlist'. This was unanimously agreed upon.

Thus began a series of discussions to finalize events, ground rules, referees and running about for sponsorships. This was an event that invited participation from other Health Science Colleges in Pune and in order to ensure a fair game, we had decided to involve professional referees and umpires. The events were planned from 27th January to 4th February 2020 with a closing ceremony scheduled on the 7th February.

Being blessed by a good infrastructure for sports, most of the events like Basket ball, Cricket, Table Tennis, Athletics and Hill Relay were held on the DES campus. Competitions in Swimming were conducted at Tilak Tank while Badminton tournaments took place at the PDMBA courts. Swimming and Hill Relay were the highlights of the competitions due to their novelty!

The event garnered a good response and active participation from the following college

- 1) PES Modern college of Physiotherapy, Pune
- 2) Sancheti college of Physiotherapy, Pune
- 3) MAEER's college of Physiotherapy, Pune
- 4) Tilak Maharashtra Vidyapeeth's college of Physiotherapy, Pune

- 5) Shrimati Kashibai Navale college of Physiotherapy, Pune
- 6) Late Shri Fakirbhai Pansare college of Physiotherapy, Pune
- 7) St. Andrew's college of Physiotherapy, Pune
- 8) Armed Forces Medical College, Pune
- 9) DES's Subhadra K. Jindal College of Nursing, Pune.

The following were gracious enough to sponsor the event:

- Dr. Sunil Patil: UFO movies
- Mr. Sudhanshu Medsikar: Sudhanshu Badminton Academy
- Mr. Milind Shah: Muktak Marketing
- Mr. Vidur Thakar: Pro Sports and Bikes
- Mr. Suresh Kale: Jagdamba Enterprises
- Dr. Sana Khan (PT): Physiomatic Centre, Pune
- Mr. Santosh Orase: Baba Snacks Centre
- Mr. Atul Kavitate: Environ Bikes
- Mr. Pradeep Parikh: Heatex Electricals
- Mr. Sudhir Savala: Alka Dressers

After a grand opening on the 27th January, the bearers gave way to an event full of fervent enthusiasm. Each day was a show of participation in the true spirit of sportspersons. The colleges pitched against each other and the students cheered. Some emerged winners, some lost. What is remembered is the bonds they developed with each other; the techniques and sportsman spirit learned from each other.
