Breast Feeding Awareness Week 2023

Name of Activity: Breast-feeding Week 2023

Name of Coordinator: Abha Dhupkar

Department: Community PT

Date: 01.08.2023 to 07.08.2023

Place: Gynaecology OPD, IPD of Seth Tarachand Charitable Trust Hospital, Pune, Seva Sutika Mandir, Pune.

Online / Offline: Offline event

Time: 11 am onwards

Targeted Population: Antenatal, Postnatal women and their relatives.

Outline of Activity: The post graduate students prepared charts detailing the benefits of breastfeeding, duration of exclusive breastfeeding, and the ergonomic positions in which to feed the babies. These charts were shown to the ladies attending the antenatal care centres at STRCH and Seva Sutika Mandir. Along with that, the students also gave an explanation of the whole process.

The same protocol was followed in the wards, and the mothers' information was reinforced with the help of the pictorial depiction of the advice provided as routine PT care.

Objective: To disseminate information regarding breastfeeding to women and their family members.

Participants / attendees: women reporting to the OPD and IPD of Seth Tarachand Ramnath Ayurvedic Hospital and Seva Sutika Mandir.

Outcome:

For students: The students received a hands-on experience of preparing material and disseminating information in a community-based rehabilitation model.

For Beneficiaries: The expectant and new mothers, and their relatives received information on the need and methods of breastfeeding. They also understood the importance of breastfeeding.

Training Report

Module for: Community Helper training module.

Date of Training: 21.09.2022.

Site of Training: D.E.Society's Brijlal Jindal College of Physiotherapy, Pune.

Participants in the camp: Abha Dhupkar, Riya Jain, Komal Valesha, Kartiki Bhilare, Lynn Fernandes, Nikita Kolhe, Alfaiz Tamboli.

Beneficiaries of the camp: Aarti Shinde, Shobha Bhor, Namrata Adhikari, Vaishali Adsul, Mukta Temghare.

Number of beneficiaries: 5

Materials used in the camp: Yoga mats, chairs, plinths.

Training details: The college and Seva Arogya Foundation are collaborating on providing physiotherapy care to the low socio-economic strata women, who are unaware and unable to access this component of healthcare.

The Arogya maitrins were identified by the prakalp samanvayak, Aarti Shinde. A schedule was set up for them to receive training regarding the exercises to be performed at the college. accordingly, they reported to college at 2 pm and the training session started after introductions of all present. The project was explained in brief and the outline of the session was provided. Exercises were demonstrated twice to the ladies, once on a college student and once on a volunteer from amongst the 5 of the trainees.

After demonstrating the exercises, the ladies were asked their region of preference. Based on this, the students and trainees divided into groups and the students ensured that the ladies were able to perform the exercises appropriately. The ladies' ability to command or give instructions of the exercise was also checked and appropriate corrective commands were provided to them.

The whole training session was for 2 hours. The trainees were enthusiastic and eager to start working with the already identified participants at the various SAF OPDs.

5	5	5	5, 4	5	5	Amaazinggggg workshop. Learnt a lot. Absolutely no. Suggestions just that there was a lot of mental fatigue every now and then from my side which might resuly in less retention of knowledge. If it was in sessions of 3-4 hours it would have been literally the best. It still was the best. Thank you soo muchh sir. You're inspirational and so are your patients.
5	5	5	5	5	5	Not so really actually I feel little much confident to treat neuro patient now, thanks to you sir !
4	4	4	5	5	5	Would've appreciated the workshop being conducted over 3 days instead of 2 because theres a lot to learn and would be easier if it was in shorter bouts

Activity Report

Name of activity: Industrial Visit

Name of Coordinator: Abha Dhupkar

Date of camp: 22.12.2023

Site of camp: Western India Forgings Ltd., Sanaswadi

Objectives:

1. Performing an ergonomic survey.
2. Evaluation of workers of the factory.
3. Linking ergonomics, worker assessment to form a composite concept of industrial therapy.

Participants in the camp: MPT students: Akanksha Wadodkar, Siddhi Bhute, Ashwini Gajbhiye, Nishita Choudhari, Ketaki Jadhav, Pranjali Kulkarni

Beneficiaries of the camp: Workers of the factory

Number of beneficiaries: 34

Materials used in the camp: Google form, tape measure, stethoscope.

Camp details: Students arrived on site at 10 am. They proceeded for a floor visit and an ergonomic survey, after which they evaluated the factory workers. The workers were evaluated to identify their posture, range of motion, pain pattern as present, eye and ear issue. The responses provided by the workers were entered in the google form by the students.

Output:

1. The students observed and analysed the different tasks performed in a factory setting.
2. The workers' present health status was identified.
3. The students linked actual ergonomic worksite assessment and health evaluation of the workers to identify areas where they could have a role to play in industrial therapy.
4. The students' administrative skills and team building were targeted, where they had to coordinate with the point of contact at the factory, the faculty and amongst each other as well.

Online/offline: Offline

Outline of activity:

Objectives: In the state of Maharashtra, October 15th is celebrated as the “**Reading Inspiration day**”, the birthday of former President of India and renowned scientist Dr. A P J Abdul Kalam. The main objective of this day is to create interest in reading.

Outcome: On this occasion MPT student Lynn Fernandes gave a brief information about the podcast. She loved to read since childhood and how it made her love to write. Vaidehi Watve, a 2nd year student said that good quality reading is very important for quality writing and reading should be done with the mind and not with the eyes. This time there was a spontaneous response from the students.

Participants: Mpth and BPTH students
