Paying tribute to its 30th Anniversary

This special black finish Cat® 420F2 IT Backhoe Loader is a true collectors item. Built with the operator in mind, the F2 backhoe loader cab provides exceptional visibility and additional machine control at the operator's fingertips. Quick and easy attachment changing ensures the ability to match the correct tool to the job application. The hydraulic backhoe coupler allows for a tool change without exiting the cab.

BONUS: Two of six random special figurines included in each package.

The Core Classics Series is made up of dozens of the most popular diecast models ever made and pays homage to the vast legacy of Cat® machines in the field.

Packaging is reminiscent of the “plain brown” parts boxes with which machine owners and operators are so familiar. With somewhat lower price points, Core Classics models offer an excellent value while still providing Real Replica™ features.
