Doral Academy Red Rock

Student Parking Policy and Procedures

Driving is an adult privilege extended by the State of Nevada to individuals that are presumed to be mature and responsible beginning at age 16. One moment of inattention, carelessness, or horseplay can cause injury or death. Automobile crashes kill hundreds of young drivers and their passengers every year and most of these crashes are due to inexperience.

Since most of our students are classified as inexperienced, we feel it is necessary to have strict enforceable rules that apply to all drivers applying for the privilege of parking on campus. The safety of our students is a priority and immature irresponsible actions will not be tolerated. The campus parking lots are the property of Doral Academy Red Rock High School. All users are subject to the authority of the Doral Academy Red Rock High School and the individual school's principal or designee. The Las Vegas Metropolitan Police Department has law enforcement jurisdiction over the parking facilities.

Your daughter or son has applied for a parking permit and has been given a parking permit agreement that must be signed and returned. We feel that it is important that you are aware of the rules and consequences should they be violated. Please read and discuss the guidelines with your child before he or she signs the agreement. **Please sign this sheet and return it with the Student Parking Permit Application and Agreement.**

- The parking fee is \$75 for the 2024-25 school year. ****Seniors only**, If you want to paint your parking space it will be an additional \$75.
- All vehicles parked on school grounds will be required to **properly display their parking permits hanging from their rear view mirror**. Vehicles parked on school grounds without a valid parking permit are subject to being towed at the owner's expense.
- **Permits are non-transferable** and may not be used by anyone other than the registered student.
- Vehicles parked on the campus **are subject to search by any school employee or the Las Vegas Metropolitan Police Department at any time.**
- Students who park on campus without a parking permit will be **first** given a paper warning, **second** a window sticker warning on the driver side window, and **third** the car will be towed by **The Tow Truck Company** (702.622.6942)
