## About Rajasthani Sammelan Education Trust (RSET)

Rajasthani Sammellan Education Trust (RSET), a registered public charitable trust was established in the year 1948 at Malad, Mumbai. With an aim to promote various educational, charitable and social activities, the Trust has pioneered in providing educational opportunities to various sections of society. Past seven decades, the Trust has played a very vital role in promoting and providing quality education from primary to post graduation in the fields of Commerce, Management, Information Technology and Media Studies. Apart from its educational pursuits, Rajasthani Sammellan Education Trust also caters to the social and humanitarian needs of the society.

Rajasthani Sammellan Education Trust had started its educational activities only for the girl child. But in due course of time, it has opened its doors to boys as well. At present more than 16,000 students are receiving education in various educational institutions run by the Trust. Thousands of students beyond the boundaries of the campus are enrolled with Kunjbihari S. Goyal Online Academy (GOLD) for learning.

The Educational Institutions owned and run by Rajasthani Sammellan Education Trust are:

- Kudilal Govindram Seksaria Sarvodaya School
- Kudilal Govindram Seksaria English School
- Ramniwas Bajaj English High School
- Mainadevi Bajaj International School
- Mainadevi Bajaj International Play school
- Durgadevi Saraf Junior College
- Ghanshyamdas Saraf College of Arts & Commerce
- Kirandevi Saraf Institute of Complete Learning
- Durgadevi Saraf Institute of Management Studies
- Deviprasad Goenka Management College of Media Studies
- Ladhidevi Ramdhar Maheshwari Night College of Commerce
- Kunjbihari S. Goyal Online Academy
- Durgadevi Saraf Global Business School

Other organizations owned and managed by Rajasthani Sammellan includes:

- Draupadidevi Sanwarmal Women's Hostel

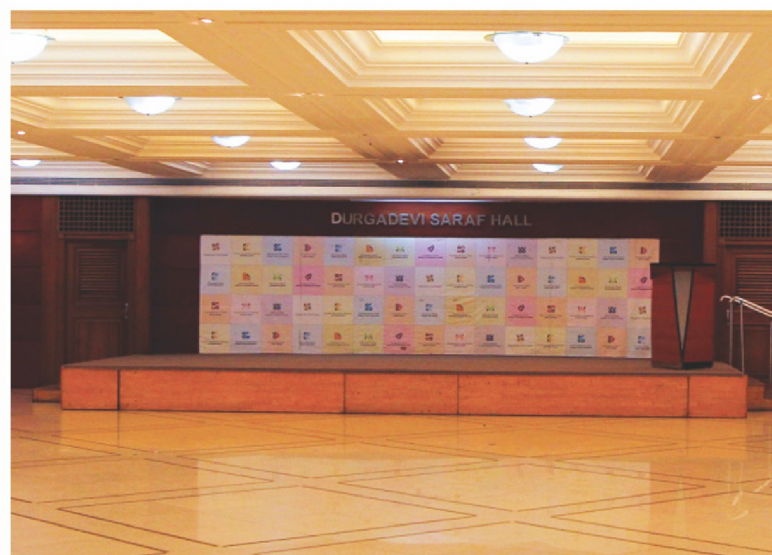

- Ramdhar Maheshwari Career Counseling Centre
- Pravinchandra D. Shah Sports Academy
- Jankidevi Bilasrai Bubna Boys' Hostel
- Nalini Shah Music Academy

Rajasthani Sammelan Education Trust is also providing many other facilities in its educational campus that include:

Dhurmaj Bajaj Bhavan (Community Hall), Durgadevi Saraf Hall, IT Hub, Food Court, Ramnarayan Saraf Educational Outlet, RS CA Study Centre, IRB Endowment Scholarship Fund, Vijay Pal Singh Health Centre, Kirandevi Saraf Library and Reading Room, BKT Endowment Freeship Fund, Janakidevi Bilasrai Bubna Endowment Freeship Fund and Lalchand Dalmia Golf Cart.

The Trust is providing financial assistance to needy persons for medical treatment through Trivenidevi Deora Chikitsa Sahayta Kosh. Scholarships are also provided to needy students to complete their education.

Rajasthani Sammelan Education Trust has completed a mega project of renovation and revamp of its premises by construction of a twelve storey building in its educational campus in which, presently Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School, Kudilal Govindram Seksaria Sarvodaya School and Kudilal Govindram Seksaria English School are housed with all state of art facilities. On the 11th and 12th floors of the building, Draupadidevi Sanwormal Women's Hostel is located with the best possible amenities. The Trust has also constructed a new building with all latest amenities for Ramniwas Bajaj English High School and Deviprasad Goenka Management College of Media Studies. The Trust has also started Jankidevi Bilasrai Bubna Boys' Hostel near RSET campus. Rajasthani Sammelan Education Trust has been granted Hindi Speaking Linguistic Minority Status by Government of Maharashtra.

# INFRASTRUCTURE & CAMPUS:

DSIMS has state of the art infrastructure to facilitate effective teaching & learning processes of its existing programs. All the modern wi-fi enabled classrooms, computer lab & library (named popularly as Knowledge Resource Centre) within a centrally air conditioned setup are the perfect adobe for creating future leaders. Apart from classrooms, we have our Seminar Halls, Auditorium & Durgadevi Saraf Hall with excellent acoustic, to organise Industry Immersive Sessions on a regular interval.

## KNOWLEDGE RESOURCE CENTRE

Knowledge Resource Centre (KRC) aims to be one of the best Business School libraries in Mumbai. Its ever growing collection includes of some of the best resources on contemporary management thought. It includes books, journals, magazines, newspapers in different disciplines of management and allied sciences. It has also subscribed to good number of bibliographic, statistical and full text databases in digital format in order to meet the changing information needs of faculty members and students.

KRC is centrally air conditioned, it is brightly lit with comfortable seating capacity of 100 users. It has Wi-Fi facility and all the e-resources are accessible in entire campus as well as remotely too with login passwords.

KRC is automated with Koha integrated library management software (ILMS) and users can access the catalog (OPAC) to search and reserve the books and other print resources of KRC. All the books are classified with the help of Dewey Decimal Classification (DDC) and are arranged in stack area subject-wise for easy access. It's an open access KRC and all the books are barcoded.

## CLASSROOMS

DSIMS campus offers world class infrastructure to faculty and students in pursuit of a world class education. It has state of the art facilities with professionally equipped latest learning technology tools to enhance students' learning experience. It houses differently styled Class Rooms. All the class rooms are well-equipped with multimedia based smart board, LCD and Wi-Fi facilities.

## COMPUTER LAB

Beniprasad Lahuruka Computer Lab Hi-tech computer lab with integrated campus wide network. Having set up of 100 plus computers.

# INFRASTRUCTURE & CAMPUS:

## PLAYGROUND

P.D. Shah is a multisport academy covering an area of approximately 24,000sq.feet. It has been built using artificial turf which has been imported from New Zealand. The facility is of an international standard which facilitates sports like basketball, volleyball, tennis, box cricket, football, skating etc. making it a new focal point of the Rajasthani Sammelan campus. The floodlights installed provide broadcast level illumination enabling a live broadcast.

The students use it during their school hours for physical exercise and sports. They also use it for school team building activities like football, basketball and cricket are carried out.

## WOMEN'S HOSTEL

Draupadidevi Sanwamal Women's hostel is for the convenience of the students who want to pursue their post-graduate programs but do not have a residential accommodation in Mumbai. Rajasthani Sammelan has built a women's hostel with ultra modern facility on Level 11 & 12 of RS education campus. The hostel has rooms with twin sharing AC and Non AC accommodation. All the rooms are well furnished with attached bathrooms. Common facilities include a recreational area and dining area. Hostel has dedicated warden along with medical facility and security 24X7. The hostel is wi-fi connected and so girls can utilize their time for assignments/ projects while in hostel too.

## BOYS' HOSTEL

Rajasthani Sammelan has launched Jankidevi Bilasrai Bubna Boys' Hostel to provide residential accommodation to boys pursuing higher education in the Institutions run by a trust and also to those who do not have residential facilities in Mumbai. The hostel is located near the RSET campus. The hostel can accommodate 152 boys.

Jankidevi Bilasrai Bubna Boys' Hostel is based on the need to provide good quality accommodation to students. The rooms are available on sharing basis and managed by a full time Rector. The hostel provides accommodation to male students pursuing higher studies.

# MAIN DONOR'S MESSAGE

## Shri Mahavirprasad G. Saraf

Founder and Managing Trustee,  
Kirandevi Saraf Trust

Welcome to Durgadevi Saraf Institute of Management Studies!

It gives me immense pleasure to watch the Institute growing leaps and bounds over the years adapting to change and arming itself with dynamism unique to itself. I am very happy to share that Durgadevi Saraf Institute of Management Studies (DSIMS) has been ranked the 3rd Best B-School amongst the privately managed B-Schools in Mumbai as per Times B-School ranking 2024 and nationally has been accredited by NAAC.

The essence of business today is to understand the rapidly changing global as well as domestic business environment. DSIMS imbibes this spirit in itself and also disseminates the same thinking to its students for preparing them to meet these challenges.

The institute offers Two years full-time Master in Management studies (MMS) program affiliated to University of Mumbai. The institute also plans to start many more autonomous short term courses relevant to today's business scenario.

The MMS program with specializations in Finance, Marketing, Operations and HR is designed to prepare students to be industry ready to face new challenges in corporates and their business activities. Though the

curriculum of the MMS Program is designed by University of Mumbai University, but in order to make the program contemporary and industry specific, DSIMS has indigenously introduced beyond classroom initiatives and student centric pedagogy which makes the MMS program more industry focussed.

Supported by state of the art infrastructure, the qualitative grooming provided at DSIMS ensures holistic development of each and every student to gear them up for their future role and growth. It is my sincere wish that Durgadevi Saraf Institute of Management Studies be ranked as one of the top management institutions in the years to come.

I wish the institute best of luck in living up to its vision of creating leaders of tomorrow.

“

The quality of a leader  
is reflected in the standards  
they set for themselves.

– Ray Kroc

”

# CHAIRMAN'S MESSAGE

## **Shri Ashok M. Saraf**

Chairman, Management Council  
Durgadevi Saraf Institute of Management Studies

Welcome to the campus of Durgadevi Saraf Institute of Management Studies.

We are delighted to know that you are a part of our academic journey. We strive to provide an enriching and holistic learning experience at DSIMS for which we have created a state-of-the-art infrastructure that will facilitate excellent teaching-learning experience and also will encourage research. While the academic resources and infrastructure facilitates the learning process, having a professionally qualified and competent team of faculty is required to impart right skill sets to develop you as a successful manager. Our team comprises of members who possess vast experience in the field of management education, passionate and dedicated and are engaged in lifelong learning supported by efficient administrative staff. We, at DSIMS, believe in providing students with quality education that will drive them to foster leadership towards sensitized and inclusive development.

Durgadevi Saraf Institute of Management Studies (DSIMS) is successfully running Two years full-time Master in Management Studies (MMS) affiliated to

University of Mumbai. Our MMS program with different specializations is being imparted with an aim to cater to the current and future needs of corporates and industry.

DSIMS has had a very fruitful and successful journey of fourteen years. It has received a number of accolades and is now a well-known and one of the preferred institute for management education. In this regard, I am very happy to share that Durgadevi Saraf Institute of Management Studies (DSIMS) has been ranked the 3rd Best B-School amongst privately managed B-Schools in Mumbai as per Times B-School ranking 2024 and is nationally accredited with NAAC.

I firmly believe that the academic endeavours of the faculty coupled with various co-curricular, extra-curricular & outreach programs will definitely help to enrich you professionally as well as will inculcate ethical values. On behalf of DSIMS I wish you luck for an enriching and successful 2 years journey with us towards your development as a successful corporate leader.

“

Leadership is not about being in charge. It is about serving those in your charge.

# DIRECTOR'S MESSAGE

## **Dr. C Babu**

Director

Durgadevi Saraf Institute of Management Studies

Dear Industry Partners,

It is with great pride and enthusiasm that I extend a warm welcome to you on behalf of Durgadevi Saraf Institute of Management Studies (DSIMS). As the Director of this esteemed institution, I am honored to share with you the remarkable journey our students undertake, preparing them to be leaders and innovators in the dynamic world of business.

At DSIMS we are committed to delivering an exceptional educational experience that not only imparts academic knowledge but also fosters critical thinking, leadership, and ethical practices. Our robust curriculum, coupled with a strong emphasis on real-world applications, ensures that our graduates are well-equipped to navigate the complexities of the global business environment.

Our placement record stands as a testament to the dedication of our faculty, the hard work of our students, and the strong partnerships we have cultivated with leading organizations across various industries. The success of our alumni in securing coveted positions in top-tier companies is a

reflection of the quality of education and training they receive here.

We are continually evolving our programs to meet the ever-changing demands of the business landscape. Our focus on experiential learning, industry engagement, and personal development ensures that our students are not only career-ready but also poised to make significant contributions to their chosen fields.

Since DSIMS is nurtured and patronized by Rajasthani Sammelan Educational Trust, a noble trust which believes in philanthropy and community services for over seven decades, our students are imbued with core values of assuming high social responsibility. Our vision to be one of the preferred B-schools in India by developing socially sensitive business professionals with global mindset permeates in every initiative we take to sculpt our students from the very first day they walk into our Institute. We whole-heartedly welcome you to take part in this Centre of Excellence, DSIMS and continue the journey further.

Thank you.

# About DSIMS

DSIMS is all set to welcome another fruitful academic year in its stride. The initial years witnessed tremendous success, coupled with admiration from reputed industry and renowned academic community. DSIMS is named in the loving memory of Late Smt. Durgadevi Saraf, mother of main donor, Mahavirprasad G Saraf.

We are proud to lay a strong foundation with a robust curriculum, where we lay emphasis on the overall development of our budding leaders. The different

curricular emphasis is designed to match their learning abilities and interests. At DSIMS we strongly believe in the philosophy of “KAIZEN” or continuous improvement. This is evident in our continuous endeavors to elevate our benchmarks year on year and to compete with the best.

We ensure to make learning more enjoyable and meaningful for students, while developing the desired skills and values that will put them in good stead for the future. These include placing greater emphasis on

non-academic program within the curriculum, such as Entrepreneurial Cell “E-cell”, Thought Leadership Forum, Experiential Learning etc. Our induction / orientation program is designed to educate and provide opportunities for graduates to transform themselves to postgraduate students.

DSIMS is promoted by the esteemed members of the distinguished Rajasthani Sammelan Education Trust, renowned for its contribution in the field of education in India.

We aim to follow a consultative style of management which encourages participation in the development of the institute. The Board of Governors is committed to developing an institution of quality and integrity. To this end, it has established an independent Management Council comprising of eminent educationists, administrators and achievers from different walks of life. The Management Council brings to the institute, its expertise in administration, technology-aided learning and education management.

	Trends in Marketing		

# DSIMS

## Advantage

The world has changed over a period of time and along with this the needs of the industry and the expectations about managers have also undergone a sea change. But management education has not progressed much beyond where it all began. The result is that the industry believes “management graduates are not employable from day one”. The industry demands management graduates who can be productive from day one, who have a global outlook but a local mindset and whose education is relevant for these turbulent times.

To meet the requirement of the industry and to keep the sanctity of the class room learning, DSIMS has developed a series of unique interventions - a unique, blended pedagogy which aims to produce a day one, job ready managers.

**We would classify our innovations into two broad categories:**

1. Innovations in class room pedagogy
2. Innovations beyond class room initiatives

### **Manager in Making (MiM)**

DSIMS has designed a set of beyond classroom initiatives – branded as “Manager in Making” (MiM) that will inspire, test and challenge the ideas, knowledge and concepts of modern Management.

These interventions aggregate theory, practice and experience into a powerful course that will form the foundation of student's future as a global manager.

Apart from imparting education to the students, we also pay special attention to inculcate human values and grooming students for bright career. Our Institute continuously strives to develop students to realize their latent potential while acquiring professional knowledge. We provide the students with career guidance and conduct courses on personality, communication and other such skills. These courses focus on enhancing students' personality and on preparing them for their future careers and enhancing their employability.

### **Aims and Objectives of MiM Program:**

- To assess students' strength and weaknesses to obtain not only generic but need based interventions.
- To improve students' employability quotient by giving them an edge; by providing skills and work-
- To help students realize their potential. To enable them with new knowledge and empower them to gather a broader perspective and greater confidence.
- To guide students for a critical transition into a position of greater responsibility
- To help in increasing students' overall effectiveness and reduce their learning curve

### **Nonpareil Pedagogy**

We have nurtured one of the best learning environments at DSIMS. The learning process at DSIMS begins before the students enter the learning rooms and continues far beyond the institute. The rigorous yet flexible process focuses on combining clarity on the core concepts with the constraints of execution in a dynamic, globalized environment. The learning process includes experiential learning, workshops, case analysis, role plays, presentations, debates and discussions. The effort is supplemented by our "Corporate to Campus" effort where select Industry leaders are invited to interact with the students. As a student of DSIMS, you will get a chance to interact with some of the best minds of the Indian Industry.

### **Business News Analysis (BNA)**

To improve the reading and analytic skills of students and help them remain contemporary and relevant, DSIMS conducts "Business News Analysis" sessions are conducted where they follow the significant news and developments on sectors of their choice and share their readings and understanding with their peers. The sessions are moderated by faculty members who further add to the perspective.

### **Business Immersion**

Business Immersion makes students examine, analyze and evaluate complex process that challenges managers along the business cycle. The program begins with the students doing a thorough, structured analysis of the major sectors of the Economy. Periodically, the students will present their understanding of the sectors to a panel of faculty and Industry leaders from the concerned sectors. The panel will guide the students and ensure that the learnings are maximized.

After the industry analysis, the students deep dive into the sector of their choice. In this process, the students get familiar with the regulatory guidelines, current industry

best practices and emerging next practices.

This will be done through both Industry visits as well as interaction with a wide range of experts. On completion of this exercise, the students identify their role within the sector and study the pre requisites of excelling in the role. This includes close interaction with a few role models from the sector. The students learn the processes and rules that govern the operations of the chosen role, the skills and knowledge needed to excel.

### **Analytical and Critical Thinking - ACT**

We have developed the ACT to help our students develop their ability to weigh alternatives, make decisions and evaluate seemingly contradictory facts. ACT is anchored in the necessity to inculcate the art of critically analyzing any issue and developing cogent and powerful arguments for and against any broad, multi-disciplinary issues that face the nation, the society or the corporate.

This exercise aims to develop the following in our students:

- Analytical writing skills
- Strategic planning and data acquisition
- Creative thinking
- Asking the right questions
- Logical reasoning

### **Broad based reading**

The distinctive feature of our curriculum is the wider reading that the students have to do to prepare for the class – including the use of newspaper, magazine articles, thought leadership pieces from journals and blogs in the class room to drive learning.

### **Thought Leadership Forum (TLF)**

Great leaders are not born, but made. In keeping with this adage, students read, listen to and interact with leaders from the corporate world, who are invited to the campus to share their experiences of practicing leadership and achieving excellence in diverse domains.

### **Meet the Celebrity**

This intervention aims at bringing accomplished writers and known personalities to the campus. Students get an opportunity to interact with these high achievers and learn during this process.

### **Entrepreneurship Development Cell (E-Cell)**

The Entrepreneurship Development Cell of DSIMS was set up in 2015 to promote entrepreneurship among the DSIMS students and create an environment conducive for entrepreneurial activities.

The students get exposure to various professional courses like Student Entrepreneurship Development programme wherein professional experts help the

students to make business plan and carry their ideas forward in the market. Because of such initiatives students become more confident in expressing their ideas and learn the talent of thinking out of the box.

### **Bringing Industry to classroom**

At DSIMS we ensure to organize Guest Sessions in each subject under the academic curriculum. These guest sessions are conducted by seasoned industry practitioners and are embedded into the regular lecture schedule. These sessions help the students relate the classroom learning to industry applications.

### **DSIMS Case Study Centre**

Case based teaching is an important tool for DSIMS teaching pedagogy. DSIMS, indeed, right from its inception has been subscribing Harvard Business cases. The institute has developed a congenial eco-system that encourages professors to continuously prepare own cases for academic discussions. Apart from arm chair cases, DSIMS professors have written many live cases. Thanks to the institute's deep industry connect, faculty members have established very good network with Mumbai based companies and write cases after conducting interviews with senior executives and other stakeholders.

DSIMS is one among very few B-Schools in India that boasts of its own case study centre. Under this centre, the institute's experienced Faculty Members with their Industry and Academic experience write own cases for classroom discussions. Business cases of several Indian industries have been written on variety of fields – Marketing, Finance, Human Relations and Entrepreneurship Management by in-house Faculty.

DSIMS Case Study Centre further invites CEOs to come to class rooms to interact with students to share their experiences.

### **DSIMS Leadership Development Centre**

The Institute has established DSIMS Leadership Development Centre to nurture leadership capabilities of all stakeholders. DSIMS has a strong faculty team that undertakes researches on Leadership Development.

Under DSIMS Leadership Development Centre, the Institute takes up many Faculty Development Programs to hone their mentees' leadership capabilities. The Institute conducts many leadership development programs for young students in and around Mumbai.

The centre has intensively studied notable Indian business and social leaders. The Centre further researched of many leading Harvard Professors' contributions on Leadership Development. Based on the finding, DSIMS Leadership Development Centre has

developed interesting modules for numerous Seminars, Workshops, Faculty Development Program (FDP) and Management Development Programs (MDP).

### **Student Mentoring Cell**

DSIMS has built a very unique fabric of Mentor-Mentee Relationship (MMR) between student and faculty, right from its inception. The institute believes in the philosophy that each student is unique and has some hidden abilities. Having realized this fact, culturally every faculty member internalizes this while interacting with each and every student. The institute has a structured student – faculty model within the system. DSIMS plans to adopt several mentoring and counseling programs under the MMR for an overall development of a student. The institute believes continuous caring and mentoring of students will nurture them both academically and psychologically to become robust leaders of tomorrow.

### **ESG-POWER BI Workshops**

A two-day workshop on ESG and POWER BI, was organized at DSGS for top 20 academic toppers of MMS batch 2022-24. The workshop was organized in a practical and detailed manner to help students gain insights on various ESG and POWER BI concepts and its importance in business and reporting in today's business environment.

# CONFLUENCE

## 2023

In order to enhance the interaction with corporates and to broad base our placement approach; the 02nd Edition of our Annual Corporate Engagement Event “CONFLUENCE 2023” was held on Saturday 04th November 2023 at the MCA Recreational Centre, BKC from 07pm onwards.

Prominent speakers and panelists at this event were Mr. Sanjay Tamhankar (Director Supplier Quality Improvement) (Cummins India Ltd.), Ms. Seema Mohanty (Global Supplier Manager) (Bayer), Mr. Adhir Mane (CHRO) (Raymond Ltd.), Ms. Nishigandha Kulkarni (Sr.HR Consultant), Dr. Sheila Roy (Associate Professor) (S.P. Jain Institute of Management & Research) and Dr. Shrihari Mandaogane (Consultant: Total Quality Management (TQM), Lean Manufacturing & World Class Quality Systems) (Ex Tata Motors). The event was moderated by Ms. Mahrukh Bandorawalla.

The themes for discussion were:

- The Economic Potential of Generative AI: The Next Productivity Frontier
- Will India Beat the Chinese Dragon and Become the most attractive emerging market?
- Can India Cash in on the China+1 Opportunity in Global Business?

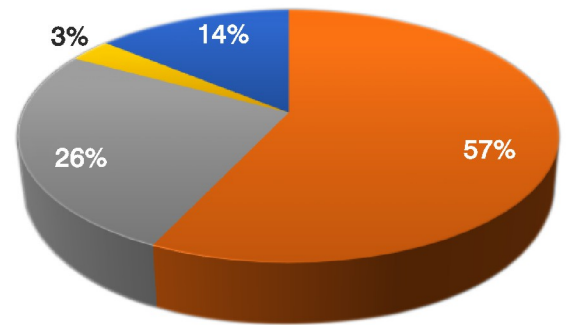

The event was graced by the Chairman Shri. Ashok Saraf, some of our industry connect mentors like Mr. Nandkishore Gupta (Chairman and Managing Director-Indsec Securities & Finance Ltd.) and 63 senior industry professionals.

The event concluded with cocktails and dinner.

# COMPANIES' FEEDBACK

Mandar Mahadik is a brilliant student, and he has shown great attitude towards learning during the entire internship period.

- Mr. Prashant Kaware (Supply Chain Manager)

Subhashree Sahoo is studious, honest and hard working. I wish her all good wishes in her future career.

- Mr. Bushan Gaikwad (Deputy General Manager)

Saloni Sawant has worked on the project with dedication and commitment. Overall during the internship, she has completed her project with the best of her knowledge and mentor inputs.

- Mr. Chandrakant Chavan (Branch Manager)

Overall good performance in internship and met expectations on assigned project with enthusiasm by Vaibhav Sonawane

- Mr. Mahesh Valanju (Assistant Vice President)

Anant Shinde is a very hardworking and sincere person. He has displayed commitment and eagerness to learn during the project. He has been willing to go that extra mile to achieve the organizational objectives which is a desirable trait to work in the corporate. He has adapted well to the work culture and I wish him all the best.

- Mr. Arvind Sharma (Branch Head)

# Alumni FEEDBACK

Name : **Shreya Kotian**  
Course Completed : **MMS Finance**  
Year of Passing : **2022**  
Designation : **Tax Consultant**  
Organization : **Deloitte**

I learned how to improve professionally and personally at DSIMS. Our professors provided us with motivation and support, which has enriched us. Our institute has always been by our side during the pandemic, assisting us with our academics and sharpening our management abilities. DSIMS' non-teaching staff has been really helpful, from handling our questions to assisting us with our placements. It was a valuable experience.

Name : **Dhruvi Rami**  
Course Completed : **MMS Finance**  
Year of Passing : **2024**  
Designation : **Junior Data Analyst**  
Organization : **Institutional Shareholders Services India Pvt. Ltd. (ISS)**

I am Dhruvi Rami, and have been placed at ISS during current placement drive of batch 2022-24 & want to thank DSIMS. I found the academics revolving around finance is extremely valuable in developing my career in this domain. Taking up MMS course helped me conquer my weaknesses and added a whole new dimension to my life, setting me up for a successful career ahead. The course had a good setup with different ways to test us, like writing assignments and presentations. It was challenging but interesting. Working together in tutorials was great for discussing ideas, and making connections with others helped balance academic work and other activities.

My decision to take Finance as Specialization was the right one. Being part of FINANCIA Conclave has provided me with a myriad of new & lifetime experiences. Sabrang, Versus, cultural days/ events & placement activities are among other events which changed the outlook towards life. Also, through participating in CSR activities and social events helped me develop my personality widely. The support from my classmates and dedicated faculty members at DSIMS made my experience unforgettable and valuable. I'm proud to be associated with DSIMS, which provides excellent preparation for the journey ahead. Always a DSIMS enthusiast! I am very grateful to this prestigious institute for giving me an opportunity to become a successful professional.
