

Dyn-O-Wrap is a self-adhesive film which can protect uninstalled duct sections from the intrusion of contaminants. While duct is handled, stored, or transported, its interior is unprotected from water, dust and debris. Dyn-O-Wrap applied over the openings will securely seal the duct and block this exposure. With adhesion strong enough to resist separating from the duct during transportation, the film is easily removed when necessary without leaving any residue. Dyn-O-Wrap is thicker than most other wraps on the market and the extra thickness ensures greater durability.

FEATURES

- Thicker than most other duct wrapping films
- Durable and flexible
- Self-adhesive inner surface
- Excellent adhesion to duct & fittings
- Easily removable without leaving residue in most temperatures

SPECIFICATIONS

- Application: Galvanized Steel, Stainless Steel, Aluminum
- Tensile Strength: Minimum 10 psi
- Elongation: Twice its original length
- UV resistant and waterproof
- Color: Blue
- Disposal: Recyclable

Item #	Code	Description	Dimensions (cxw)	Weight per roll (lbs.)	Packaging
13380	DW24-200	Dyn-O-Wrap Roll 24" x 200'	24" x 200'	6.3	6 Rolls/Box
13384	DW36-200	Dyn-O-Wrap Roll 36" x 200'	36" x 200'	10	1 Roll/Box
13388	DW48-200	Dyn-O-Wrap Roll 48" x 200'	48" x 200'	14	1 Roll/Box
13382	PRW24-200	Puncture Resistant Dyn-O-Wrap Roll 24" x 200'	24" x 200'	6.3	1 Roll
13386	PRW36-200	Puncture Resistant Dyn-O-Wrap Roll 36" x 200'	36" x 200'	10	1 Roll
13389	PRW48-200	Puncture Resistant Dyn-O-Wrap Roll 48" x 200'	48" x 200'	14	1 Roll
