Campus Parking

Permit Parking (Students, Faculty, and Staff)

All vehicles regularly parked on the Marine Campus must be registered with the University of Miami Parking and Transportation office and have a current, valid, and appropriate University of Miami parking permit. Parking permits should be visibly displayed by hanging it on your rearview mirror. All vehicles must be parked head-in only, unless a front-mounted plate is displayed. A permit is required to park on campus from 8 a.m. to 4 p.m. seven days a week.

Short- and Long-Term Passes

Visitors may obtain short- and long-term parking passes by emailing Rosenstiel School Campus Safety at parking@earth.miami.edu.

Complete parking and transportation rules and regulations are available online at miami.edu/parking.

Visitor Parking

A limited number of visitor/vendor parking spaces are available at the entrance of campus next to the Campus Safety Office. Additionally, free parking is available in the public parking lot located just outside of the campus gates along the Rickenbacker Causeway.

Bicycle Parking

Ample bicycle parking is available throughout campus. Bicycles must be registered with Rosenstiel School Campus Safety and secured with a U-lock, which will be provided during the registration process.

Motorcycle Parking

Motorcycle parking is located in the SLAB Garage.
