## Letter of Resignation

**\*Complete the following letter if it is your wish, as an elected representative of NHS Student Council, to resign from your position. Note, you may only officially resign after meeting with the NHS Student Council Advisor.**

I \_\_\_\_\_ (first name, last name) am writing to inform the North High School Student Council of my resignation, effective \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_ (MM/DD/YYYY). I understand that in tendering my resignation, I will no longer be considered a representative of my class for the current term of NHS Student Council. Furthermore, I acknowledge that I will not indicate to any other institution that I was a representative of NHS Student Council for the current term, as this would be a misrepresentation of my service.
