Emerald Journals

We believe that research should foster debate, generate ideas and drive change. By looking through the eyes of subject experts across a range of disciplines, we can achieve clarity on some of the world's biggest challenges. Our vision is to take high quality, applied research to a global audience of researchers, students and professionals, who can turn theory into action.

Emerald's eJournal portfolio spans a wide range of subject disciplines and brings to life highly topical themes including: digital world, education, environment and sustainability, future of work, gender and diversity, health, operations, policy sciences, responsible management, strategic management and technology and innovation.
