

(ii) Any person, including a person who moves before the date the housing plan is submitted to HUD, that the DHHL determines was displaced as a direct result of acquisition, rehabilitation, or demolition for the assisted project;

(iii) A tenant-occupant of a dwelling unit who moves from the building/complex permanently after execution of the agreement between the DHHL and HUD, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

- (A) The tenant-occupant's monthly rent and estimated average monthly utility costs before the agreement; or
- (B) Thirty percent of gross household income.

(iv) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if:

(A) The tenant-occupant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses;

(B) The tenant-occupant is required to temporarily relocate for more than one year; or

(C) Other conditions of the temporary relocation are not reasonable.

(v) A tenant-occupant of a dwelling who moves from the building/complex after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant-occupant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of this section for the definition of "Displaced Person," a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person moved into the property after the submission of the housing plan to HUD, but before signing a lease or commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced,

temporarily relocated or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" or for any assistance provided under this section as a result of the project;

(ii) The person meets the definition of "persons not displaced" as defined in 49 CFR 24.2; or

(iii) The DHHL determines the person is not displaced as a direct result of acquisition, rehabilitation, or demolition for an assisted project. To exclude a person on this basis, HUD must concur in that determination in accordance with 49 CFR 24.2.

(3) The DHHL may at any time ask HUD to determine whether a specific displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a person displaced from a dwelling as a direct result of acquisition, rehabilitation, or demolition of the real property, the term Initiation of Negotiations (ION) date means the execution of the written agreement covering the acquisition, rehabilitation, or demolition (See 49 CFR 24.2).

■ 20. In § 1006.410, revise paragraph (a)(2), add paragraph (a)(3), and revise paragraph (c)(1) to read as follows:

BILLING CODE 4210-67-P

**DEPARTMENT OF JUSTICE**

**28 CFR Part 85**

[Docket No. OLP 176]

**Civil Monetary Penalties Inflation Adjustments for 2024**

**AGENCY:** Department of Justice.

**ACTION:** Final rule.

**SUMMARY:** The Department of Justice is adjusting for inflation the civil monetary penalties assessed or enforced by components of the Department, in accordance with the provisions of the Bipartisan Budget Act of 2015, for penalties assessed after February 12, 2024 with respect to violations occurring after November 2, 2015.

**DATES:** This rule is effective February 12, 2024.

**FOR FURTHER INFORMATION CONTACT:** Robert Hinchman, Senior Counsel, Office of Legal Policy, U.S. Department of Justice, Room 4252 RFK Building, 950 Pennsylvania Avenue NW, Washington, DC 20530, telephone (202) 514-8059 (not a toll-free number).

**SUPPLEMENTARY INFORMATION:**

**I. Statutory Process for Implementing Annual Inflation Adjustments**

Section 701 of the Bipartisan Budget Act of 2015, Public Law 114-74 (Nov. 2, 2015) ("BBA"), 28 U.S.C. 2461 note, substantially revised the prior provisions of the Federal Civil Monetary Penalties Inflation Adjustment Act of 1990, Public Law 101-410 (the "Inflation Adjustment Act"), and substituted a different statutory formula for calculating inflation adjustments on an annual basis.

In accordance with the provisions of the BBA, on June 30, 2016 (81 FR 42491), the Department of Justice published an interim rule ("June 2016 interim rule") to adjust for inflation the civil monetary penalties assessed or enforced by components of the Department after August 1, 2016, with respect to violations occurring after November 2, 2015, the date of enactment of the BBA. Readers may refer to the **SUPPLEMENTARY INFORMATION** (also known as the preamble) of the Department's June 2016 interim rule for additional background information regarding the statutory authority for

adjustments of civil monetary penalty amounts to take account of inflation and the Department's past implementation of inflation adjustments. The June 2016 interim rule was finalized without change by the publication of a final rule on April 5, 2019 (84 FR 13525).

After the initial adjustments in 2016, the BBA also provides for agencies to adjust their civil penalties on January 15 of each year to account for inflation during the preceding year, rounded to the nearest dollar. Accordingly, on February 3, 2017 (82 FR 9131), and on January 29, 2018 (83 FR 3944), the Department published final rules pursuant to the BBA to make annual inflation adjustments in the civil monetary penalties assessed or enforced by components of the Department after those dates, with respect to violations occurring after November 2, 2015.

The Department has continued to promulgate rules adjusting the civil money penalties for inflation thereafter. Most recently, the Department published a final rule on January 30, 2023 (88 FR 5776), to adjust the civil money penalties to account for inflation occurring since 2022.

## II. Inflation Adjustments Made by This Rule

As required, the Department is publishing this final rule to adjust for 2024 the Department's current civil penalties. Under the statutory formula, the adjustments made by this rule are based on the Bureau of Labor Statistics' Consumer Price Index for October 2023. The OMB Memorandum for the Heads of Executive Departments and Agencies M-24-07 (Dec. 19, 2023) <https://www.whitehouse.gov/wp-content/uploads/2023/12/M-24-07-Implementation-of-Penalty-Inflation-Adjustments-for-2024.pdf> (last visited Dec. 21, 2023) instructs that the applicable inflation factor for this adjustment is 1.03241.

Accordingly, this rule adjusts the civil penalty amounts in 28 CFR 85.5 by applying the inflation factor of 1.03241 mechanically to each of the civil penalty amounts listed (rounded to the nearest dollar).

### Example:

- In 2016, the Program Fraud Civil Remedies Act penalty was increased to \$10,781 in accordance with the adjustment requirements of the BBA.
- For 2017, where the applicable inflation factor was 1.01636, the existing penalty of \$10,781 was multiplied by 1.01636 and revised to \$10,957.
- Similar adjustments have been made in the following years, through 2023, where the applicable inflation factor was 1.07745, and the existing

penalty of \$12,537 was multiplied by 1.07745 and revised to \$13,508.

- For this final rule in 2024, where the applicable inflation factor is 1.03241, the existing penalty of \$13,508 is multiplied by 1.03241 and rounded to the nearest dollar. The revised penalty is now \$13,946.

This rule adjusts for inflation civil monetary penalties within the jurisdiction of the Department of Justice for purposes of the Inflation Adjustment Act, as amended. Other agencies are responsible for the inflation adjustments of certain other civil monetary penalties that the Department's litigating components bring suit to collect. The reader should consult the regulations of those other agencies for inflation adjustments to those penalties.

## III. Effective Date of Adjusted Civil Penalty Amounts

Under this rule, the adjusted civil penalty amounts for 2024 are applicable only to civil penalties assessed after February 12, 2024, with respect to violations occurring after November 2, 2015, the date of enactment of the BBA.

The penalty amounts set forth in the existing provisions of 28 CFR 85.5, and its accompanying table, are applicable to all covered civil penalties assessed after August 1, 2016, and on or before February 12, 2024, with respect to violations occurring after November 2, 2015.

The revised table in this rule lists the civil penalty amounts as adjusted in 2024, 2023, 2022, and 2021. For penalties assessed prior to the adjustment rule adopted in 2021, section 85.5(c) of this rule directs readers back to the 2020 version of the rule, as published in the **Federal Register**, which sets forth the adjusted civil penalty amounts for penalties assessed prior to the 2021 adjustments. 85 FR 37004 (June 19, 2020).

Civil penalties for violations occurring on or before November 2, 2015, and assessments made on or before August 1, 2016, will continue to be subject to the civil monetary penalty amounts set forth in the Department's regulations in 28 CFR parts 20, 22, 36, 68, 71, 76, and 85 as such regulations were in effect prior to August 1, 2016 (or as set forth by statute if the amount had not yet been adjusted by regulation prior to August 1, 2016). See Civil Monetary Penalties Inflation Adjustment, 83 FR 3944 (Jan. 29, 2018).

## IV. Statutory and Regulatory Analyses

### A. Administrative Procedure Act

The BBA provides that, for each annual adjustment made after the initial

adjustments of civil penalties in 2016, the head of an agency shall adjust the civil monetary penalties each year notwithstanding 5 U.S.C. 553. Accordingly, this rule is being issued as a final rule without prior notice and public comment, and without a delayed effective date.

### B. Regulatory Flexibility Act

Only those entities that are determined to have violated Federal law and regulations would be affected by the increase in the civil penalty amounts made by this rule. A Regulatory Flexibility Act analysis is not required for this rule because publication of a notice of proposed rulemaking was not required. See 5 U.S.C. 603(a).

### C. Executive Orders 12866, 13563, and 14094—Regulatory Review

This final rule has been drafted in accordance with Executive Order 12866, "Regulatory Planning and Review," section 1(b), The Principles of Regulation, in accordance with Executive Order 13563, "Improving Regulation and Regulatory Review," section 1, General Principles of Regulation, and in accordance with section 1(b), General Principles of Regulation; and Executive Order 14094, "Modernizing Regulatory Review". Executive Orders 12866 and 13563 direct agencies, in certain circumstances, to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity).

The Department of Justice has determined that this rule is not a "significant regulatory action" under Executive Order 12866, "Regulatory Planning and Review," section 3(f), and, accordingly, this rule has not been reviewed by the Office of Management and Budget. This final rule implements the BBA by making an across-the-board, mechanical adjustment of the civil penalty amounts in 28 CFR 85.5 to account for inflation since the adoption of the Department's final rule published on January 30, 2023 (88 FR 5776).

### D. Executive Order 13132—Federalism

This rule will not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132,

it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

*E. Executive Order 12988—Civil Justice Reform*

This rule meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988.

*F. Unfunded Mandates Reform Act of 1995*

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year (as adjusted for inflation), and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

*G. Congressional Review Act*

This rule is not a major rule as defined by the Congressional Review Act, 5 U.S.C. 804.

<sup>1</sup> The figures set forth in this column represent the penalty as last adjusted by Department of Justice regulation on January 30, 2023.

<sup>2</sup> All figures set forth in this table are maximum penalties, unless otherwise indicated.

<sup>3</sup> Section 3729(a)(1) of Title 31 provides that any person who violates this section is liable to the United States Government for a civil penalty of not less than \$5,000 and not more than \$10,000, as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990, plus 3 times the amount of damages which the Government sustains because of the act of that person. 31 U.S.C. 3729(a)(1) (2015). Section 3729(a)(2) permits the court to reduce the damages under certain circumstances to not less than 2 times the amount of damages which the Government sustains because of the act of that person. Id. section 3729(a)(2). The adjustment made by this regulation is only applicable to the specific statutory penalty amounts stated in subsection (a)(1), which is only one component of the civil penalty imposed under section 3729(a)(1).

<sup>4</sup> Section 8706(a)(1) of Title 41 provides that the Federal Government in a civil action may recover from a person that knowingly engages in conduct prohibited by section 8702 of Title 44 a civil penalty equal to twice the amount of each kickback involved in the violation and not more than \$10,000 for each occurrence of prohibited conduct. 41 U.S.C. 8706(a)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (a)(1)(B), which is only one component of the civil penalty imposed under section 8706.

<sup>5</sup> Section 216(b) of Title 18 provides that the civil penalty should be no more than \$50,000 for each violation or the amount of compensation which the person received or offered for the prohibited conduct, whichever amount is greater. 18 U.S.C. 216(b) (2015). Therefore, the adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (b), which is only one aspect of the possible civil penalty imposed under section 216(b).

<sup>6</sup> Section 2105(b) of Title 41 provides that the Attorney General may bring a civil action in an appropriate district court of the United States against a person that engages in conduct that violates section 2102, 2103, or 2104 of Title 41. 41 U.S.C. 2105(b) (2015). Section 2105(b) further provides that on proof of that conduct by a preponderance of the evidence, an individual is liable to the Federal Government for a civil penalty of not more than \$50,000 for each violation plus twice the amount of compensation that the individual received or offered for the prohibited conduct, and an organization is liable to the Federal Government for a civil penalty of not more than \$500,000 for each violation plus twice the amount of compensation that the organization received or offered for the prohibited conduct. Id. section 2105(b). The adjustments made by this regulation are only applicable to the specific statutory penalty amounts stated in subsections (b)(1) and (b)(2), which are each only one component of the civil penalties imposed under sections 2105(b)(1) and (b)(2).

<sup>7</sup>The Attorney General has authority to bring a civil action when a person has violated or is about to violate a provision under this statute. 42 U.S.C. 5157(b) (2015). The Federal Emergency Management Agency has promulgated regulations regarding this statute and has adjusted the penalty in its regulation. 44 CFR 206.14(d) (2015). The Department of Health and Human Services (HHS) has also promulgated a regulation regarding the penalty under this statute. 42 CFR 38.8 (2015).

<sup>8</sup>Section 1956(b)(1) of Title 18 provides that whoever conducts or attempts to conduct a transaction described in subsection (a)(1) or (a)(3), or section 1957, or a transportation, transmission, or transfer described in subsection (a)(2), is liable to the United States for a civil penalty of not more than the greater of the value of the property, funds, or monetary instruments involved in the transaction; or \$10,000. 18 U.S.C. 1956(b)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (b)(1)(B), which is only one aspect of the possible civil penalty imposed under section 1956(b).

<sup>9</sup>The SUPPORT for Patients and Communities Act, Public Law 115–221 was enacted Oct. 24, 2018.

<sup>10</sup>Section 842(c)(2)(C) of Title 21 provides that in addition to the penalties set forth elsewhere in the subchapter or subchapter II of the chapter, any business that violates paragraph (11) of subsection (a) of the section shall, with respect to the first such violation, be subject to a civil penalty of not more than \$250,000, but shall not be subject to criminal penalties under the section, and shall, for any succeeding violation, be subject to a civil fine of not more than \$250,000 or double the last previously imposed penalty, whichever is greater. 21 U.S.C. 842(c)(2)(C) (2015). The adjustment made by this regulation regarding the penalty for a succeeding violation is only applicable to the specific statutory penalty amount stated in subsection (c)(2)(C), which is only one aspect of the possible civil penalty for a succeeding violation imposed under section 842(c)(2)(C).

<sup>11</sup>Section 856(d)(1) of Title 21 provides that any person who violates subsection (a) of the section shall be subject to a civil penalty of not more than the greater of \$250,000; or 2 times the gross receipts, either known or estimated, that were derived from each violation that is attributable to the person. 21 U.S.C. 856(d)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (d)(1)(A), which is only one aspect of the possible civil penalty imposed under section 856(d)(1).

<sup>12</sup>The date of assessment for purposes of calculating the minimum and maximum civil money penalties for violations of 8 U.S.C. 1324a under 28 CFR 85.5 is the date of the OCAHO final order, rather than the date of service of the Notice of Intent to Fine. *United States v. Edgemont Group, LLC*, 17 OCAHO no. 1470e (2023).

Dated: February 5, 2024.

[Docket Number USCG–2024–0130]

RIN 1625–AA00

### Safety Zone; Fireworks Scattering; San Francisco Bay, San Francisco, CA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the navigable waters of the San Francisco Bay, off Treasure Island, CA in support of a fireworks display on February 10, 2024. The safety zone is necessary to protect persons, vessels, and the marine environment from potential hazards caused by pyrotechnics. Unauthorized persons or vessels are prohibited from entering, transiting through, or remaining in the safety zone without the permission of the Captain of the Port San Francisco or a designated representative.

**DATES:** This rule is effective from 10:30 a.m. until 11:35 a.m. on February 10, 2024.

DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard did not receive final details for this event until January 30, 2024. It is impracticable to go through the full notice and comment rulemaking process because the Coast Guard must establish this safety zone by February 10, 2024, and lacks sufficient time to provide a reasonable comment period and to consider those comments before issuing the rule.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because action is necessary to protect personnel, vessels, and the marine environment from the potential safety hazards associated with the fireworks display off Treasure Island, CA on February 10, 2024.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority 46 U.S.C. 70034. The Captain of the Port (COTP) San Francisco has determined that potential hazards associated with the scheduled Fireworks Scattering display on February 10, 2024, will be a safety concern for anyone within a 400-foot radius of the fireworks display starting 30 minutes before the fireworks display is scheduled to commence and ending 30 minutes after the conclusion of the fireworks display. For this reason, this temporary safety zone is needed to protect personnel, vessels, and the marine environment in the navigable waters during the fireworks display.

##### IV. Discussion of the Rule

This rule establishes a temporary safety zone from 10:30 a.m. until 11:35 a.m. on February 10, 2024, from 30 minutes prior to the start of the fireworks display, and until 30 minutes after the completion of the fireworks display. At 10:30 a.m., which is 30 minutes prior to the commencement of the 5-minute fireworks display, the safety zone will encompass the navigable waters around the fireworks vessel, from surface to bottom, within a circle formed by connecting all points 400-feet out from the coordinates at approximately 37°50′17.9″ N, 122°21′16.5″ W (NAD 83). The safety zone will terminate at 11:35 a.m. on February 10, 2024, or as announced via Marine Information Broadcast.

This regulation is necessary to keep persons and vessels away from the immediate vicinity of the fireworks scattering site. Except for persons or vessels authorized by the COTP or the COTP’s designated representative, no person or vessel may enter or remain in a restricted area. A “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel, or a Federal, State, or local officer
