

INSTRUCTIONS

PRINT TO SIZE

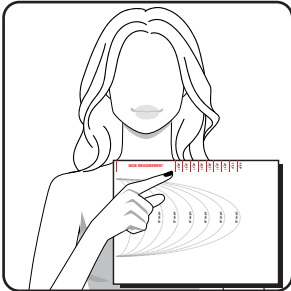

PRINTING GUIDE

be sure to select the PRINT TO SIZE option when printing this necklace or chain length measuring guide

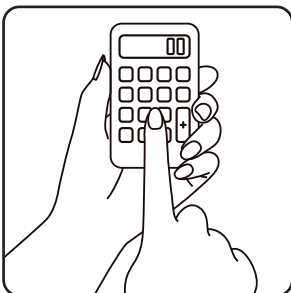

HANGING LENGTH

place the short side of the sheet over your chest from the base of your neck to find your ideal hanging length

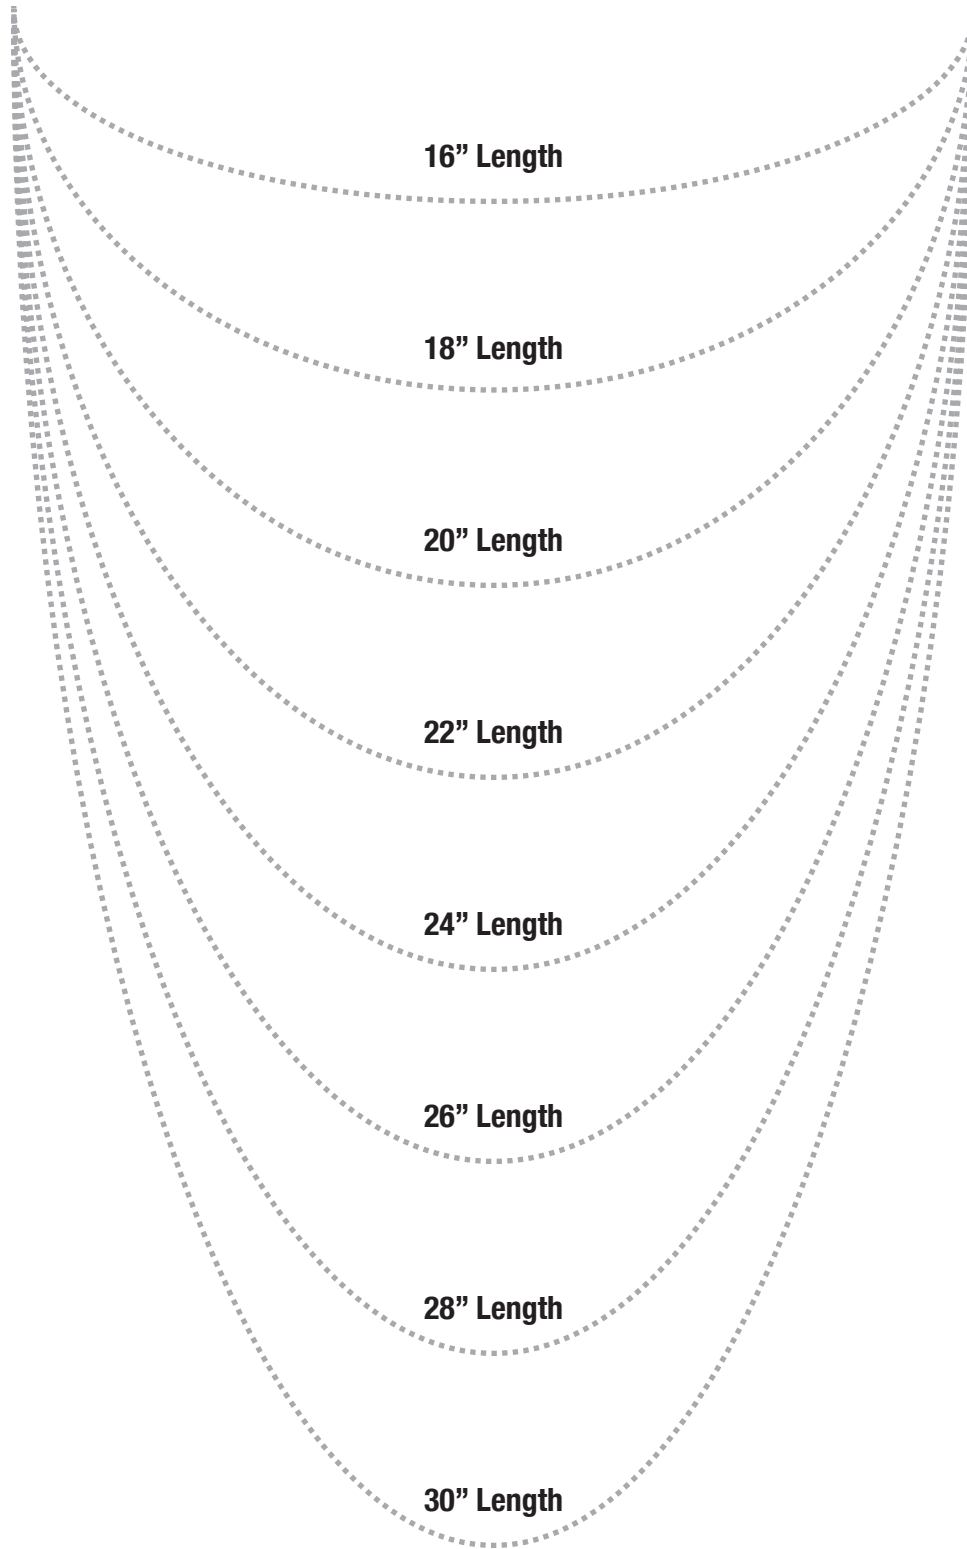

NECK WIDTH

place the long side of the sheet over your chest from the base of your neck to find your neck width

CHAIN LENGTH

add the neck width increments to your ideal hanging length for an approximate chain length to match your ideal look.

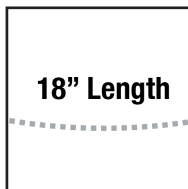

ALIGN THIS LINE TO THE SIDE OF YOUR NECK

BASE MEASUREMENT

BASE MEASUREMENT INCREMENTS

- +0.00"
- +0.75"
- +1.50"
- +2.25"
- +3.00"
- +3.75"
- +4.50"
- +5.25"
- +6.00"

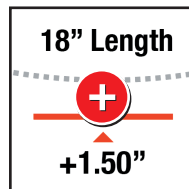

EXAMPLE

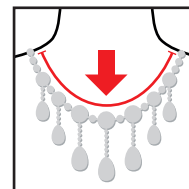

If your desired hanging length is at the 18" length mark

and your neck width is at the +1.50" mark

add the 2 values together for your optimal chain length.
18" + 1.5" = 19.5"

the length of a chain or necklace is measured on the top of the necklace.

once the ideal chain length is identified, visit grayandsons.com to find your chain.
