

HI COUNT® OVAL LED STOP TAIL TURN LIGHTS CHANGE

CURRENT LAMPS

FUTURE LAMPS

As part of Grote's commitment to continuous product improvement, changes are being implemented to the:

Hi Count® Oval LED Stop Tail Turn Lights.

The housings of Grote's Hi Count® Oval LED Stop Tail Turn Lights will now be slightly lighter in color. Through-hole LEDs are being replaced by SMD LEDs, maintaining FMVSS 108 compliance. Since full potting is no longer necessary, potting will now be used only on the terminal area, thereby ensuring a secure seal.
