

Dear Fellow Rotarian:

Thanks so much to all Rotary clubs and districts who contributed a total of \$631,247* to the Guatemala Literacy Project this year! Please [click here for the 2020 GLP Annual Report](#).

Education is the key to breaking the cycle of poverty that has plagued rural, indigenous Guatemalans for generations. Because of YOUR help, **over 9,700 more Guatemalan children and their teachers** are receiving the gift of sustainable textbooks, computer centers, literacy programs, and professional development skills this year.

In this report, you will find details about the most recently completed GLP activities. At any given time, the GLP has multiple Global Grants in various stages of implementation, from gathering support to the final audit by The Rotary Foundation. Here is the update on the various grants keeping us busy in 2019-2020:

- **2021 School Year Projects – [Global Grant #1989785](#):**
 - A complete list of **clubs, districts, and matching funds** on the grant. THANK YOU to the **152 clubs and 18 districts** who contributed this year!
 - Recognition of our **long-time supporting clubs** – giving over 5-20 years!
 - A list of Rotarians and clubs supporting **Rise Scholars and other program sponsorships**.

- **2020 School Year Projects – [Global Grant #1872362](#):**
 - **Photos** of Rotarians who traveled to rural Guatemala to kick off these programs on behalf of your club.
 - The **beneficiaries** of the Textbook, Computer, Spark, and Rise Programs that are being helped by your support of this grant.
 - **Thank you letters** from the young people who benefit from your help.

- **2019 School Year Projects – [Global Grant #1752923](#):**
 - A **financial report** showing how project funds were spent on this grant that's about to be closed.

And because the GLP never rests, we are already preparing for the upcoming Rotary year! **In 2020-2021, will you join us to:**

- Maximize your club's impact by multiplying your funds on the next [Global Grant](#)—our LAST opportunity for **Canadian clubs** to benefit from the government of Canada match! (Stay tuned for an early contribution deadline, Canadians.)
- Get books and computers into the hands of students by [sponsoring a scholar](#) in the GLP's Rise Youth Development Program. If your club has supported GLP global grants for years, this is also a great way to connect your club's support with an individual child who you are helping.
- Join the [GLP Project Tour](#) to Guatemala from February 6-14, 2021.

Help empower these students to rise out of poverty. Please fill out [this form](#) to pledge your support for the 2020-2021 Guatemala Literacy Project, or visit our [webpage](#) for details.

Yours in Rotary,

Colin Thacker

P.S. - Please share this report, with your fellow Rotary club members and district leaders. We want everyone in your club and district to know the impact you have made on these children in Guatemala. The report is also available online at www.guatemalaliteracy.org/news.

**The total amount of \$631,247 includes matching funds from the Government of Canada and The Rotary Foundation (pending Global Grant approval).*
