Fund-Specific Exclusions

- **Tobacco**

Policy implementation

To implement this policy, we use exclusion lists of companies based on information provided by independent third-party sources. We update the exclusion lists annually on a best-efforts basis.

We will not knowingly invest in any company that breaches this policy. In the event that we identify a company in our portfolios that does not comply with these policy requirements, we will contact the company directly for confirmation of their involvement in an excluded activity. Following confirmation of their involvement in this activity, we will divest any such holdings within 90 business days.

We monitor compliance in respect of this policy. However, due to the complexity of the issue and the evolution of company business models, there may be occasions when relevant securities appear in portfolios in error. Should this occur, we will seek to divest from any such holdings within 90 business days.
