TASTING NOTES

Bold, Dignified, and Resplendent. The Provenance Cabernet Sauvignon is powered by dark fruits and a prominent herbaceousness. Smooth tannins meld seamlessly with notes of crushed berries, cocoa, and dried herbs.

Layered and complex, this full-bodied beauty will reward careful cellaring.

VITICULTURE

The most widely-planted grape varietal on the globe, Cabernet Sauvignon is well known for its use in famous Bordeaux blends.

For our 2021 Provenance Cabernet Sauvignon, we have sourced grapes from premium South Australian Riverland Vineyards. Ancient red soils that run along the Murray are largely composed of clay, sand, and limestone particles. With its warm, dry climate and unique terroir, the conditions throughout the Riverland produce fruit of high quality, in turn creating truly unique wines of outstanding calibre.

WINEMAKING

Provenance implies a place of origin, or as we see it, the beginning of a new existence. This concept perfectly embodies the essence of this exceptional collection. Each hand-crafted, single-varietal bottle is an expression of the unparalleled quality of the vineyards where these wines began life, and the remarkable craftsmanship of our winemakers at every step of production from grape to glass.

The juice was 100% barrel aged for 15 months in European and American oak Barriques. This Cabernet Sauvignon was racked off lees immediately after primary fermentation to maintain vibrant fruit flavours and then returned to barrel for further maturation.

ARTISINAL SPIRITS

NOSFERATU DEAD DRY GIN 37.5%

Albanian Juniper, lots of local oranges & peels, coriander, juniper cardamom seeds and cascara bark.

MILTON RUM SPICED CANE SPIRIT 42%

Lemon myrtle, candied orange zest and a floral note with earthy tones of cinnamon, nutmeg and clove.

NOSFERATU DEAD DRY VODKA 37.5%

Filtered through local pumicestone and sugar cane charcoal. Rich, clean dry flavour.

BLACK COCKATOO COCONUT RUM 20%

Derived from 2 year old white rum, with coconut flavours and aromas to create a smooth, tropical combination.

NOSFERATU BLOOD ORANGE GIN 40%

Juniper berries, blood orange peel, fresh navel oranges, dried orange peel, davidson plum, roasted fenugreek, coriander, cardamom seeds, wormwood & angelica root.

WATKINS WHISKEY CO. SMALL BATCH SINGLE MALT WHISKEY 43%

A secret family recipe, using locally grown barley, meticulously aged for 7 years in French Oak barriques, formerly housing red wine and fitted with American oak heads
