Business and Operations
Mr. Watson said the board was there to discuss the Mazeroski Field and leasing vs. purchasing. He then provided an aerial map of the ball field area. Mr. Allen said he liked the idea of leasing. Mr. Watson shared he thought the Village would consider the district purchasing it. The members of the Council present then shared with the board their vision of what they would like to see the district do at the field. They also shared that they could not speak for the full council but would approach them to see if they would consider selling. There was no opposition from either side about entering into a sub-lease agreement with the Harrison Booster Club who is currently in a lease agreement with the Village. Mrs. Snider said we have a game next week and for now we will need to have some type of lease agreement. It was decided that the council would be willing to approve the lease agreement at their next meeting and the board would do the same at their next regular meeting. The idea of purchasing would be something for future discussion.
