Year 6 End of Year Objectives

Path 6- Reading

- Use knowledge of morphology and etymology to read aloud and understand new words
- Make comparisons within and across books
- Read a range of modern fiction, fiction from literary heritage and books from other cultures and
- traditions
- Identify and discuss themes and conventions across a wide range of writing
- Discuss understanding of texts, including exploring meaning of words in context
- Ask questions to improve understanding of texts
- Summarise ideas drawn from more than one paragraphs, identifying key details
- Predict future events from details stated and implied
- Identify how language, structure and presentation contribute to meaning
- Discuss how authors use language, including figurative language, to affect the reader
- Make book recommendations, giving reasons for choices

Path 6- Writing:

- Use relative clauses
- Convert nouns or adjectives into verbs
- Use adverbials of time, place and number for cohesion
- Recognise vocabulary and structures that are appropriate for formal use
- Use passive verbs to affect the presentation of information
- Use the perfect form of verbs to mark relationships of time and cause
- Recognise difference in informal and formal language
- Use grammatical connections and adverbials for cohesion
- Use ellipsis
- Use commas to clarify meaning or avoid ambiguity
- Use brackets, dashes and commas to indicate parenthesis
- Use hyphens to avoid ambiguity
- Use semi-colons, colons and dashes between independent clauses
- Use a colon to introduce a list

Path 6- Maths:

- Round any whole number to a required degree of accuracy.
- Use negative numbers in context and calculate intervals through zero.
- Use simple formulae (Algebra)
- Solve addition and subtraction multi-step problems in contexts, deciding which operation and method to use and why.
- Use estimation to check answers to calculations and determine an appropriate degree of accuracy based on context.
- Divide numbers up to 4 digits by a 2 digit number and interpret remainders as whole number remainders, fractions, or by rounding, as appropriate for the context.
- Multiply multi-digit numbers up to 4 digits by a 2 digit number.
- Use written division methods in cases where the answer has up to 2 decimal places.
- Solve problems which require answers to be rounded to specified degrees of accuracy.
- Recall and use equivalencies between simple fractions, decimals and percentages, including in different contexts.
- Calculate percentages and use for comparisons.
- Use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit (and vice versa) using decimal notation up to 3 decimal places.
- Compare and classify geometric shapes based on their properties and sizes.
- Find unknown angles in any triangles, quadrilaterals and regular polygons.
- Describe positions on the full coordinate grid (all 4 quadrants)
- Interpret pie charts and line graphs.
- Use pie charts and line graphs to solve problems.
- Calculate and interpret the mean as an average.
