i2P2M offers top rated

Diplomas in Project Management & PM Certifications for Individuals

i2P2M - International Institute of Projects and Program Management, a non-profit company was incorporated in 2008 as a Section 8 company with the vision to equip project leaders, managers and professionals across central / state government, public & private sector companies and research institutions to handle the complexity of tomorrow. It's aim is to build their Knowledge, Competency and Leadership through comprehensive learning with it's application at the workplace, exposure to best practices, relevant case studies, real time computer based simulation of complex project and leadership scenarios and sharing of experience and success stories with industry stalwarts from India and abroad.

I2P2M has two major streams. One stream is in providing the International / Executive Diplomas in Project Management (I/EDPM®) in association with the School of Business of The George Washington University, Washington D.C., USA which is a leading university in the field of project management.

The **second stream** relates to administering of nine project management certifications for individuals. The training for these certifications is provided by separate training organisations.

i2P2M has realised it's Vision with astounding success. It has set a new benchmark globally in it's I/EDPM® diploma. The 16 Uniqueness of I/EDPM program is at the core of this accomplishment. i2P2M has revolutionised project management by transforming Learning to Competency Development and thereafter its application at workplace resulting in measurable benefits and documentation of the best practices. As on January 2022, 1540+ professionals from 177+ organisations across 11 countries have gone through the I/EDPM program held in India and USA.

i2P2M deploys resources from IITs, IIMs, Stalwarts from India & USA and reputed training organisations for the I/EDPM program.

i2P2M is one of the four global certification bodies for project management. The syllabus for it's flagship credential, the Certificate In Project Management is very comprehensive covering 8 project life cycle phases. The certification methodology is very robust and is the only one globally with negative marking as well as 4 sections in the paper that must be passed independently.

i2P2M has an Academic Industry Council (AIC) which provides strategic direction and policy framework. The AIC has distinguished individuals from Academia, Industry, R&D organisation and Representatives of Ministry of Power, ISRO, Assocham, IITs and IIMs.

PM Certifications

Seen in the photo are seven persons who acquired the prestigious Certificate In Project Management (CIPM) credential administered by i2P2M. Certificates were handed over by i2P2M Chairman, Adesh Jain. They were all senior management professionals from Bharat Broadband Network Ltd. (2018).

I/EDPM Diplomas

62 participants of IEDPM from 23 organisations intently listening to various speakers from NASA at the Goddard Space Flight Center, USA. (2015)

Anuj Agarwal, then Executive Driector, Airport Authority of India receiving his GWU Certificate from professors of the George Washington University, USA. (2012)

NITI Aayog in its report of the Task Force on Project & Program Management has recognised i2P2M as one of the four global PM Certification Institutions.

Excerpts from above NITI Aayog Task Force Report

"The curriculum to address following knowledge areas for project management and should consider the project from concept to commissioning encompassing all life cycle phases i.e. Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver/closeout and Knowledge Leverage."

i2P2M is the only global certification institution that administers the Certificate In Project Management which is aligned to the above 8 project life cycle phases. The three phases of Organise, Integrate and Knowledge Leverage in addition to the five conventional project life cycle phases are key to successful project delivery enhancing realisation of benefits.

i2P2M – making India proud by its globally recognised International/Executive Diploma in Project Management & PM Certifications

(a not for profit company)

i2P2M has Two Major Streams

- IEDPM® and EDPM® Diplomas
- Project Management Certifications

Chairpersons of i2P2M's Academic Industry Council (AIC)

2008-2010, **Adesh Jain** who is often referred to as 'Bhishma Pitamah of project management' and was conferred the Lifetime Achievement Award in 2014. A global PM visionary, his stamp was released by government of Turkey in 2010 in recognition of his global contribution in strengthening project management.

2011-2013, Late **Dr. Nitish Sengupta,** Former Member Secretary, Planning Commission, a renowned administrator and management guru. He was a prolific reader and authored many books. He was Chairman of BRPSE and the founding Director General of IMI.

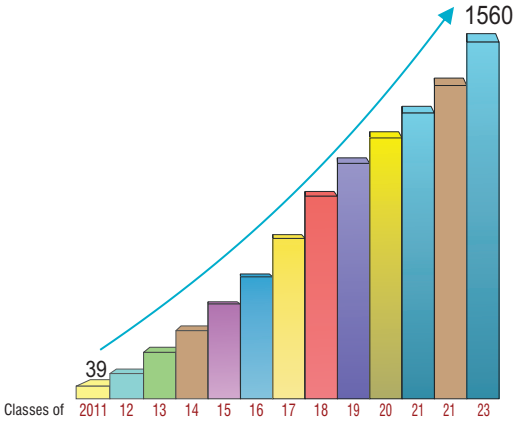
2014 onwards, **TKA Nair**, a renowned administrator, was Advisor to Former Prime Minister of India with the rank of Minister of State. He also previously served as Principal Secretary to former Prime Minister. Currently he is a member of the board, JICA International, Japan.

The Academic Industry Council (AIC) of i2P2M has Distinguished individuals from Academia, Industry, R&D organisation and Representatives of Ministry of Power, ISRO, IITs, IIMs and Assocham.

i2P2M Offers Diplomas in association with

THE GEORGE WASHINGTON UNIVERSITY WASHINGTON, DC

SCHOOL OF BUSINESS THE INTERSECTION OF BUSINESS AND SOCIETY



- i2P2M in association with The George Washington University, Washington D.C., USA has set a new benchmark in executive education. With its 16 uniqueness, the International/Executive Diploma in Project Management (I/EDPM) program has created a world record with 40% growth in the total enrolment from 2011.
- As on 15 May 2023, we have 1560+ top-notch professionals from 180+ organisations across 11 countries who have undergone the International / Executive Diploma in Project Management (I/EDPM) program in India and USA. These professionals have **developed competencies and applied the same at their workplace to yield substantial benefits and documented the best practices**.

i2P2M Certifications

- i2P2M administers **nine** project management certifications for individuals based on the global best practices and has also added contents most relevant to Indian context like Stakeholder Management, Health, Safety, Environment, CSR and Contracts.
- i2P2M's globally recognised **Certificate in Project Management (CIPM)** credential aligned to the Totality of Project Management is based on 8 project life cycle phases which is considered to be the most advanced globally. Generally 5 project life cycle phases are considered. The three additional project life cycle phases considered by i2P2M are **Organize, Integrate and Knowledge Leverage**. This makes CIPM the most robust in content and in conceptual framework. This is i2P2M's contribution to global PM Community.
- i2P2M has organised joint programs leading to certifications with various Associations and Microsoft.

SCOPE — Indian Institute of Corporate Affairs — Microsoft — Central Board of Irrigation and Power — Federation of India Petroleum Industry

Technology Partner Microsoft

Microsoft in view of i2P2M's well recognised credential in project management certification and Diploma Programs became the Technology Partner of i2P2M for the global symposiums on PM.

CIPM exam paper has 4 sections. Candidates must pass each section independently by scoring minimum 50% and 60% overall across the paper. i2P2M is the only global PM certification body with negative marking.

CIPM - Made in India PM Credential for Individuals with Global Reach and Recognition

"What makes Certificate In Project Management (CIPM) program world class is its comprehensive syllabus with an extremely robust certification process. **I myself have gone through the CIPM and in my opinion, it should be a pre-requisite for all PM professionals globally."**

- Prof. Dr. B. Nag, IIM Calcutta (2015)

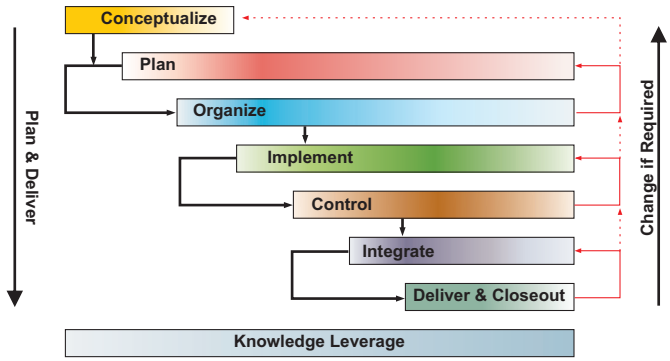
"Certificate In Project Management (CIPM) is unique and should become **a must for professionals of an enterprise to create a common vocabulary".**

- Dr. Hiroshi Tanaka, President, Project Management Association, Japan (2007)

"Certificate In Project Management (CIPM) is a major step forward for the PM profession."

- Dr. Vladimir Voropajev, President, Russia Project Management Association (2007)

Totality of Project Management (TPM) covers 8 Project Life Cycle Phases, 38 Knowledge Areas and 126 Concepts.



8 Project Life Cycle Phases of TPM is in line with NITI Aayog's recommendations for project management curriculum

TPM covers eight Project Life Cycle (PLC) phases – Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver & Closeout and Knowledge Leverage. Each phase has been depicted using different colors of varying intensity showing the intensity of the work during that phase. Three additional Project Life Cycle phases **Organize, Integrate, Knowledge Leverage** were introduced first time globally. The additional 3 project life cycle phases is added to conventional 5 project life cycle phases used by other global PM associations. Totality of Project Management is most unique globally. CEPM provides project management training based on the syllabus provided by i2P2M which administers the Certificate In Project Management (CIPM) Exam

Some of the 38 Knowledge Areas covered in Totality of Project Management (TPM) are: Stakeholder Management, Need Analysis, Business Case, Success Criteria, Scope Definition, Time Management, Cost & Finance, Project Management Plan, Roles & Responsibilities, Risk & Opportunity, Procurement, Quality, Information Management & Reporting, Contract Administration, Communication, Organization Structures, Leadership, Motivation, Conflict Resolution, Team Performance, Negotiation, Change Management, Issue Management, Problem Solving, Internal & External Interfaces, Closeout, Post Project Evaluation, Agile methodology, Health, Safety, Environment, CSR etc.

Excerpts from NITI Aayog Task Force Report on project management :

"The curriculum to address following knowledge areas for project management and should consider the project from concept to commissioning encompassing all life cycle phases i.e. Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver/closeout and Knowledge Leverage".

Totality of Project Management is in line with NITI Aayog's above recommendation.

ISO/IEC 17024:2012 provides a framework for ensuring consistency, credibility, and quality in certification programs. By complying with this standard, certification bodies such as i2P2M can demonstrate their adherence to internationally recognized practices and build trust among all stakeholders.

ISO
ISO/IEC 17024:2012
Accredited
Personnel Certification Body

Certificate In Project Management (CIPM) is ISO/IEC 17024:2012 accredited and administered by International Institute of Projects & Program Management (i2P2M).

CIPM certification is unique as it includes global best practices / concepts as well as relevant issues for India like Health, Safety, Environment, Contracts and CSR and related Indian regulations

NITI Aayog has recognised i2P2M as one of the four Global Project Management Certification Bodies.

CIPM - Made in India PM Credential with Global Reach and Recognition

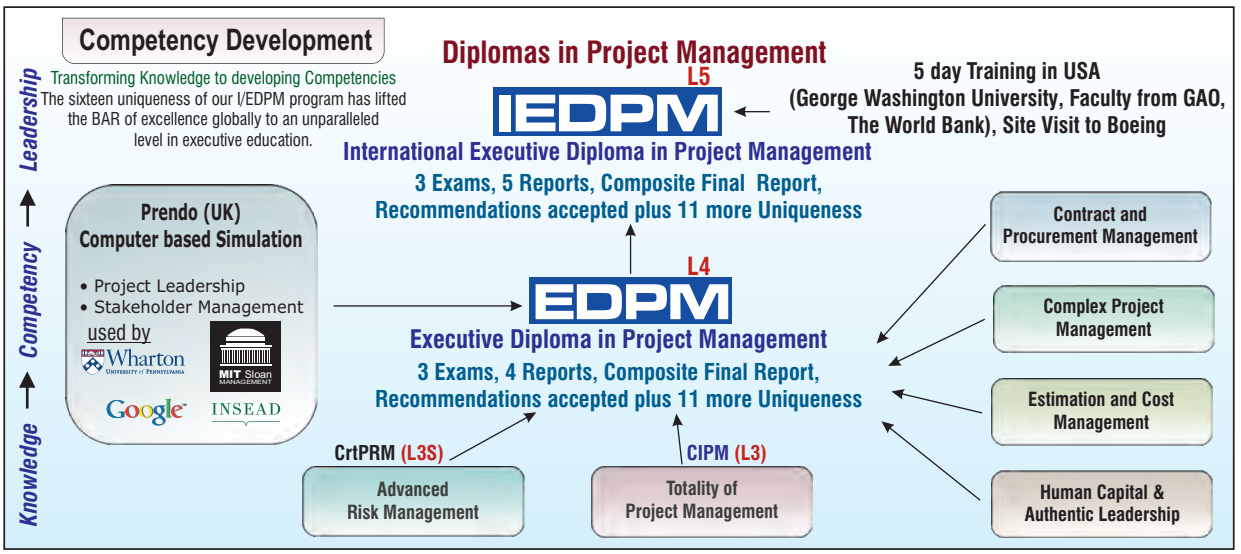
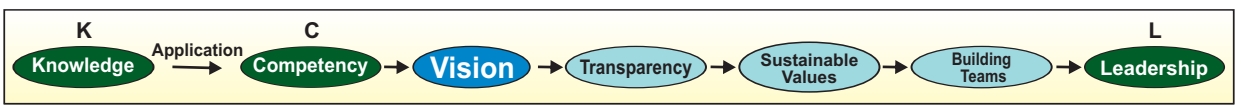
Integrating Project Management Certifications with I/EDPM® diploma programs leading to a complete project management career path for professionals

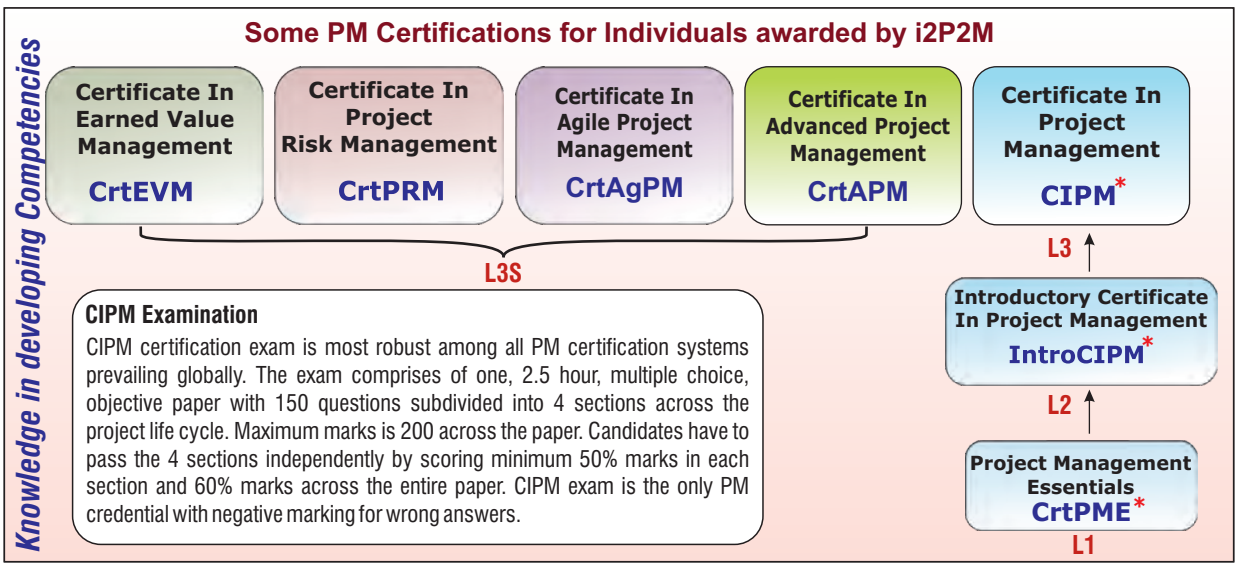
i2P2M
International Institute of Projects & Program Management
(a section 8 not for profit company)
Setting a new benchmark in Executive Education globally & Pioneering Project Management Certification worldwide





i2P2M's Revolutionary Approach based on K-C-L Model of Learning and Development has transformed Training with High RoI. **Knowledge** is scalar i.e. has magnitude only. The development of **Competency**, a vector takes place only when knowledge is applied in real life work situations. **Leadership** based on being far sighted (Vision) can be nurtured based on three essential human centric factors Transparency, Sustainable Values & Building Teams.

In **I/EDPM** diploma knowledge gained in the classroom through 3 exams gets translated into competency by writing 4/5 reports identifying the areas of application for improvement at their workplace. Recommendations made are accepted by their management for possible implementation.



* L1, L2 and L3 are based on most versatile 8 Project Life Cycle Phases as given below

Legend for complete career path

- L5 IEDPM Diploma } Competency Development
- L4 EDPM Diploma
- L3S Special Certifications for project professionals
- L3 All employees including project executives
- L2 Executives from supporting functions like HR & Accounts
- L1 Graduates

Step by step reach the top
