

ITECH Master's Programme Application Manual

Winter Term 2021/2022

ITECH

General Information

The ITECH Team is glad that you are going to apply for the ITECH Master's programme.

Herewith a brief guide to the online application process.

How to apply?

Step 1: Your online application

In order to apply for admission to the Master's programme you need to submit a full set of the required documents to the online application portal not later than 15 February.

Please don't send any hardcopies to us.

The application portal is only available during the application period from 15 December to 15 February.

Step 2: Pre-selection and interviews by the ICD

If you have passed the pre-selection stage, you will be interviewed by the selection committee.

This interview may be a face-to-face or a telephone / Skype interview.

For the intake in winter term interviews usually take place in March.

Please make sure your application documents contain an up-to-date telephone number and email address as we have to contact you in order to make an appointment for the interview.

3. Step 3: Selection, submission of hardcopy documents

The final selection will take place at the beginning of April.

You will be informed of the results as soon as the decision has been made.

If you have been selected, you will be offered a place to study on the MSc. ITECH.

Technical requirements

In order to submit successfully your application you should have some basic devices at your disposal:

- a computer with internet access
- a printer and a scanner in order to upload all required documents
- webcam and skype account for interview

Now you can start your application by following the manual on the next pages.
