USER MANUAL

ECCS REGISTRATION ON ICEGATE

Introduction

Please refer to Section 51A of the Customs Act, 1962 and subsequent CBIC Notification No. 20/2022-Customs (N.T.) dated 30th March 2022 vide which the Customs (Electronic Cash Ledger) Regulations, 2022 were notified. In this regard, please refer to Advisory dated November 28, 2022 issued by ICEGATE.

All Authorized Couriers registered in the Express Cargo Clearance System (ECCS) are hereby advised to get themselves registered in ICEGATE portal to avail the facility of Electronic Cash Ledger (ECL).

However, existing users of ICEGATE (i.e., users already registered on ICEGATE_{1.0}) are not required to obtain a fresh registration and they can directly log-in to the new ICEGATE_{2.0} portal.

Further, in order to guide the stakeholders about the process of applying in ICEGATE portal, this advisory is being issued.

Through this facility, authorized couriers in ECCS can submit the registration request on ICEGATE Portal after providing the requisite details. After the approval by ECCS admin officers on ICEGATE Portal and successful system validation, authorized couriers in ECCS shall receive ICEGATE credentials to access the ICEGATE website.

II. The process for registration is given below:

(i) To register as an ECCS user on ICEGATE, the user must have a Courier Registration Number.

- (ii) While registering on ICEGATE, the entity Name, entity PAN and Address against a particular Courier Registration Number would be pre-populated from the user profile related to the said Courier Registration Number in ECCS for the user to confirm the said details.
- (iii) Such pre-populated data cannot be changed in ICEGATE and for any rectification required by the user, the respective Directory Manager or Policy branch at ECCS needs to be approached.
- (iv) ECCS users who want to get registered at ICEGATE must register with their registered Email ID available at ECCS and Mobile Number available with ECCS and GSTN.
- (v) Users should ensure that their Digital Signature Token (Class-III Individual Type) (Sign-in & encryption) is plugged into their system before starting the Registration process. It is mandatory for all the users to upload their Digital Signature Certificate (DSC) at the time of registration.
- III. After completing the registration process successfully, the registration request would be forwarded to the Department for approval.
- IV. In case of successful registration of the user, an acknowledgement e-mail with their login credentials (User ID and Password) will be sent to the registered Email id. In case of rejection, reason for rejection will be sent to the registered Email id.

B. Step-wise guide for Authorized Couriers to register on ICEGATE Portal

Please follow the below-mentioned steps for obtaining a new ECCS Registration on ICEGATE portal:

(a) If the user has already registered earlier, the user can directly login by providing their ICEGATE ID and Password without having to register again. In such cases, the *'User Type'* that needs to be selected shall be *'ICEGATE User'*.

(b) For new registrations, click on the *Register Now*> button as shown in the screen below highlighted in red box.

- (n) On entering the OTP and clicking the *Submit* button:
 - If the OTP is invalid, an error message would be displayed.
 - In case OTP is not received, click on <*Resend OTP*> as shown in the screen below.
 - The user must validate the received OTP within a set interval of 600 seconds. Else, the OTP will expire.

(n) On clicking <Submit> Button and on successful verification of OTP, the registration application will be submitted and reference number will be generated and displayed to the user. The application will be sent to ECCS admin officers for approval and credentials will be received by the user on the registered e-mail id as soon as the application is approved by the officer.
