### IFERP Aims to Digitalize

The Methodologies of Innovation, Research Collaboration and  
Knowledge-Sharing by Fostering a Integrated Scientific Community.

# Our Mission

Upskilling the knowledge hub through technological innovation and excellence for the benefit of humanity

Fund

Foster

Further

Global Technology Innovation

## Our Vision

A Digitally equipped robust, dynamic & swift professional community integrating academics & industry for upgraded technical knowledge implementation.

## Why IFERP?

# IFERP at a Glance

**56,745+**

Delegates Attendance

**576+**

International Conferences all around the globe

**1251+**

SCIE Publications

**1,18,629+**

Members from 200+ Countries

**45+**

In-house Journals

**48,593+**

Publications

**420+**

Collaborations & MoU signed

**33,673+**

Science Presentations

**16,421+**

Web of Science Publications

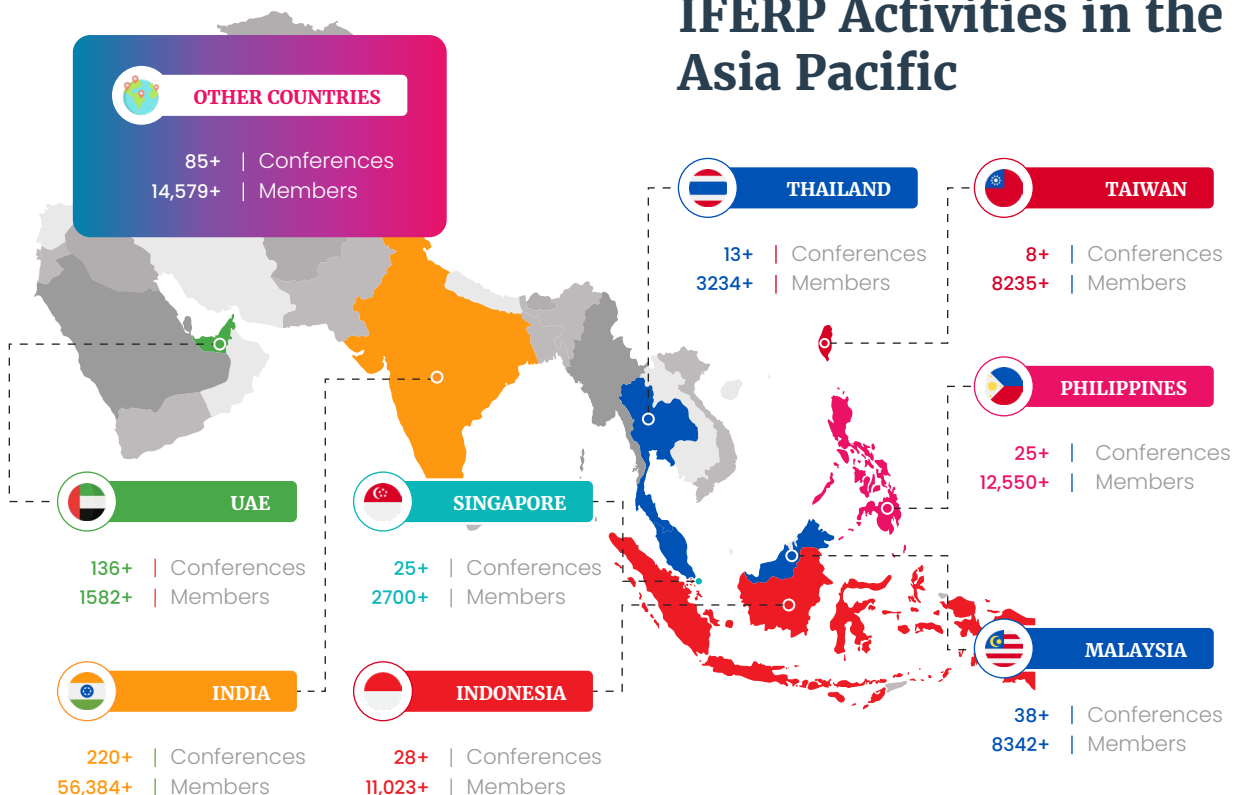

**32,783+**

Scopus Publications

**412+**

Virtual Events (Conferences/Webinars/FDP)

## IFERP Activities in the Asia Pacific

# IFERP Services & Assistance

## Learn

Workshops	Value Added Courses
Professional Development Program	Faculty Development Program
IFERP Academy – Courses	Skill Development Program
Research Pedia (Digital Library)	

## Collaborate & Networking

International Conferences	MoU with Abroad Universities
Faculty Exchange Program	Student Exchange Program
QS Ranking & Local Accreditation Bodies	Global Community Building & Networking
Academic Partner	Awards
Membership (Student, Professional, Institutional)	Student & Professional Chapter in your Institution

## Present

International Conferences	Project Competitions
IFERP Talks	Hackathons

## Mentorship

Keynote Speaker	Session Chair
Industry Experts Mentorship	Research Guidance

## Publish

Journals (SCOPUS, WoS, SCIE, ABDC, Google Scholar)	Intellectual Property Rights
Book Chapters	Editor / Reviewer

## Jobs

Job Postings	Placement Training
IFERP Placement Drives	

# 2 IFERP Initiatives

The programmes offered by IFERP in creating a productive and competent workforce with the ability to focus on cutting-edge technological innovations for social improvement.

## IFERP Faculty Development Program

The goal is to enhance the educational system through high-performance performance mechanisms for educators in order to support more rapid and sustained growth.

Facilitate Educators with Modern skills

Share Modern Training & Leadership Learning Material

Provide Global Socializing Network Opportunities

Inspire Educators to Research and Pedagogical Skills

Increasing Internationalization in Teaching

Fostering Academic Vitality

# IFERP Skill Development Program

The goal is to provide opportunity, space, and scope for the aspirants' skills to develop and their technical expertise to be enhanced.

**Research Skills  
and Techniques**

**Project-Specific  
Skills**

**Industrial  
Aptitude Skills**

**Personal Effectiveness  
Skills**

**Governance &  
Organization Skills**

**Engagement, Influence  
& Impact Skills**

## IFERP Youth Empowerment Program

The goal is to offer young students access to the necessary higher education resources, funding, and materials to empower them to succeed in the objectives of technological innovation.

**Capacity Building  
Activities**

**Capability Building  
Activities**

**Competence  
Building Activities**

# IFERP Industry-Institution Program

The goal is to bridge the gap between industry and academia in order to shape engineering curricula, expose students to the industrial environment, and assist with their placement across the country.

Collaboration between Sympatico Entities for Maximum Productivity

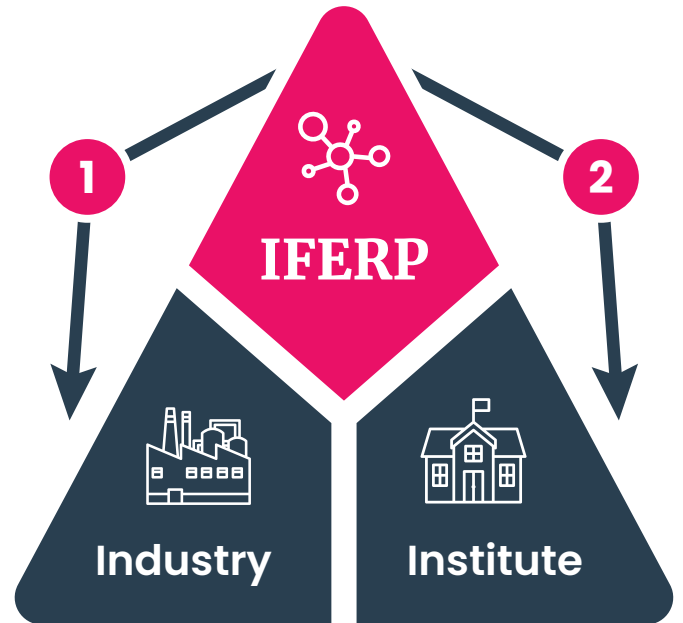

Defining the scope and objectives of the collaboration

Establishing Mechanisms for Facilitating Seamless Collaboration

Setting up necessary infrastructure and resources

## IFERP Research & Publication Guidance Program

The goal of the program is to provide guidance, infrastructure, and funding to Research Institutions & Professionals to accelerate regional & global research & publication.

Research Idea Synthesis & Development

Securing Of Critical Funding

Policy-Making

Propagation of Research Through High-Level Publications

# 3 IFERP Membership

Giving Students, Professionals, Educational Institutions, & Corporates A Sense Of Belonging To A Community

Offering Access To Exclusive Resources, Opportunities, & Amenities

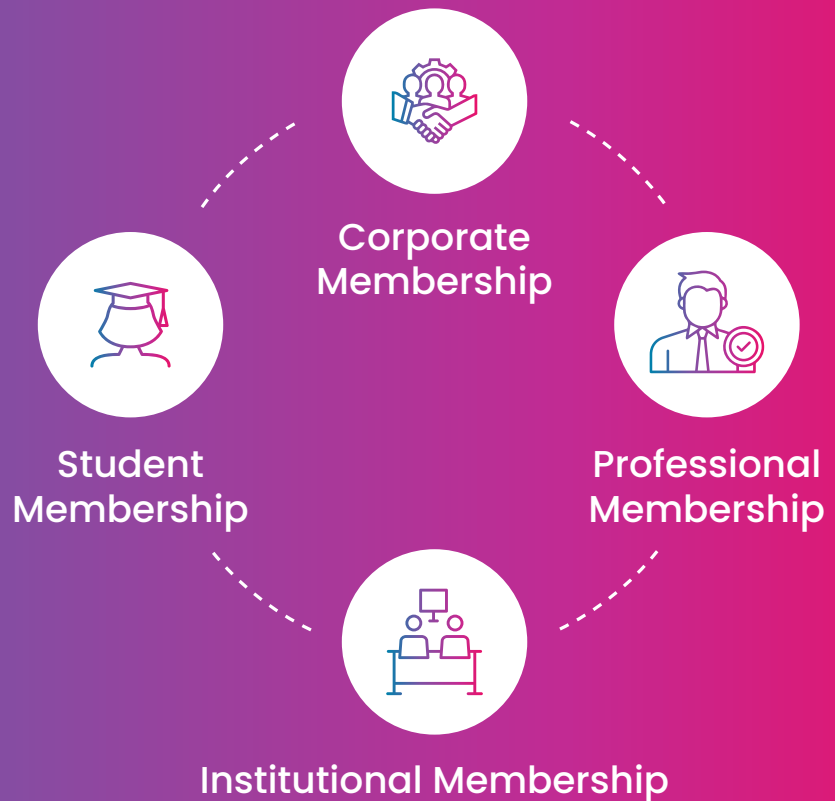

Facilitating High-Level Networking, Collaboration, & Partnerships

Guaranteed Growth Acceleration In Terms Of Research, Professional, Publication, Reputation, Etc

## Membership Categories Include

# Student Membership

## Eligibility

- ▶ Pursuing A Bachelor's Or Master's Degree,
- ▶ Involved In The Fields Of Engineering, Science, Management Or Technology.

## Benefits

- ▶ End-To-End Research Project Assistance,
- ▶ Research Publication Support Globally Recognized Journals.
- ▶ Patent & Commercialize Research Outcomes & Innovations assistance.
- ▶ Networking with Leading Professionals Worldwide.
- ▶ Expert Mentorship, Career Guidance, Skill Development & Access to Critical Resources.

# Professional Membership

## Eligibility

- ▶ An Academic,      ▶ Professional experts,
- ▶ Operating In the Fields of Engineering, Science, Management or Technology.

## Benefits

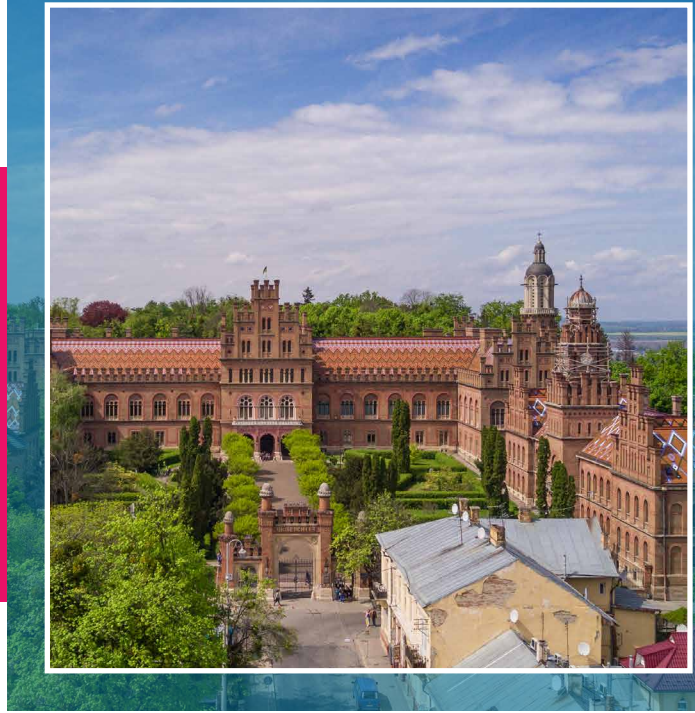

- ▶ Access To Diverse Research Aid Schemes,
- ▶ Access To Worldwide Networking,
- ▶ Access to Exclusive Building Activities, Workshops, Webinars, Development Programs, and Events.
- ▶ Opportunities To Publish, Patent, & Commercialize Research Findings & Innovations.

# Institution Membership

## Eligibility

- ▾ A College,    ▾ An Education Organization,
- ▾ A Research Institute,    ▾ A University,
- ▾ Operating In the Fields of Engineering, Science, Management, or Technology.

## Benefits

- ▾ Grad-up Institution Reputability and standards.
- ▾ Recognition As A World Class Education Provider,
- ▾ Collaborate With Industry On Pioneering Research Ventures & Projects,
- ▾ Access to A Pool Of High Performing Talent (Researchers, Faculty Members, Educators, & Scholars) From Around The Globe,
- ▾ Access to Critical Funding, Infrastructure, & Resources.

## Corporate Membership

The goal is to assist corporate in improving productive academic collaboration. An Industry Professional, A Business Leader, and International leaders.

### What we do

Establish corporate requirements with the educational institution

Organize academic and industry collaboration for research

Actively engage in the skill-building activity

Provide Campus recruitment Facilitation

Access to participate in forums, seminars, and conferences and collaborate with others

## Benefits

Research Assistance & Guidance

Community Engagement

Talent Development

Brand Image & Visibility

## 4 IFERP Chapter

A Chapter is formed by a group of aspirants who share a common desire to network and advance their skills. IFERP promotes the growth of the Engineering & Science community through its 100+ professional and 200+ student chapters located around the world.

- ▶ Platform for connecting like-minded people - individuals, industry professionals, students, business leaders, and researchers - within small communities.
- ▶ Access to global opportunities, resources, expertise, team invention, leadership skills, idea sharing, and global exposure through

IFERP Distinguished Speakers Program

High-Level Seminars, Webinars, & Guest Lectures

End-To-End Research Assistance & Support

Field Trips, In-Plant Training, & Social Events

# Chapter Categories Include

Student Chapter

Special Interest Community

IFERP Chapters

## Special Interest Community

- 01:** Artificial Intelligence and Machine Learning
- 02:** Robotics and Automation
- 03:** Knowledge Discovery and Data Mining
- 04:** Advanced Communication Systems and Networking
- 05:** Network Security and Data
- 06:** Business Management and Development
- 07:** Bioengineering
- 08:** Ethical Hacking
- 09:** Virtual Reality and Immersive Architecture
- 10:** Big Data and Smart Cities
- 11:** Cloud Computing

## IFERP Chapters

- 01:** IFERP – Indonesia Chapter
- 02:** IFERP – Thailand Chapter
- 03:** IFERP – UAE Chapter
- 04:** IFERP – Philippines Chapter
- 05:** IFERP – Tamil Nadu Chapter
- 06:** IFERP – Punjab Chapter
- 07:** IFERP – Karnataka Chapter
- 08:** IFERP – Maharashtra Chapter
- 09:** IFERP – Andhra Pradesh Chapter
- 10:** IFERP – Telangana Chapter
- 11:** IFERP – Uttar Pradesh Chapter

# 5 IFERP – Plan A Scientific Conference

Collaboration with IFERP can assist universities, educational institutions, and academic entities in gradually improving institutional standards, nurturing staff and student learning potential, and increasing productivity.

**INTERNATIONAL CONFERENCE**  
(On-Campus)

**INSTITUTION**  
Organizing Sponsor

**ACADEMIC PARTNER**  
Organizing Sponsor

## International Conference (On-Campus)

We host a **world-class conference** with high **collaboration** opportunities and standard developments at **your venue**.

### Installing

Technical and infrastructure.

### Organizing

Inviting eminent speakers, committee members, research scholars, co-host partners and Industrial expertise.

### Elevate

Social media, website, email, brochure, flyers, direct promotion and through technical community.

### Managing

Abstract submission, review members, registration dashboard, live channels, publications, and Awards & Recognition.

### Funding

Administrative payables & receivables

### Ad Hoc Corporate Services

Professional, reliable, quality, and International standards.

### Hospitality management

Food & Beverage service, Guest Accommodations, and Transport.

# INSTITUTION Organizing Sponsor

We assist you in hosting a **world-class conference** by providing all organizational, management, technical, and digital services **at your preferable venue**. **You Get To Control and manage all** Registration Fees Collection Completely.

## IFERP SUPPORT IN ORGANIZING

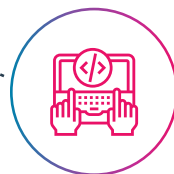

Marketing &  
Online Promotion

Registration  
Dashboard

Abstract  
Portal Setup

Program  
Assistance

Global Committee  
Management Support

## ACADEMIC PARTNER Organizing Sponsor

Let's collaborate as an academic partner to bring like-minded **people together to share and develop ideas and standards** on or off campus. IFERP makes it possible for the university to achieve such lofty academic goals.

### Promotional Opportunities

Online and offline promotions include website, brochure, banners, social media, affiliate marketing, email campaign, and direct marketing.

### Academic Opportunities

Faculty development, Student skill development, Institutional standard development, IFERP Publication, and Global collaboration.

### Professional Opportunity

Technical community membership, International sessions, expert interaction, industrial collaborations, and Research methodology development.

### Complimentary Opportunities

Hospitality service, Awards & Recognition, Abstract Review, Journal Publication, IFERP Discounts, and Offers.

# 6 IFERP Awards & Recognition

IFERP is proud to honour high performers and effective contributors for their achievements. Members who have made significant contributions to their respective field, innovation, professional excellence, presentation, research, leadership and social service are recognised with awards.

Best Paper Award

Best Presentation Award

Young Researchers Award

Smt. Sneha Lata Dash Awards for Scientific Excellence

Ashok Jain Awards of Academic Research & Higher Education

IFERP Distinguished Member Award

Outstanding Chapter Award

IFERP Fellow

# 7 Journals & Publications

IFERP's objective is to make groundbreaking research more widely known by publishing it in prestigious open access journals. This includes assistance with writing, reviewing, and publishing abstracts/research papers all over the world.

## Presently Manages

45+ In-House Journals

Published Article Count of 58,593+

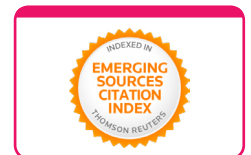

20+ Book Published

Globally Recognized Publisher

1510+ Patents Assistance

# 8 Research Guidance & Support

## Editing & Revision

- ▲ Grammatical corrections
- ▲ Language editing
- ▲ Plagiarism correction
- ▲ Proof reading
- ▲ Research paper Editing
- ▲ Case report Editing
- ▲ Synopsis Editing
- ▲ Thesis Editing

## Review

- ▲ Reviewer suggestion
- ▲ Reviewer Comments Support
- ▲ Thesis Review
- ▲ Book Review
- ▲ Research Paper Review
- ▲ Review Paper Review

## Formatting

- ▲ Journal Format
- ▲ Research Paper Format
- ▲ Cover Letter

## Journal Suggestion

- ▲ Journal Selection
- ▲ Journal Submission
- ▲ Review Comment Support

## Post Publication Support

- ▲ Citation Support
- ▲ Patent Support
- ▲ Grant Support

# 9 IFERP ACADEMY

The IFERP Academy Help Program aims to provide students with the resources they need to thrive academically and to encourage the research approach to invent new technologies that could support society and the environment.

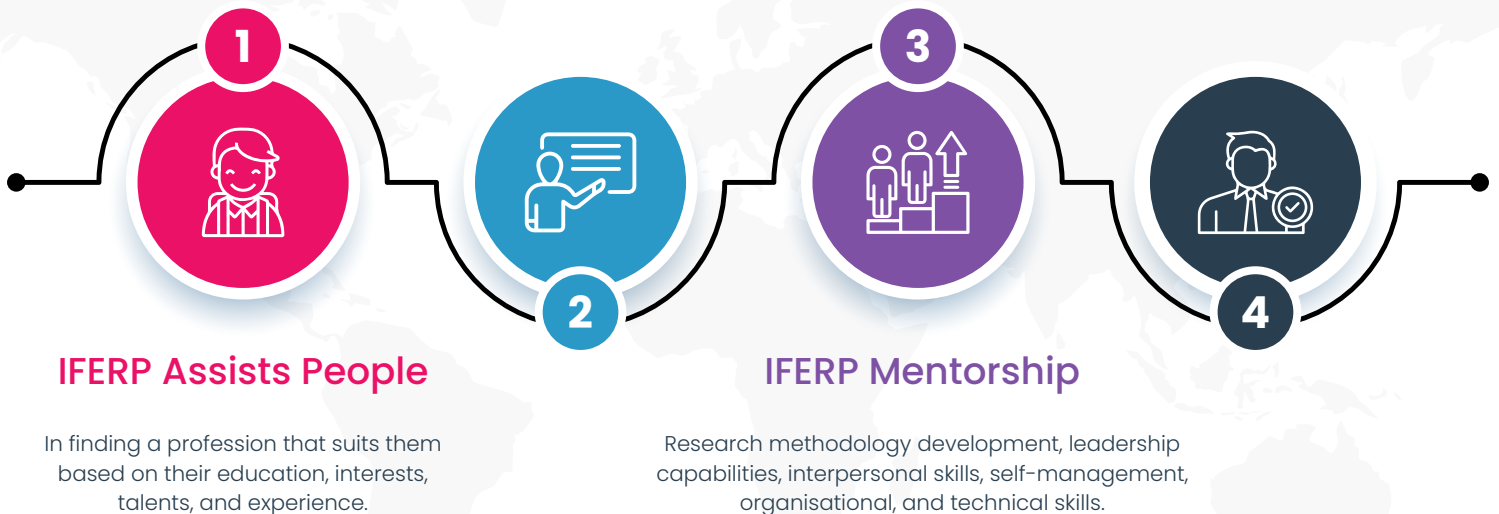

Educational resources, peer connections, academic coaching, academic counselling and advising, peer mentor programmes, career development, professional guidance, and skill improvement are all included in the support.

## IFERP SKILL ASISTANCE

For all undergraduates and recent graduates in order to help them develop their communication, critical thinking, research technique, leadership, time management, and public speaking skills.

## IFERP Assists Professionals

By encouraging initiative, continuous learning, teamwork, collaboration, planning and researching skills, as well as creativity and innovation.

## IFERP Digital Library

All of the journals, conferences, conference proceedings, research articles, and magazines are available in the IFERP Digital Library. IFERP publishes the most informative, thorough, and trustworthy source of information on recent advancements in the fields of management, engineering, and technology.

# TESTIMONIALS

**Shri. Dr. B.K.Venkataramu**

IFERP International Conference is converting all the key issues and confident that researchers, engineers, industrialists, academicians and students would deliberate and emerge innovative ideas for futuristic technologies.

**Dr. Suresh D. Mane**

Principal and Director

Thanks for the warm Greetings. We too wish all progress to your esteemed organisation in all its works.

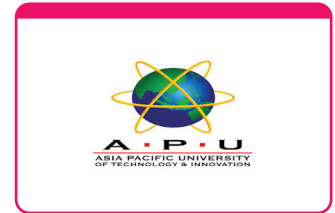

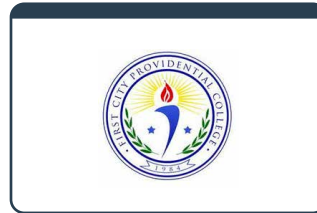

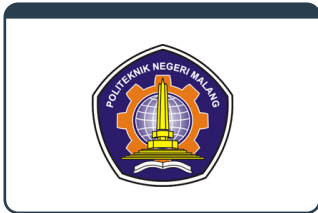

**Dr. T.C.Manjunath**

Professor & Hod ECE

IFERP will give best result to our Society and the world of Science, Engineering & Technology. All the best and Keep going your goals.

# ASSOCIATES & PARTNERS

# Contact Us Right Away to Join the International Technical Community.

Feel free to get in touch with us to talk about career opportunities, research, and publication support. IFERP would assist you in accomplishing your desired objectives.
