FUNDRAISING

EASTER FLOWERS

Our Easter flower fundraiser is our official kickoff to spring. Your customers can choose from our selections of Hyacinths, Tulips, Easter Mums, and of course, Easter Lillies. After these plants have finished blooming you can plant them in your garden. The plant will sprout new growth and bloom again next year. Pick-up the week of Easter.

HANGING BASKETS

Jerry's For All Seasons hanging baskets are well known throughout the region. As soon as Valentine's Day is over our entire staff begins planting thousands of hanging baskets. The baskets are at their peak right on time for Mother's Day. Give Mom something really special this Mother's Day, the most beautiful hanging basket she has ever seen. Available all spring.

FALL MUMS

Colors, colors, colors. The fall mums, for most people, produce the most beautiful colors for their gardens, porches and front yards. Jerry's has all the colors for you. Our hardy mums are bursting with colorful blooms. Our great autumn colors include amber, purple, orange, gold, white, pink... Mums are also a perennial. If planted in the ground they will come back and provide your garden with a wide array of color year after year. Pick-up between September 1st and October 15th.

FRESH BAKED GOODS

Our most popular fundraiser. Just walk into Jerry's when we are baking pies and you'll know why. Let's start with 20 gourmet pies, then another 10 specialty pies, add in another 10 cream pies, then toss in cake rolls and kolachi and your organization has the perfect recipe for success. The holidays are the perfect time for this fundraiser. Our entire menu can be seen by visiting our website at:

Here's a great selling tip:

Give yourself some extra time. When your customer sees all of the delicious flavors to choose from, it's going to take them awhile. By the way, most people will buy multiple pies, which means your organization's profits will also multiply. This fundraiser can be done year-round but does especially well for the holidays.

POINSETTIAS

The perfect gift for the holiday season, a Poinsettia from Jerry's For All Seasons. Our Poinsettias are the highest quality in the area and will provide beautiful color throughout the winter holidays. We offer our holiday Poinsettias in red, pink, white or marble, with a foil pot cover. These are not box store plants, they are true florist quality. Everyone will buy them, meaning your organization will turn a great profit. Nothing says tradition like a Poinsettia plant. Pick-up December 1st - 20th.
