

MSc Scholarship Opportunity for CoANRE Students

I am pleased to announce for a **Fujita scholarship opportunity** to eligible candidates from the College of Agriculture and Natural Resources (CoANRE). The total amount of the scholarship is equivalent to 500,000 Japanese Yens within a period of one year or its equivalent in Kenya shillings. Approximately fifty percent of this money will be used for settling University fees for the second year of study while the remainder will be used for upkeep. Eligible candidates can share their documents by the latest **16th Aug 2024** by **5pm**, in the address given below. Only the successful candidates will be communicated to. The requirements for the application are as listed below. You can send your application via email or physically deliver it as indicated below.

Mandatory

- Must be a Kenyan citizen
- Must have at least a Second-Class Honors (Upper Division) Bachelor of Science degree in agricultural sciences from JKUAT or its equivalent/related field from a recognized university
- Must submit a letter of application and a CV
- Must have successfully completed the first year of study at JKUAT, CoANRE
- Must submit academic testimonial (BSc certificate, transcript)
- Must be a registered as a student at the College of Agriculture and Natural Resources
- Letter of recommendation from department
- Must agree to work on a thesis linked to the potato value chain

Optional and added advantage

- Ability to read and write in English
- Ability to work independently with little supervision
- Experience in industry
- Current employees of JKUAT
- Females are encouraged to apply
- Applicants from potato growing regions are encouraged to apply

Physical deliveries: [Principal CoANRE office, New ALB building, JKUAT main Campus](#)
