Autumn Leaves *Spring* Awakens

It's been a long time coming, but everyone is getting back into business and we too are making the most of the spring buzz.

There's new options in existing collections, including the Klee Chest and Bedside, new Bookcases in the Blow and Bobbin designs, and our lovely Roxy is now as a floor lamp.

We've also collaborated with the renowned designer Kathryn Ireland to create some very exciting new season signature pieces...

Welcome back to our world of inspiration!

Prior to launching her interior design business in the early 1990s, Kathryn was an actress, clothing designer, and filmmaker. Today she is one of the most influential interior and textile designers in the world.
