Sir / Madam,

The above referenced assessment was undertaken on 8<sup>th</sup> & 9<sup>th</sup> August 2018.

The Assessment report was dispatched on 8<sup>th</sup> evening itself to you by Blue Dart Couriers.

However, some very minor typographical errors have inadvertently crept in **SAF-2, in TABLE 2.5, on Pages 19 and 20**. Under the Column of Nursing station in Table 2.5 inadvertently some numbers have been typed, instead of Y. These numbers make no sense. Hence under the column of Nursing Station in Table 2.5 of SAF-2 all the numerical/numbers should be correctly read as Yes / Y in all departments. All the wards have Nursing station.

This is to certify that all three Assessors agree with the inadvertent typing error, which is rectified in the **attached 2 pages of SAF 2 Page 19 and Page 12**

Please check the attachments

**Thanking you**

**Yours Sincerely**
