Kids in Parks is a program of the

NATURE'S HIDE & SEEK

Let's find some things hiding in nature!

I can't find Kip! She always hides so well.

Sshhhhh! I'm hiding from Track!

Many things in nature go unseen. Their size, color, and location can make them hard to find. On your hike today, seek out these things hiding in nature.

Remember that all things in nature have a special place. Be sure to leave them here, so others can find them too!
