

Industrial portfolio

Knight Frank have been operating in Belgium since 1973.

As your partners in property, we act with integrity and always think about the bigger picture providing personalised, clear and considered advice on all areas of property.

Our activities focus mainly on investment and agency consultancy work. We strive to match multiple property aspects, such as requirements analysis and high quality advice, to investors, developers, owners and end users for office buildings, industrial properties and residential real estate investment products.

Valuation & advisory.

Discover the real value of your property or portfolio

Our team of experts provides comprehensive commercial property valuation services across the Benelux to financial institutions, lenders, private individuals, funds, property companies and the public sector. We advise both on single valuations and entire portfolios.

Our aim is to provide clients with consistently high-quality valuation and advice, undertaken in accordance with the Royal Institute Of Chartered Surveyors (RICS) Valuation Standards which incorporate the International Valuation Standards (IVS).

More specific, we offer valuation and advisory services to our clients related to:

- Commercial transactions
- Investments
- Mortgage financing
- Portfolio analysis
- Financial reporting
- Accounting
