About Us

We are a modern Vietnamese bakery for all! Founded in Toronto in 2021, LÀ LÁ Bakeshop brings bold, authentic Southeast Asian flavours to the scene. Our desserts are inspired by our memories of Vietnam.

We feature nostalgic ingredients like pandan, durian, pork floss, salted egg, and Vietnamese coffee.

Many of our desserts showcase flavours and textures that might sound peculiar to the uninitiated. Rest assured, your taste buds will reward your curiosity, as our loyal customers will attest.

We welcome you to explore for yourself.

We deliver throughout the GTA. We also offer table setting service to make your items pop! Please ask us for details. If you require fresh flowers, we can take care of that for you too.

We had the privilege and honour to provide dessert hors d'oeuvres at Mei and Richard's wedding, which was held on February 14, 2023 — a fittingly romantic day.

Food sensitivities

We understand many folks have dietary restrictions. We list potential ones here.

Meat: Some buns and cakes contain meat in the form of shredded pork floss. You can opt for mushroom floss instead.

Dairy: Most products contain dairy, including our baked items that use milk bread recipes.

Gluten: We use wheat flour.

Nuts: We are not a nut-free facility. Staff are allowed to bring personal meals to work that contain nuts. This means there is a risk for cross-contamination. That said, our products do not contain nuts unless specified.

Raw eggs: Most items contain some amounts of raw egg in the form of glazes or sauces.
