To whom it may concern,

This letter of recommendation is for Janice Clarke who I have had the pleasure of dealing with for the first time with our Audit, was found most helpful.

She makes reasonable recommendations so that we can show growth and improvement in our Health and Safety System.

I would defenetaly recomend Makrosafe and Janice Clarke for services in the Health and Safety Sector.

Kind Regards

A handwritten signature in black ink, appearing to read "Iris Tyl". The signature is stylized with a large, sweeping flourish that extends to the right.

Iris Tyl
Safety Manager
