**PROVISION OF HEALTH AND SAFETY CONSULTING SERVICES**

Dear Basil,

We would like to take this opportunity of thanking the Makrosafe team for the guidance and continued support in regard to the improvement of Health and Safety within our company.

We have grown our mutually beneficial relationship over the last 8 years and we have come to know the Makrosafe team as being ethical, supportive, thorough, dedicated, always willing to assist and go the extra mile for the client.

We have developed a very strong working relationship with Dyllan, Jessica, Jaydee, Johnny and so many more members of the team and the support on site and with requests for assistance has been highly beneficial.

We have had the opportunity of recommending Makrosafe to some of our clients and have had nothing but positive feedback.

With this being said, we have increased our services with Makrosafe to more of our sites and as such we look forward to working with the staff of Makrosafe for another successful year ahead.

Yours faithfully,
